The Good School Peg Tyre, 2011-08-16 Award-winning education journalist Peg Tyre mines up-to-the-minute research to equip parents with the tools and knowledge necessary to get their children the best education possible. We all know that the quality of education served up to our children in U.S. schools ranges from outstanding to shockingly inadequate. How can parents tell the difference? And how do they make sure their kids get what's best? Even the most involved and informed parents can feel overwhelmed and confused when making important decisions about their child's education. And the scary truth is that evaluating a school based on test scores and college admissions data is like selecting a car based on the color of its paint. Synthesizing cutting-edge research and firsthand reporting, Peg Tyre offers parents far smarter and more sophisticated ways to assess a classroom and decide if the school and the teacher have the right stuff. Passionate and persuasive, *The Good School* empowers parents to make sense of headlines; constructively engage teachers, administrators, and school boards; and figure out the best option for their child—be that a local public school, a magnet program, a charter school, homeschooling, parochial, or private.

Book Fiesta! Pat Mora, 2009-03-10 Take a ride in a long submarine or fly away in a hot air balloon. Whatever you do, just be sure to bring your favorite book! Rafael López's colorful illustrations perfectly complement Pat Mora's lilting text in this delightful celebration of El día de los niños/El día de los libros; Children's Day/Book Day. Toon! Toon! Includes a letter from the author and suggestions for celebrating El día de los niños/El día de los libros; Children's Day/Book Day. Pasea por el mar en un largo submarino o viaja lejos en un globo aerostático. No importa lo que hagas, ¡no olvides traer tu libro preferido! Las coloridas ilustraciones de Rafael López complementan perfectamente el texto rítmico de Pat Mora en esta encantadora celebración de El día de los niños/El día de los libros. ¡Tun! ¡Tun! Incluye una carta de la autora y sugerencias para celebrar El día de los niños/El día de los libros. The author will donate a portion of the proceeds from this book to literacy initiatives related to Children's Day/Book Day. La autora donará una porción de las ganancias de este libro a programas para fomentar la alfabetización relacionados con El día de los niños/El día de los libros.

The School Choice Roadmap Andrew Campanella, 2020-01-21 WINNER OF THE 2020 FOREWORD INDIES GOLD AWARD IN EDUCATION WINNER OF THE SILVER IPPY AWARD FOR BEST EDUCATIONAL RESOURCES You want your children to benefit from a great

education. But every student is unique. One type of school might be a great fit for your neighbor's child, but it might not work for your son or daughter. Across the country, many parents today have more choices for their children's education than ever before. If you are starting the process of finding your child's first school—or if you want to choose a new learning environment—The School Choice Roadmap is for you. This first-of-its-kind book offers a practical, jargon-free overview of school choice policies, from public school open enrollment to private school scholarships and more. It breaks down the similarities and differences between traditional public schools, public charter schools, public magnet schools, online public schools, private schools, and homeschooling. Most importantly, The School Choice Roadmap offers a seven-step process that will help you harness the power of your own intuition—and your own expertise about your child's uniqueness—to help you find a school that reflects your family's goals, values, and priorities. Filled with sage advice from dozens of other parents who have pursued the school search process, and interviews with school leaders and teachers, The School Choice Roadmap is an optimistic, empowering book that cuts through the confusion in K-12 education—so that you can give your children every opportunity to succeed in school and in life.

Our Class is a Family Shannon Olsen, 2020-04-07 Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what. -Unknown

Teachers do so much more than just teach academics. They build a sense of community within their classrooms, creating a home away from home where they make their students feel safe, included, and loved. With its heartfelt message and colorfully whimsical illustrations, *Our Class is a Family* is a book that will help build and strengthen that class community. Kids learn that their classroom is a place where it's safe to be themselves, it's okay to make mistakes, and it's important to be a friend to others. When hearing this story being read aloud by their teacher, students are sure to feel like they are part of a special family. And currently, during such an unprecedented time when many teachers and students are not physically IN the classroom due to COVID-19 school closures, it's more important than it's ever been to give kids the message that their class is a family. Even at a distance, they still stick together.

Grown and Flown Lisa Heffernan, Mary Dell Harrington, 2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of

guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

My First Day of School Michelle Medlock Adams, 2017-07-11 In this lively board book, a young boy starts his first day of school not knowing what to expect. Follow along as he explores his classroom, makes new friends, and enjoys all the creative and interesting activities school can offer. *My First Day of School* helps first-time students, from preschoolers to kindergartners, understand what happens at school, while providing parents the opportunity to answer questions their child may have. An enthusiastic narrator and bright, cheerful illustrations will have first-time students eagerly anticipating their first day of school.

How's My Kid Doing? Thomas R. Guskey, 2003-03-14 In How's My Kid Doing? noted educator Thomas R. Guskey has created a practical handbook for parents who have trouble understanding their school-age children's grades, report cards, and test scores. This down-to-earth guide will help parents make sense of school reports and offers a helpful resource that can open communications between parents and teachers.

Why Are You Still Sending Your Kids to School? Blake Boles, 2020-05-19 For some kids, school offers a positive and engaging experience. For others, it's a boring, stressful, and frustrating waste of time. If your child is in the second category, why keep tormenting them? Instead, why not help them find an educational environment where they feel genuinely motivated, excited, and empowered? In this eye-opening book, Blake Boles makes the case for leaving conventional school and taking one of the many alternative paths through K-12 that exist today. He addresses parents' major concerns about unconventional education -- Can my kids still go to college? Will they still be employable? How will they learn to work hard? -- while highlighting the hidden benefits of self-directed learning, such as improved parent-child relationships, a more balanced decision-making process regarding college, and a heightened sense of autonomy and connection. Drawing upon 15 years of work as a mentor and guide for adolescents in alternative and experiential learning environments -- as well as his own unconventional life path -- Boles weaves together narrative, theory, and research to build a powerful argument for

granting children unusual levels of freedom and responsibility.

Remote, Inc. Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you're working remotely, if you adopt the mindset, habits and tech tools of professionals who are even more productive outside the office: Learn to think like a "business of one," and that entrepreneurial mindset will transform your experience of remote work. Remote work can be satisfying and productive—once you craft a strategy that taps into the unique advantages of working from home. After a year in which many of us plunged into remote work overnight, we finally have a chance to make thoughtful choices about how to combine remote and office work, and how to make the most of our days at home. Remote, Inc. gives you the strategies and tools you need to make remote work a valuable part of your renewed working life. Learn how to... Gain control over how and when you work by focusing on objectives, not the 9-to-5 workday. Wow your managers by treating them like valued clients. Beat information overload by prioritizing important emails and messages. Make online meetings purposeful, focused and engaging. Build great relationships with your colleagues—whether at the next desk, or another city. Find a balance between work from home, and life at home. Make a remote work plan that lets you get the best from time at the office—and the best of home. Remote, Inc. takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time: people who function like a "business of one." That's how productivity experts Robert C. Pozen and Alexandra Samuel

describe the mindset that lets people thrive when they're working remotely, whether full-time or in combination with time at the office. You can follow their lead by embracing the work habits and independence of a small business owner—while also tapping into the benefits of collegiality and online collaboration.

The White Coat Investor James M. Dahle, 2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to

invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a

millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

School, Family, and Community Partnerships Joyce L. Epstein,Mavis G. Sanders,Steven B. Sheldon,Beth S. Simon,Karen Clark Salinas,Natalie Rodriguez Jansorn,Frances L. Van Voorhis,Cecelia S. Martin,Brenda G. Thomas,Marsha D. Greenfeld,Darcy J. Hutchins,Kenyatta J. Williams,2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller School, Family, and Community Partnerships: Your Handbook for Action, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of

involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Is My Child Ready for School Karen Seiner, 2018-05-07 Your child has been learning from the moment they were born and has learnt more in their first few years than they are ever likely to learn in the same space of time again. But does this mean they are ready for school Starting school is a tremendously exciting but equally scary time for children and their families! *Is My Child Ready for School* is a guide for parents on all things school. Based on current research on brain development and insights from years of teaching, there are

practical and simple suggestions to help parents make the important decision about when to start school and what skills and knowledge are required. It provides tips on selecting a school, how to make a smooth and successful transition to school and how to support your child in their first year of learning, but also advice about common concerns such as bullying, homework, how to develop a passion for reading and what to look out for if your child has special needs.

Mom, It's My First Day of Kindergarten! Hyewon Yum, 2012-07-03 It's a child's first day of kindergarten, but who is worried about all the new people and the different things he'll meet--the child? No! The mother. In a refreshing reversal of roles, the child takes it upon himself to comfort and reassure his mother that everything will be fine, she'll get used to him going to big-kid school, and yes, he is ready for the first day of kindergarten. Utterly charming in its simplicity, Yum playfully uses size and color to reveal emotions of this milestone beginning. *Mom, It's My First Day of Kindergarten!* is a Kirkus Reviews Best Children's Book of 2012
