Santa Claus's Partner Thomas Page, 2021-10-11 Book

Excerpt: fortune and very prominent, he reflected, but she was really kind; she was just a crank, and, somehow, she appeared really to believe in him. Her husband, Livingstone did not like: a cold, selfish man, who cared for nothing but money-making and his own family. There was one name down on the book for a small amount which Livingstone could not recall.--Oh yes, he was an assistant preacher at Livingstone's church: the donation was for a Christmas-tree in a Children's Hospital, or something of the kind. This was one of Mrs. Wright's charities too. Livingstone remembered the note the preacher had written him afterwards--it had rather jarred on him, it was so grateful. He hated gush, he said to himself; he did not want to be bothered with details of yarn-gloves, flannel petticoats, and toys. He took out his pencil and wrote Mrs. Wright's name on the stub. That also should be charged to Mrs. Wright. He carried in his mind the total amount of the contributions, and as he came to the end a half-frown rested on his forehead.

Last year when he balanced his books at the close of the year, he had been worth only a sum expressed in six figures, even when he put his securities at their full value. Now it could only be written in seven figures, on the most conservative estimate.[...].

Determined to find her long lost twin, she set out on a perilous journey across oceans to find him. But what she found instead was a deep-seated fear of her powers and a confrontation that would leave the fate of Christmas hanging in the balance. From award-winning producer and actress Aubrey Plaza and her creative partner Dan Murphy comes a holiday story unlike any told before. With all the richness of classic folklore, they've woven a tale of bravery, love and magic. Whatever you thought you knew about Christmas...think again.
