A Guide to Salat (Prayer) in Islam Muhammad Abdul Karim Saqib, 2015-04-13 There are many books dealing with the Subject of Salat in both Arabic and Urdu. Many of these books are well written and provide an informative and comprehensive view of how Salat should be performed according to the teachings of Prophet Muhammad (S.W.S). Unfortunately, there are very few books in English which deal with the subject in the same informative and comprehensive way. Because of these weaknesses in existing literature in English we felt that the need

existed to produce a medium sized book on Salat which would approach the subject according to the teachings of the Prophet Muhammad (S.W.S). The Prophet, himself, said, "Pray as you have seen me praying. During our research we sometimes found that differences occurred between established practices in various prayer books. In these circumstances we referred to authentic hadiths of the Prophet Muhammad (S.W.S) so that the points could be clarified as much as possible. This was, because, for a true Muslim there is no greater proof for settling arguments than authentic hadiths and practices of Prophet Muhammad (S.W.S). We hope that Allah will accept this humble attempt because without His support and help we would never have been able to do this work. Finally, we ask all our Muslim brothers and sisters to study the text and to strive to pray according to it. As you'll not aware that many sites are asking for money in \$. I have made this book free to all countries and in return I'm asking for you to remember me in your prayer. It was also mentioned by Dr. Zakir Naik in one of his speech that the best book to recommend is this book. watch in video:

Salah Frank Worrall, 2018-06-14 This is the story of the new King of the Kop. When Mohamed Salah signed for Liverpool from Rome in 2017, his record fee was initially greeted with some skepticism. While he'd been singled out as a future star back in Egypt, and performed well at the Italian club, no one could have predicted the impact he was to have at Anfield. Scoring an unprecedented thirty-two goals in thirty-six games for the club, he became the sensation of the Premier League. Not only that, but he has also won over fans of all stripes with his humility and grace off the pitch, as well as his versatility and flair on it. Few players have inspired such fervent admiration so quickly, with chants of his name still reverberating around Anfield, and after just a short time, he has already become a Liverpool legend. In this insightful biography, bestselling sports writer Frank Worrall examines

Salah's electrifying journey, from the highs and lows that brought him to Anfield to the Champions League glory that crowned the 2018/19 season.

As-Salah Muhammad Farooq-i-Azam Malik, As-Salah is not only the 2nd pillar but also the main pillar of Islam and on the Day of Judgment the first question will be about Salah. The Holy Qur'an does not only repeat the order of Allah (SWT) about establishing the Salah numerous times but also states that Salah and Zakah had been obligatory in the Shari'ah of all prior Prophets and is a must for our success in this life and in the life hereafter: We noticed brothers / sisters missing the pillars of Salah without which Salah is invalidated and Salah has to be repeated to complete it. We also noticed that brothers/ sisters getting into hot arguments and start labeling each other as Wahaabi, Ahl-e-Hadith, Brailvi, Dewbandi etc. for those parts of Salah, the performing or missing of which does not make any difference in completing the Salah. In this booklet we have tabulated the pillar (Fardh), obligatory (Wajib) and Sunnah parts of Salah as a quick reference. The difference between a pillar and obligatory part is that a pillar cannot be waived, whether one omits it deliberately or by mistake Salah has to be repeated. If one forgets any obligatory part of Salah, it can be compensated by doing the prostrations of forgetfulness (sujood al-sahw). The Sunnah's of Salah, both in words and in actions, missing of any does not require repeating Salah or doing the prostrations of forgetfulness (sujood al-sahw). Then we have stated how Rasool Allah (PBUH) offered his Salah based on authentic ahadith. Rasool Allah (PBUH) said "Salah is the Mi'raj of a believer," therefore it should be performed as such. It start with Takbeer-e-Tahrima which means after pronouncing this Takbeer we are supposed to cut off from this world, be in the court of Allah (SWT) and start our meeting with Him. We should know what we are saying, how we are glorifying Him and what we are asking Him. When the meeting with Him is concluded we come back to this world with Tasleem on both sides, as if to deliver the

Message of Peace to all turning our face to right-side and then left-side. May Allah (SWT) bless us and provide us the right guidance. We request that if you find any mistake or have any suggestion to improve this booklet, please do let us know.

The religion of Islam taught in the

Qur'an in fact distances people and societies from problems, fears, unhappiness, quarrels, wars and similar negative things. All the principles in the Qur'an are for the health, happiness and peaceful living of humanity. The name of the religion that Allah sent with Adam, Noah, ...Abraham, ...Moses, Jesus and Muhammad is Islam. The only source of the religion of Islam is the Qur'an. Some people and communities known as Muslims on earth adopted the views and understandings of some others as a religion by leaving the original messages of the Qur'an. Hence, intolerable problems among themselves and in their relations with non-Muslims have emerged and still continue to emerge. Islam expounded by the Qur'an is very different from what it appears, particularly what the non-Muslims see on those people who claim to be Muslims. When you read the English interpretation of the Qur'an which is the source the religion of Islam, you will know the Qur'an and the religion of Islam more closely.
