Salvation on Sand Mountain Dennis Covington, 2010-02 For Dennis Covington, what began as a journalistic assignment - covering the trial of an Alabama preacher convicted of attempting to murder his wife with poisonous snakes - would evolve into a headlong plunge into a bizarre, mysterious, and ultimately irresistible world of unshakable faith: the world of holiness snake handling, where people drink strychnine, speak in tongues, lay hands on the sick, and, some claim, raise the dead. Set in the heart of Appalachia, *Salvation on Sand Mountain* is Covington's unsurpassed and chillingly captivating exploration of the nature, power, and extremity of faith - an exploration that gradually turns inward, until Covington finds himself taking up the snakes. Ten Ways Not to Commit Suicide Darryl "DMC" McDaniels, Darrell Dawsey, 2016-07-05 In this surprising and moving memoir, the legendary rap star and cofounder of Run D.M.C. keeps it a hundred percent, speaking out about his battle with depression and overcoming suicidal thoughts—one of the most devastating yet little known health issues plaguing the black community today. As one third of the legendary rap group Run D.M.C., Darryl “DMC” McDaniels—aka Legendary MC, The Devastating Mic Controller, and the King of Rock—had it all: talent, money, fame, prestige. While hitting #1 on the Billboard charts was exhilarating, the group’s success soon became overwhelming. A creative guy who enjoyed being at home alone or with his family, DMC turned to alcohol to numb himself, a retreat that became an addiction. For years, he went through the motions. But

in 1997, when intoxication could no longer keep the pain at bay, he plunged into severe depression and became suicidal. He wasn't alone. During the same period, suicide became the number three leading cause of death among black people—a health crisis that continues to this day. In this riveting memoir, DMC speaks openly about his emotional and psychological struggles and the impact on his life, and addresses the many reasons that led him—and thousands of others—to consider suicide. Some of the factors include not being true to who you are, feelings of loneliness, isolation, and alienation, and a lack of understanding and support from friends and family when it's needed most. He also provides essential information on resources for getting help. Revealing how even the most successful people can suffer from depression, DMC offers inspiration for everyone in pain—information and insight that he hopes can help save other lives.

Chola Salvation Estella Gonzalez, 2021-04-30 In the title story of this collection, Isabela is minding her family's restaurant, drinking her dad's beer, when Frida Kahlo and the Virgen de Guadalupe walk in. Even though they're dressed like cholas, the girl immediately recognizes Frida's uni-brow and La Virgen's crown. They want to give her advice about the quinceanera her parents are forcing on her. In fact, their lecture (don't get pregnant, go to school, be proud of your indigenous roots) helps Isabela to escape her parents' physical and sexual abuse. But can she really run away from the self-hatred they've created? These inter-related stories, mostly set in East Los Angeles, uncover the lives of a conflicted Mexican-American community. In "Sabado Gigante," Bernardo drinks himself into a stupor every Saturday night. "Aqui no es mi tierra," he cries, as he tries to ease the sorrow of a life lived far from home. Meanwhile, his son Gustavo struggles with his emerging gay identity and Maritza, the oldest daughter, is expected to cook and clean for her brother, even though they live in East LA, not Guadalajara or Chihuahua. In "Powder Puff," Mireya spends hours every day applying her make-

up, making sure to rub the foundation all the way down her neck so it looks like her natural color. But no matter how much she rubs and rubs, her skin is no lighter. Estella Gonzalez vividly captures her native East LA in these affecting stories about a marginalized people dealing with racism, machismo and poverty. In painful and sometimes humorous scenes, young people try to escape the traditional expectations of their family. Other characters struggle with anger and resentment, often finding innovative ways to exact revenge for slights both real and imagined. Throughout, music—traditional and contemporary—accompanies them in the search for love and acceptance.

Steve McQueen Greg Laurie,2019-05-07 An intimate look at movie star Steve McQueen's reckless life of fast cars, women, and drugs all the way up to his dramatic life-change and terminal cancer diagnosis. Join Greg Laurie as he takes a cross-country drive in his 1968 Highland Green Ford Mustang 390 GT through the canyons of Malibu, the alleys of Hollywood, the wide and open roads of the Midwest, and the streets of New York as he traces the woolly geography of actor Steve McQueen's life, relationships, career, and spiritual journey. This iconic muscle car was the vehicle McQueen drove in his most raucous and enduring film, Bullitt. In the 1960s, McQueen was, according to box office receipts, the biggest movie star of his generation and one of the coolest men to ever walk the planet. Greg Laurie was a teen at the time and an ardent fan of The King of Cool, first mesmerized by McQueen in 1963's The Great Escape. Like millions of cinema fans, Greg developed a lifelong fascination with the actor. Now he has a chance to tell McQueen's story. McQueen was a complex, contradictory man who lived the same way he drove his motorcycles and cars: fearlessly, ruthlessly, and at top speed.

After a lifetime of fast cars, women, and drugs, McQueen took a surprising detour. In this book, Laurie thoughtfully interviews Steve McQueen's friends, co-stars, associates, widow, and pastor to tell of the dramatic life-change for the actor in the spring of 1979--six months before McQueen was diagnosed with terminal cancer. What were the critical steps that led McQueen to make such a life-altering decision? Perhaps more importantly, why is that part of his story so rarely told? This book answers these questions. Greg Laurie will follow the seeds of Christianity that were sown throughout McQueen's improbable life where a Light finally shone into the darkness of his troubled life. These seeds miraculously germinated, allowing McQueen to see that redemption through Jesus Christ is a lasting truth more glittering and real than any magic of the entertainment industry.

This is My Story, this is My Song Fanny Crosby, 1997-09 No attempt has been made to present a critical study of Frances Jane Crosby, but simply to retell the life of the Sightless Singer as she, herself, told it to me on various occasions when visiting my home - p. 11.
