Useless Magic Florence Welch, 2018-07-10 Lyrics and never-before-seen poetry and sketches from the iconic musician of Florence and the Machine Songs can be incredibly prophetic, like subconscious warnings or messages to myself, but I often don't know what I'm trying to say till years later. Or a prediction comes true and I couldn't do anything

to stop it, so it seems like a kind of useless magic.

A New Model Ashley Graham, Rebecca Paley, 2017-05-09 "Evocative." – The Cut One of the most outspoken voices gracing the cover of magazines today encourages women to be their most confident selves, recognize their personal beauty, and reach for their highest dreams in this wise, warm, and inspiring memoir. Voluptuous beauty Ashley Graham has been modeling professionally since the age of thirteen. Discovered at a shopping mall in Nebraska, her stunning face and sexy curves have graced the covers of top magazines, including Cosmopolitan and British Vogue, and she was the first size 14 model to appear on the front of the wildly popular Sports Illustrated swimsuit issue. The face of brands such as H&M Studio, she is also a judge for the latest season of America's Next Top Model. And that's only the beginning for this extraordinary talent. Ashley is leading a new generation of women breaking ground and demolishing stereotypes, transforming our ideals about body image and what is fashionable and beautiful. A woman who proves that when it comes to beauty, size is just a number, she is the voice for the body positivity movement today and a role model for all women—no matter their individual body type, shape, or weight. In this collection of insightful, provocative essays illustrated with a dozen photos, Ashley shares her perspective on how ideas around body image are evolving—and how we still have work to do; the fun—and stress—of a career in the fashion world; her life before modeling; and her path to accepting her size without limiting her dreams—defying rigid industry standards and naysayers who told her it couldn't be done. As she talks about her successes and setbacks, Ashley offers support for every woman coming to terms with who she is, bolster her self-confidence, and

motivates her to be her strongest, healthiest, and most beautiful self.

My Friend Anna Rachel DeLoache Williams, 2019-07-23 NEW YORK TIMES BESTSELLER ONE OF TIME'S 100 BEST BOOKS OF THE YEAR Sex and the City meets Bad Blood and Catch Me if You Can in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former Vanity Fair photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at Le Coucou, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards.

Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of "glamour, greed, lust for power" (The New York Times), and female friendship.

Go Gently Bonnie Wright, 2022-04-19 An inspiring and approachable tip-filled guide to changing your habits, living more sustainably, and taking action, by Greenpeace ambassador Bonnie Wright (Ginny Weasley in the Harry Potter movies) *Go Gently* is a guide for sustainability at home that offers simple, tangible steps toward reducing our environmental impact by looking at what we consume and the waste we create, as well as how to take action for environmental change. The title reflects Bonnie Wright's belief that the best way to change our planet and ourselves is through a gentle approach, rather than a judgmental one. This is a book of do's rather than don'ts. It's also an invitation to Wright's followers to join her on this journey to sustainability. Going through every room in her home, Wright helps us assess which products are sustainable, and alternatives for those that are not. She shares recipes to avoid waste, homemade self-care products to avoid packaging, small space-friendly gardening ideas, and a template for creating your own compost system. Finally, to sustain yourself, there are exercises and meditation prompts to keep you energized, plus info on how to get involved in community and organizations.

Rated X Maitland Ward, 2022-09-06 Maitland Ward joined the cast of *The Bold and the Beautiful* as a teenager and found fame as the loveable, sexy (but not too sexy) co-ed Rachel McGuire in the later seasons of the beloved ABC sitcom *Boy Meets World*. Forced into the good girl role time and again, she was denied the darker, meatier roles she truly wanted to sink her teeth into. And so she turned away from Disney gold, and eventually established herself as one of the most-respected actresses in porn today. Full of jaw-and panty-dropping anecdotes, as well personal stories from her time on one of the most beloved sitcoms of the '90s, **RATED X** won't be your run-of-the-mill celebrity memoir. Readers will get to see Hollywood and triple-x stardom up close and personal, and in a whole new light. Her story is not a cautionary tale. It's a story of hope and triumph about a woman who took her desire by the reins, shot to the top of the industry, and has become one of porn's most prominent figures with crossover appeal—all at the age of forty. Sharp, provocative, and unexpected, **RATED X** is the story of a Disney Princess who—unapologetically—found her fairytale in porn--

One Degree of Change Larry Jackson, 2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many

would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! One Degree of Change: How to Succeed Now! will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.
