Elbridge S. Brooks

S is for Story Esther Hershenhorn, 2011-12-17 What is a first draft? What is a narrative? In *S is for Story: A Writer's Alphabet*, author and writing coach Esther Hershenhorn uses the alphabet to help explain, explore, and examine the tools, techniques, and strategies for those hoping to live the literary life. Writing terms and topics are explained using a two-tier format. C is for the Character, every story's star, the one for whom we cheer, we care, with whom we travel far. Specific genres, story elements (setting and plot), and the mechanics of how to write (including editing and revision) are covered, while quotes from famous authors provide examples of the writer's thought process. Budding writers of all ages will be inspired to put pen to paper (or fingers on keyboards)! Author, and writing coach, Esther Hershenhorn admits *S is for Story* is the book she wishes she'd owned as a little girl, dreaming of a writing career. She lives in Chicago, where she teaches Writing for Children at the University of Chicago's Writer's Studio and the Newberry Library. Zachary Pullen's character-oriented picture book illustrations have won awards and garnered starred reviews. He has been honored several times with acceptance into the prestigious Society of Illustrators' juried shows and Communication Arts Illustration Annual of the best in current illustration. Zak lives in Wyoming.

Show Me a Story! Leonard S. Marcus, 2013-09-10 "Will inspire, inform, and delight those of any age who are engaged in—or by—the arts." — The Horn Book Renowned children's literature authority Leonard S. Marcus speaks with twenty-one of the world's most celebrated illustrators of picture books, asking about their childhood, their inspiration, their creative choices, and more. Amplifying these richly entertaining and thought-provoking conversations are eighty-eight full-color plates revealing each illustrator's artistic process in fascinating, behind-the-scenes detail. This inspiring collection confirms that picture books matter because they make a difference in our children's lives.

Vietnam: An Infantry and Cavalry Platoon Leader's Story Dennis Scheer, 2013 Dennis Scheer was commissioned in the summer of 1969 as a second lieutenant in the US Army through the University of Wyoming ROTC program. He moved to Fort Knox, Kentucky, following in the footsteps of his older brother down a path that almost got him killed. When he arrived in Vietnam, he was assigned to an infantry unit near Chu Lai. Midway through his tour, he was reassigned to a cavalry troop. Having fought with two combat arms, his experiences in the war were unique. Lt. Scheer was awarded a Bronze Star with Valor and a Silver Star, the third highest military decoration for valor, for his service in the infantry. He was awarded another Bronze Star with Valor while serving in the cavalry. After returning home from the war, like most veterans, he experienced a series of emotional ups and downs. Now, in his memoir, he recalls the events of that period of his life honestly, from combat to adjusting to life as a veteran.

Bible Story Arthur Stanley Maxwell, 1997 The stories in this booklet are but a cross section of the more than 400 stories that comprise the 10 volumes of: *The Bible story*.

Finding Kindness Deborah Underwood, 2019-10-29 From New York Times bestselling author Deborah Underwood comes *Finding Kindness*, a heartfelt picture book illustrated by Irene Chan. Celebrate kindness in all its many forms. This is a powerful story of community, compassion, and generosity of spirit—perfect for sharing! Kindness is sometimes a cup and a card, or a ladder, a truck, and a tree. A scratch and a cuddle. A rake and a yard.

Egermeier's Bible Story Book Elsie Emilie Egermeier, 2008-07 As a more economical alternative to the standard hardbound edition, this softbound version of *Egermeier's Bible Story Book* brings you all the same text, artwork and study guides (minus the expanded map section).

A Girl's Story Annie Ernaux, 2020-04-07 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Another masterpiece of remembering from Annie Ernaux, the Man Booker International Prize-shortlisted author of *The Years*. In *A Girl's Story*, Annie Ernaux revisits the season 50 years earlier when she found herself overpowered by another's will and desire. In the summer of 1958, 18-year-old Ernaux submits her will to a man's, and then he moves on, leaving her without a "master,"

bereft. Now, 50 years later, she realizes she can obliterate the intervening years and return to consider this young woman that she wanted to forget completely. And to discover that here, submerged in shame, humiliation, and betrayal, but also in self-discovery and self-reliance, lies the origin of her writing life.

S Is for Story Esther Hershenhorn, 2009 What is a first draft? What is a writer's notebook? Author Esther Hershenhorn uses the alphabet to help explain, explore and examines the tools, techniques and strategies for those hoping to live the literary life. Budding writers of all ages will be inspired to put pen to paper (or fingers on keyboards)!

The Story of S. Annalisse Mayer, 2001-06 What if.....? After the death of JFK, Jr., the press was flooded with mesmerizing pictures of him, not to mention some rather lurid tabloid articles. The author found herself drawn into repeated, obsessive fantasies of what knowing him or having a romance with him might have been like. Ultimately, she found herself writing down one of her fantasies as a novel. She changed the names to make clear that this is entirely a work of fiction, her own fantasies, not actually about the real people who inspired her writing. She wove in her own life experiences: her son's Asperger's Syndrome, home birth, and information from a suicide prevention course. She also could not resist drawing in some pet political issues, for instance regarding abortion, pesticide spraying, and drug legalization. The result is an eminently readable romance and psychological study, which should enthrall any woman of a certain age who fantasizes about younger celebrities or anyone who is interested in Asperger's Syndrome.

An Open Book: What and How Young Children Learn From Picture and Story Books Jessica S. Horst, Carmel Houston-Price, 2016-01-21 Looking at and listening to picture and story books is a ubiquitous activity, frequently enjoyed by many young children and their parents. Well before children can read for themselves they are able to learn from books. Looking at and listening to books increases children's general knowledge, understanding about the world and promotes language acquisition. This collection of papers demonstrates the breadth of information pre-reading children learn from books and increases our understanding of the social and cognitive mechanisms that support this learning. Our hope is that this Research Topic/eBook will be useful for researchers as well as educational practitioners and parents who are interested in optimizing children's learning.
