*Masks in Horror Cinema* Alexandra Heller-Nicholas, 2019-10-15 Why has the mask been such an enduring generic motif in horror cinema? This book explores its transformative potential historically across myriad cultures, particularly in relation to its ritual and mythmaking capacities, and its intersection with power, ideology and identity. All of these factors have a direct impact on mask-centric horror cinema: meanings, values and rituals associated with masks evolve and are updated in horror cinema to reflect new contexts, rendering the mask a persistent, meaningful and dynamic aspect of the genre's iconography. This study debates horror cinema's durability as a site for the potency of the mask's broader symbolic power to be constantly re-explored, re-imagined and re-invented as an object of cross-cultural and ritual significance that existed long before the moving image culture of cinema.

Red Eyes and the Human Horror Story James D. Patalon, 2015-05-26 The book had originally been titled THE HUMAN HORROR STORY! It was a very over descriptive novel that in many other opinions was just too graphic and gory! So although that novel had been decided by me to be put on a shelf for future revising, one of its chapters caught my attention. So I removed that particular chapter and began building a new story surrounding that specific idea and long and behold within four months I created my second novel RED EYES! I worked diligently on making sure that the subject matter although a horror story wouldn't upon being published offend anyone. So happy and relieved that the finished novel after several personal revisions was finally what I thought completed. How very wrong was I! The first project somehow decided to find itself added as an extension to the new novel! So once again I had to go in and perform surgery. Now both stories had to be merged to be one novel! So now I began thinking about a new title! Finally I came up with merging both titles into one! RED EYES

AND THE HUMAN HORROR STORY! A SPINE -TINGLING ADVENTURE INTO UNKNOWN REALMS... Two men,each facing an unimaginable,inexplicable journey,each must face horrors and promises in an alternate reality that is both surreal and yet oddly familiar. One man suffering from depression,deals with his pain by imagining an easier world...until an accident pushes him into another realm,where he is reunited with a lost love,but also must face zombies and an evil demon. He must face the truth of the comforting illusions he created,but as his dream world becomes more and more compelling and satisfying,what will happen when he has to return to real life? The second man enters an alternate reality by committing suicide,an act that,as he has been warned,will have serious consequences. He is reunited with his soulmate,but they can't stay in the reality they currently inhabit. An adversary that they thought they had destroyed is back,and they must face him again...and,to their horror,they come to learn that they must defeat their demons over and over,as they move to new realms; the price for taking your own life is to be doomed to move continually from one reality to the next. Red Eyes and the Human Horror Story is a thrilling,endlessly inventive exploration of the ways in which imagination shapes our reality...and how reality shapes our dream worlds.

Gritty, grim, yet surprisingly personal and poetic, *Eyes to See* is like nothing else in its field. Make time for this one. —Sean McGuire, New York Times bestselling author of the *October Daye* and *Incryptid* series “Brings urban fantasy to a new level. Heartbreaking, deeply insightful, powerful, and genuinely thrilling. Joe Nassise has just raised the bar for the whole genre.” —Jonathan Maberry, New York Times bestselling author of the *Joe Ledger* series I gave up my eyes to see more clearly.
