**Encyclopedia of British Football** Richard Cox,Dave Russell,Wray Vamplew,2020-07-24 This reference work aims to provide sports enthusiasts, journalists, librarians, students and scholars with an authoritative source of information on a comprehensive range of subjects covering the history and organization of football in Britain. Over 250 entries focus on key organisations or individuals, famous clubs, major competitions, events, venues and incidents, institutions and organisations as well as key issues such as gender, racism, commercialization, professionalism and drugs, alcohol and football.

**Football and Accelerated Culture** Steve Redhead,2015-06-26 In Football and Accelerated Culture, Steve Redhead offers a new and challenging theorisation of global football culture, exploring the relationship between sport and culture in a rapidly shifting world. Incorporating cutting-edge concepts, from accelerated culture and claustropolitanism to non-postmodernity, he reflects on the demise of working class football cultures and the rapid media globalisation of 'the people's game'. Drawing on international empirical research and a unique and ground-breaking study of football hooligan memoirs, the book delves into a wide array of disciplines, examining fascinating topics such as the relationship between music and football; hooligans and ultras; the rise of social media and anti-modern football movements; and ultra-realist criminology. Football and Accelerated Culture offers a new way of thinking about sporting cultures that expands the boundaries of physical cultural studies. As such, it is important reading for anybody with an interest in the culture of sport and leisure, social theory, communication studies, criminology or socio-legal studies.

**The Scottish Football League** Robert A. Crampsey,1990

The People's Game? Stephen Morrow,2023-01-24 The beautiful game is big business. Football leagues worldwide are being dominated by clubs which are becoming richer and more powerful. Since the first edition of this book was published in 2003, much has changed in the industry. However the central challenge remains how best football, its leagues and clubs can navigate a path between the logic of the market and the logic of community (social), while also remaining focused on a sporting logic. In this second edition, author Stephen Morrow offers a critique of football's economic structure, prevalent models of club ownership and governance, and new approaches to regulation that have emerged. The book also reflects on the Covid-19 pandemic and on ways in which it has illuminated many of the structural weaknesses inherent in football. It also offers an insight into the woman's game and its financial development in some countries, as well discussing issues such as football's response to environmental challenges. Drawing on theory and new literature from across relevant academic disciplines, this book seeks to make sense of the current challenges while also putting forward solutions as to how football can continue to harness and build on its social and community significance.

Supporters Guide to Scottish Football 08 John Robinson,2007-08 Provides information about clubs in Scottish Premier League, Scottish Football League, Highland League and East of Scotland League. This book includes travelling information, contact details and ground photographs. It contains scores and final tables from League and Cup competitions as well as international statistics.

*From Thistle to Lion* Carol Bain,2004-01-03 From Thistle to Lion tells the astonishing story of this rapid ascent by one of Scotland's most extraordinary clubs. Ferranti, Meadowbank, Livingston - call it what you will - this unfashionable club has always been known as one of the friendliest in Scotland and one with family atmosphere. Yet, like all the best families, it has also had to face rows, splits and bitter controversy along the way. This long-awaited book reveals how Ferranti Thistle developed from a wartime factory team to become one of the best-run clubs in non-League Scottish football. And how they had to fight to be allowed to play in the Scottish Cup. The book sheds light on one of the many controversial episodes in this club's short history - the Football League forced it to change both its ground and its famous old name. It then details the most bitter controversy of all to hit the club - its decision to leave Edinburgh and head for Livingston.

*Craig Brown - The Game of My Life* Craig Brown,2013-02-28 Craig Brown was the first Scotland manager to take his side to the European Championship and World Cup Finals in succession. He began his career as a professional footballer and was a member of Dundee's championship winning side in 1962, the only time the club has ever won the title. However, a knee injury brought a promising career to a premature end, and it was to be as a manager that Craig's talents really shone through. In this autobiography, he talks about the thrills and spills of this relentlessly demanding job and takes us behind the scenes, into the dressing room with its tensions, decisions and celebrations.
