Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Elections and TV News in South Africa Bernadine Jones,2021-08-02 This book takes television news seriously. Over the course of nine chapters, Elections and TV News in South Africa shows how six democratic South African general elections, 1994–2019, were represented on both local and international news broadcasts. It reveals the shifting narratives about South African democracy, coupled with changing and challenging political journalism practices. The book is organised in three parts: the first contains a history of South African democracy and an overview of the South African media environment. The second part is a visual analysis of the South African elections on television news, exploring portrayals of violence, security, power, and populism, and how these fit into normative news values and the ruling party’s tightening grip on the media. The final part is a conclusion, a call to action, and a suggestion to improve political journalistic practice.

Long Walk to Freedom Nelson Mandela,2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Ways of Dying Zakes Mda,2007-05-15 Winner of the M-Net Book Prize Shortlisted for the CNA and Noma Awards In Ways of Dying, Zakes Mda's acclaimed first novel, Toloki is a professional mourner in a vast and violent city of the new South Africa. Day after day he attends funerals in the townships, dressed with dignity in a threadbare suit, cape, and battered top hat, to comfort the grieving families of the victims of the city's crime, racial hatred, and crippling poverty. At a Christmas day funeral for a young boy Toloki is reunited with Noria, a woman from his village. Together they help each other to heal the past, and as their story interweaves with those of their acquaintances this elegant short novel provides a magical and painful picture of South Africa today. Ways of Dying was awarded South Africa's prestigious M-Net Book Prize, awarded by the TV channel M-Net to books written in one of South Africa's official languages, and was shortlisted for the Central News Agency (CNA) Award and the Noma Award, an Africa-wide prize founded by Shoichi Noma, onetime president of Kodansha International.

Ghost Boy Martin Pistorius, 2013-11-19 When you lose your voice, who will speak for you? When it all seems hopeless, how do you get through each day? In the New York Times bestseller *Ghost Boy*, Martin Pistorius tells the harrowing story of his return to life through the healing power of love and faith. In January 1988, a happy, healthy twelve-year-old Martin Pistorius came home from school with a sore throat. Soon, he was sleeping all day, refusing meals, and starting to lose his voice. His doctors were mystified. Within eighteen months, his voice fell silent and his developing mind became trapped inside a body he couldn't control. Martin's parents were told that the unknown degenerative disease he was struggling with would mean that he had less than two years to live. He felt invisible--like a ghost of himself. The stress and heartache shook his family to the core, bringing his parents to the brink of separation. Their boy was gone--or so they thought. Martin started to come back to life. He couldn't make a sign or a sound, but he'd become aware of the world around him again and was finally finding his way back to himself. In these pages, you'll hear the highs and lows of Martin's journey from his own perspective, including: A family's resilience in the face of hardship The consequences of misdiagnosis The gift of a wild imagination *Ghost Boy* shares the beautiful, heart-wrenching story of a life reclaimed, a business created, a family transformed, and a new love that's blossomed. Martin's emergence from his own darkness invites us to celebrate our own lives and fight for a better life for those around us.

The Inheritors Eve Fairbanks, 2023-02-15 'Lyrical, deep, chilling, and prescient, this is a book we will be talking about for years to come.' - Justice Malala, author and commentator. South Africans face a reckoning: mourn a miracle nation that never came into being, fight on to give it birth, or make something else out of 1994's ashes? In *The Inheritors*, award-winning writer Eve Fairbanks tells the stories of ordinary people facing this stupendous question. These are the kinds of lives rarely examined in such depth: political activist Dipuo, her born-free daughter Malaika, and Christo, one of the last Afrikaner men drafted to fight for the apartheid regime. All three have to remake their own lives while facing the questions: what do I owe to my forebears, and what does history owe to me? They tell of the unresolved rage, generational guilt, and enduring hope that many South Africans struggle to speak aloud to themselves in private, let alone share. Observing subtle truths about power and inheritance, Fairbanks explores questions that preoccupy so many South Africans today: how can one let go of one's past? How should historical debts be paid? And how can a person live an honourable life in a society that – for better or worse – they no longer recognise?

Tabloid Journalism in South Africa Herman Wasserman, 2010-05-31 Less than a decade after the advent of democracy in South Africa, tabloid newspapers have taken the country by storm. One of these papers -- the *Daily Sun* -- is now the largest in the country, but it has generated controversy for its perceived lack of respect for privacy, brazen sexual content, and unrestrained truth-stretching. Herman Wasserman examines the success of tabloid journalism in South Africa at a time when global print media are in decline. He considers the social significance of the tabloids and how they play a role in integrating readers and their daily struggles with the political and social sphere of the new democracy. Wasserman shows how these papers have found an important niche in popular and civic culture largely ignored by the mainstream media and formal political channels.

Blacktop Wasteland S. A. Cosby, 2020-07-14 Los Angeles Times Book Prize Winner • New York Times Notable Book • NPR's Best Books of the Year • BookPage's #1 Mystery and Suspense of the Year • Sun Sentinel's #1 Best Mystery of the Year "I loved *Blacktop Wasteland*...[A] fast-paced, bareknuckle thriller." -Stephen King "A roaring, full-throttle thriller, crackling with tension and charm." -The New York Times Book Review One of the year's strongest novels. -Sun Sentinel A husband, a father, a son, a business owner...And the best getaway driver east of the Mississippi. Beauregard "Bug" Montage is an honest mechanic, a loving husband, and a hard-working dad. Bug knows there's no future in the man he used to be: known from the hills of North Carolina to the beaches of Florida as the best wheelman on the East Coast. He thought he'd left all that behind him, but as his carefully built new life begins to crumble, he finds himself drawn inexorably back into a world of blood and bullets. When a smooth-talking former

associate comes calling with a can't-miss jewelry store heist, Bug feels he has no choice but to get back in the driver's seat. And Bug is at his best where the scent of gasoline mixes with the smell of fear. Haunted by the ghost of who he used to be and the father who disappeared when he needed him most, Bug must find a way to navigate this blacktop wasteland...or die trying. Like Ocean's Eleven meets Drive, with a Southern noir twist, S. A. Cosby's *Blacktop Wasteland* is a searing, operatic story of a man pushed to his limits by poverty, race, and his own former life of crime.

The Short Story in South Africa Rebecca Fasselt, Corinne Sandwith, 2022-03-25 This book considers the key critical interventions on short story writing in South Africa written in English since the year 2000. The short story genre, whilst often marginalised in national literary canons, has been central to the trajectory of literary history in South Africa. In recent years, the short story has undergone a significant renaissance, with new collections and young writers making a significant impact on the contemporary literary scene, and subgenres such as speculative fiction, erotic fiction, flash fiction and queer fiction expanding rapidly in popularity. This book examines the role of the short story genre in reflecting or championing new developments in South African writing and the ways in which traditional boundaries and definitions of the short story in South Africa have been reimagined in the present. Drawing together a range of critical interventions, including scholarly articles, interviews and personal reflective pieces, the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form. Finally, the book considers the place of the short story in twenty-first century writing and interrogates the ways in which the short story form may contribute to, or recast ideas of, the post-apartheid or post-transitional. The perfect guide to contemporary short story writing in South Africa, this book will be essential reading for researchers of African literature.

News for the Rich, White, and Blue Nikki Usher, 2021-07-06 As cash-strapped metropolitan newspapers struggle to maintain their traditional influence and quality reporting, large national and international outlets have pivoted to serving readers who can and will choose to pay for news, skewing coverage toward a wealthy, white, and liberal audience. Amid rampant inequality and distrust, media outlets have become more out of touch with the democracy they purport to serve. How did journalism end up in such a predicament, and what are the prospects for achieving a more equitable future? In *News for the Rich, White, and Blue*, Nikki Usher recasts the challenges facing journalism in terms of place, power, and inequality. Drawing on more than a decade of field research, she illuminates how journalists decide what becomes news and how news organizations strategize about the future. Usher shows how newsrooms remain places of power, largely white institutions growing more elite as journalists confront a shrinking job market. She details how Google, Facebook, and the digital-advertising ecosystem have wreaked havoc on the economic model for quality journalism, leaving local news to suffer. Usher also highlights how the handful of likely survivors—well-funded media outlets such as the New York Times—increasingly appeal to a global, “placeless” reader. *News for the Rich, White, and Blue* concludes with a series of provocative recommendations to reimagine journalism to ensure its resiliency and its ability to speak to a diverse set of issues and readers.
