

Saint Augustin

Saint Augustine (of Hippo)

Saint Augustin Louis Bertrand, Aeterna Press, 1940 Saint Augustin is now little more than a celebrated name. Outside of learned or theological circles people no longer read him. Such is true renown: we admire the saints, as we do great men, on trust. Even his Confessions are generally spoken of only from hearsay. By this neglect, is he atoning for the renewal of glory in which he shone during the seventeenth century, when the Jansenists, in their inveterate obstinacy, identified him with the defence of their cause? The reputation of sour austerity and of argumentative and tiresome prolixity which attaches to the remembrance of all the writers of Port-Royal, save Pascal—has that affected too the work of Augustin, enlisted in spite of himself in the ranks of these pious schismatics? Aeterna Press

Saint Augustin Louis Bertrand, 1914

The Works of Saint Augustine Saint Augustine (of Hippo), 1990 In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project known as: The Works of Saint Augustine, A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. This represents the first time in which The Works of Saint Augustine will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine, A Translation for the 21st Century will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of The Works of Saint Augustine, A Translation for the 21st Century. Augustine's writings are useful to anyone interested in patristics, church history, theology and Western civilization. -- Publisher.

Saint Augustin Louis Bertrand, 2024-03-22 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Letters of Saint Augustin Saint Augustine of Hippo, Aeterna Press, I Would not presume, even in playful discussion, to attack the philosophers of the Academy; for when could the authority of such eminent men fail to move me, did I not believe their views to be widely different from those commonly ascribed to them? Instead of confuting them, which is beyond my power, I have rather imitated them to the best of my ability. For it seems to me to have been suitable enough to the times in which they flourished, that whatever issued pure from the fountainhead of Platonic philosophy should be rather conducted into dark and thorny thickets for the refreshment of a very few men, than left to flow in open meadow-land, where it would be impossible to keep it clear and pure from the inroads of the vulgar herd. Aeterna Press

Confessions of Saint Augustine Illustrated by Saint Augustin Saint Augustine, 2021-11-10 Confessions (Latin: Confessiones) is an autobiographical work by Saint Augustine of Hippo, consisting of 13 books written in Latin between AD 397 and 400. The work outlines Saint Augustine's sinful youth and his conversion to Christianity. Modern English translations of it are sometimes published under the title The Confessions of Saint Augustine in order to distinguish the book from other books with similar titles. Its original title was Confessions in Thirteen Books, and it was composed to be read out loud with each book being a complete unit. Confessions is generally considered one of Augustine's most important texts. It is widely seen as the first Western Christian autobiography ever written (Ovid had invented the genre at the start of the first century AD with his Tristia), and was an influential model for Christian writers throughout the Middle Ages. Professor Henry Chadwick wrote that Confessions will always rank among the great masterpieces of western literature The work is not a complete autobiography, as it was written during Saint Augustine's early 40s and he lived long afterwards, producing another important work, The City of God. Nonetheless, it does provide an unbroken record of his development of thought and is the

most complete record of any single person from the 4th and 5th centuries. It is a significant theological work, featuring spiritual meditations and insights. In the work, Augustine writes about how he regrets having led a sinful and immoral life. He discusses his regrets for following the Manichaean religion and believing in astrology. He writes about his friend Nebridius's role in helping to persuade him that astrology was not only incorrect but evil, and Saint Ambrose's role in his conversion to Christianity. The first nine books are autobiographical and the last four are commentary and significantly more philosophical. He shows intense sorrow for his sexual sins and writes on the importance of sexual morality. The books were written as prayers to God, thus the title, based on the Psalms of David; and it begins with For Thou hast made us for Thyself and our hearts are restless till they rest in Thee. The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief.

The Confessions of Saint Augustine St. Augustine, 2011-01-26 The reader who has never met Augustine before ought to go first of all to the Confessions, reflected the Trappist monk and scholar Thomas Merton. Augustine lived the theology that he wrote. . . . He experienced the reality of Christ living in his own soul. Saint Augustine, the celebrated theologian who served as Bishop of Hippo from a.d. 396 until his death in a.d. 430, is widely regarded as one of the most influential thinkers in the Western world. Written in the form of a long prayer addressed directly to God, Augustine's Confessions, the remarkable chronicle of his conversion to Christianity, endures as the greatest spiritual autobiography of all time. Augustine possessed a strong, capacious, argumentative mind, wrote Edward Gibbon. He boldly sounded the dark abyss of grace, predestination, free-will, and original sin. And the eminent historian Jaroslav Pelikan remarked: There has, quite literally, been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual, spiritual, and cultural force.

Saint Augustin Louis Louis Bertrand, 2013-12 Saint Augustin is now little more than a celebrated name. Outside of learned or theological circles people no longer read him. Such is true renown: we admire the saints, as we do great men, on trust. Even his Confessions are generally spoken of only from hearsay. By this neglect, is he atoning for the renewal of glory in which he shone during the seventeenth century, when the Jansenists, in their inveterate obstinacy, identified him with the defence of their cause? The reputation of sour austerity and of argumentative and tiresome prolixity which attaches to the remembrance of all the writers of Port-Royal, save Pascal-has that affected too the work of Augustin, enlisted in spite of himself in the ranks of these pious schismatics? And yet, if there have ever been any beings who do not resemble Augustin, and whom probably he would have attacked with all his eloquence and all the force of his dialectic, they are the Jansenists. Doubtless he would have said with contempt: The party of Jansen, even as in his own day, with his devotion to Catholic unity, he said: The party of Donatus.

Saint Augustin, Melanchthon, Neander Philip Schaff, 1886

The Confessions of Saint Augustine Saint Augustine, 2021-12-12 The Confessions of Saint Augustine Saint Augustine - Confessions is an autobiographical work by Saint Augustine of Hippo, consisting of 13 books written in Latin between AD 397 and 400. The work outlines Saint Augustine's sinful youth and his conversion. In this new translation by Henry Chadwick of what can only be considered a masterpiece of Western literature, the brilliant and impassioned descriptions of Augustine's colourful early life and search for spiritual satisfaction are accurately conveyed to the English reader. Augustine's work contains many references and allusions that can hardly be understood without background information about the ancient social and intellectual setting. The accompanying notes and introduction to this translation will therefore prove invaluable to the contemporary reader.

Saint Augustin Louis Bertrand, 2015-07-09 Saint Augustin is now little more

than a celebrated name. Outside of learned or theological circles people no longer read him. Such is true renown: we admire the saints, as we do great men, on trust. Even his Confessions are generally spoken of only from hearsay. By this neglect, is he atoning for the renewal of glory in which he shone during the seventeenth century, when the Jansenists, in their inveterate obstinacy, identified him with the defence of their cause?

Basic Writings of Saint Augustine Saint Augustine (of Hippo), 1980 Writings from the early Christian theologian and philosopher whose work influence the development of western Christianity and philosophy.

Saint Augustine and the Donatist Controversy Geoffrey G. Willis, 2005-04-11 This detailed study gives a convincing picture of an interesting phase in North African nationalism, and illustrates how significant was the controversy in forcing Augustine to formulate his doctrines of the Church, the relations between Church and State, and the administration of the Sacraments.

Letters of Saint Augustine Saint Augustine, Saint Augustine of Hippo, 2015-06-07 Augustine, the man with upturned eye, with pen in the left hand, and a burning heart in the right (as he is usually represented), is a philosophical and theological genius of the first order, towering like a pyramid above his age, and looking down commandingly upon succeeding centuries. He had a mind uncommonly fertile and deep, bold and soaring; and with it, what is better, a heart full of Christian love and humility. He stands of right by the side of the greatest philosophers of antiquity and of modern times. We meet him alike on the broad highways and the narrow footpaths, on the giddy Alpine heights and in the awful depths of speculation, wherever philosophical thinkers before him or after him have trod. As a theologian he is facile princeps, at least surpassed by no church father, schoolman, or reformer. With royal munificence he scattered ideas in passing, which have set in mighty motion other lands and later times. He combined the creative power of Tertullian with the churchly spirit of Cyprian, the speculative intellect of the Greek church with the practical tact of the Latin. He was a Christian philosopher and a philosophical theologian to the full.

The Works of Saint Augustine Saint Augustine (of Hippo), 1990 First volume of a complete set of 6 vols of Saint Augustine's commentaries on the Psalms.

The Confession of Saint Augustin Saint Augustin, 2018-01-11 Admissions is the name of a personal work, comprising of 13 books, by Saint Augustine of Hippo, written in Latin between AD 397 and 400. The work diagrams Saint Augustine's wicked youth and his transformation to Christianity. Present day English interpretations of it are in some cases distributed under the title The Confessions of Saint Augustine keeping in mind the end goal to recognize the book from different books with comparative titles. Its unique title was Confessions in Thirteen Books, and it was created to be perused so anyone can hear with each book being a total unit.

Confessions of Saint Augustine Annotated Saint Augustine, 2020-09-25 Heartfelt, incisive, and timeless, The Confessions of Saint Augustine has captivated readers for more than fifteen hundred years. Retelling the story of his long struggle with faith and ultimate conversion -- the first such spiritual memoir ever recorded -- Saint Augustine traces a story of sin, regret, and redemption that is both deeply personal and, at the same time, universal. Starting with his early life, education, and youthful indiscretions, and following his ascent to influence as a teacher of rhetoric in Hippo, Rome, and Milan, Augustine is brutally honest about his proud and ambitious youth. In time, his early loves grow cold and the luster of worldly success fades, leaving him filled with a sense of inner absence, until a movement toward Christian faith takes hold, eventually leading to conversion and the flourishing of a new life. Philosophically and theologically brilliant, sincere in its feeling, and both grounded in history and strikingly contemporary in its resonance, The Confessions of Saint Augustine

is a timeless classic that will persist as long as humanity continues to long for meaning in life and peace of soul.

Saint Augustine, on Instructing the Unlearned, Concerning Faith of Things Not Seen, on the Advantage of Believing, the Enchiridion to Laurentius, Or Concerning Faith, Hope and Charity Saint Augustine (of Hippo), 1885

Moral Treatises Of St. Augustine St. Augustine of Hippo, 2012 This volume is accurately annotated, including * an extensive biography of the author and his life * working interactive footnotes The moral treatises contain much that will instruct and interest the reader; while some views will appear strange to those who fail to distinguish between different ages and different types of virtue and piety. Augustine shared with the Greek and Latin fathers the ascetic preference for voluntary celibacy and poverty. He accepted the distinction which dates from the second century, between two kinds of morality: a lower morality of the common people, which consists in keeping the ten commandments; and a higher sanctity of the elect few, which observes, in addition, the evangelical counsels, so called, or the monastic virtues. He practiced this doctrine after his conversion. He ought to have married the mother of his son; but in devoting himself to the priesthood, he felt it his duty to remain unmarried, according to the prevailing spirit of the church in his age. His teacher, Ambrose, and his older contemporary, Jerome, went still further in the enthusiastic praise of single life. We must admire their power of self-denial and undivided consecration, though we may dissent from their theory. Contents: St. Augustine: On Continence. [De Continentia.] St. Augustine: On The Good Of Marriage. [De Bono Conjugali.] Notice. St. Augustine: Of Holy Virginity. [De Virginitate.] St. Augustine: On The Good Of Widowhood. [De Bono Viduitatis.] St. Augustine: On Lying. [De Mendacio.] St. Augustine: To Consentius: Against Lying. [Contra Mendacium.] St. Augustine: Of The Work Of Monks. [De Opere Monachorum.] St. Augustine: On Patience. [De Patientia.] St. Augustine: On Care To Be Had For The Dead. [De Cura Pro Mortuis.] Footnotes

Confessions of Saint Augustine Illustrated Saint Augustine, 2021-03-13 The Confessions of Saint Augustine has captivated readers for more than fifteen hundred years. Retelling the story of his long struggle with faith and ultimate conversion -- the first such spiritual memoir ever recorded -- Saint Augustine traces a story of sin, regret, and redemption that is both deeply personal and, at the same time, universal.
