The Itty Bitty Kitty Committee Laurie Cinotto, 2014-03-11 A hip, fun, photo-heavy guide to all things kitten from the eponymous website--

Saved by a Whisker Kathy Hoxworth, 2013-05-02 Their eyes tell the stories. You see the pain, their starvation, and the injuries. You also see their

determination and perseverance. These are the kitties' own stories. With each rescue, I learned a lesson from the cats and something more about myself. As time passes, I learn their personalities, see them develop friendships with myself and other cats. I watch over them as they live their lives in safety. I am with them when they pass away in peace. There is Bob, a kitty whose owner took his own life after a life of drugs and alcohol. His own father was determined to kill Bob, his son's cat and the one thing his son loved most in this life. The story of Rug Rat who survived scavenging for scraps of grain at a stable to survive. How little Rugs saved my own life as she frantically warned me about a fire danger. Rugs changed the heart of a woman who never showed compassion for any animal before holding little Rugs. Read about Five Kittens Found and how dynamic people rise to the occasion when an animal is in need of placement in a safe, loving home. About two cats who were opposites in personalities named Stockings and Bruiser. Each started with their own story but ended as one story, bonded and caring unto death for each other. The story of Herman is how a fellow rescuer took him into her home knowing he may have a short life but lived many years. There is Tuff Tiger with active FIV and Felv. There are the stories of Pooh Kitty, a rescue from a boarding stable and pregnant, Sammy, a rescue from a drug house, Pecco and Ariel whose owner could not sell them to a pet store because of not being cute enough and looking sickly. The story about an old cat named Bubba whose owner died and left his uncaring widow to care for his beloved pet. As a

result of her death, Bubba was saved from being left to fend for herself, old and blind, outdoors. Then there are the humorous stories of growing up with the family cat Nuisance. How my little sister saved Nuisance and ultimately starting the course of the future of me doing animal rescue. Also, how he got the notorious name Nuisance from our Mom. There is the story of how years later my Mom rescued Nuisance Two, nicknamed Nuesy. There are the other family stories of Cat and Uncle Earl. How my sister's daughter crawled under our Uncle Earls' trailer to catch a feral kitten unwittingly finding out what a feral cat is. There is also the story of when my little sister came for a visit only to run to the rescue of her son being engulfed by my twenty-one cats as they tried to swipe the bologna out of her son's raised hand. The stories of Squirt and BC, each rescued a month apart and how each had a birth defect. Squirts life ended eleven years after her rescue, BC is turning fourteen years of age in July, 2013. Their stories began in August and September 1999. BC's story is not finished. From these kitties' stories, more stories began. Their story became a part of other cats' lives. The kitties in these stories developed my commitment to animal rescue of handicapped cats and began a never-ending story.

Nala's World Dean Nicholson, 2020-09-29 Discover the nationally bestselling, true story of a life-changing friendship between a man and his rescue cat, Nala, as they adventure together on a bike journey around the world -- from the Instagram phenomenon @lbikelworld. When 30-year-old Dean Nicholson set off from Scotland to cycle around the world, his aim was to learn as much as he could about our troubled planet. But he hadn't bargained on the lessons he'd learn from his unlikely companion. Three months after leaving home, on a remote road in the mountains between Montenegro and Bosnia, he came across an abandoned kitten. Something about the piercing eyes and plaintive meowing of the bedraggled little cat proved irresistible. He couldn't leave her to her fate, so he put her on his bike and then, with the help of local vets, nursed her back to health. Soon on his travels with the cat he named Nala, they forged an unbreakable bond -- both curious, independent, resilient and adventurous. The video of how they met has had 20 million views and their Instagram has grown to almost 750k followers -- and still counting! Experiencing the kindness of strangers, visiting refugee camps, rescuing animals through Europe and Asia, Dean and Nala have already learned that the unexpected can be pretty amazing. Together with Garry Jenkins, writer with James Bowen of the bestselling *A Street Cat Named Bob*, Dean shares the extraordinary tale of his and Nala's inspiring and heart-warming adventure together.

Adventure Cats Laura J. Moss, 2017-05-16 Just when you thought you knew all there was to know about cats comes the ultimate—and unexpected—guide to taking your cat into the wild. Here are cats walking on a leash. Cats hiking on a leash. Cats tramping through snow. Cats camping. Cats kayaking, canoeing, even surfing—yes, cats who love water. When animal writer and active hiker Laura Moss couldn't find an online resource for hitting the trail with her cat, she created one. AdventureCats.org took off like wildfire, with attention from Wired, the Huffington Post, Outside magazine, BuzzFeed, and much more. Now, the book Adventure Cats—a collection of jaw-dropping photographs, inspiring stories of real-life cats, and all the how-to a cat owner needs—will take readers and their cats well beyond the backyard. Learn how to leash-train a cat. What to do if you encounter wildlife on the trail. Plus, winter safety tips, and how to bring a little bit of the

outdoors to an indoor cat. The stories themselves are catnip for animal lovers, from Nanakuli, the one-eyed cat who hangs ten; to Georgie, a four-year-old gray tabby who lives on a sailboat; to Quandary, who not only insists on hiking with her family but also teaches them a valuable lesson: When you follow your cat's natural tendency to wander, you experience the outdoors at a slower, richer pace. This book will delight every cat person, regardless of whether their pet is inclined to adventure. (Take the quiz at the beginning of the book to find out!)

Cat Daddy Jackson Galaxy, 2013-05-02 Cat behaviorist and star of Animal Planet's hit television show *My Cat from Hell*, Galaxy, a.k.a. Cat Daddy, isn't what readers might expect for a cat expert. I See Kitty Yasmine Surovec, 2015-01-06 Chloe wants a kitten so badly that she imagines she sees cats all around her town, until her mother brings her a kitten of her own. By the creator of the popular comic blog and book *Cat vs. Human*.

Trooper Forrest Bryant Johnson, 2018-03-27 Whenever middle-aged desert tour guide Forrest Bryant Johnson went out on his daily walks into the Mojave, all was usually peaceful and serene. But one beautiful summer day in 1987, Forrest heard a cry of distress. Following the cries, he came upon a small bobcat kitten, injured, orphaned, and desperately in need of help. So Forrest

took his new feline friend home for a night. But when the little “trooper” clearly needed some more time to recoup, that night turned into two nights, a week, and eventually nineteen years. And so Trooper became a part of the Johnson family. And in those nineteen years, Trooper lived his nine lives to the fullest. He explored desert flora and fauna around him, befriending kit foxes, jackrabbits, desert tortoises, and other creatures and getting into mischief along the way. Trooper became a “big brother” to stray tabby Little Brother, teaching, guiding, and protecting Brother on the pair’s adventures and misadventures. He became a beloved patient at his local vet, and cherished housemate of Forrest’s wife, Chi. And Trooper even managed to melt the icy heart of a tough guy neighbor. But most of all, throughout his nineteen years, Trooper became Forrest’s best friend, as the two shared each other’s worries and frustrations, musings and rants, joys and laughter. Harrowing and heartfelt, *Trooper: The Bobcat Who Came in from the Wild* is for any reader who ever had their heart stolen by their pet.
