DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

Shanghai, China Roman Reynolds,2019-12-04 Shanghai, China. Shanghai History, Tourism, Business Travel, and Vacation Guide. Shanghai is home to the world's second-tallest tower and a host of other neck-craning colossi. But it's not all sky-scraping razzmatazz. Beyond the crisply cool veneer of the modern city typified by Pudong, you can lift the lid to a treasure chest of architectural styles. The city's period of greatest cosmopolitan excess the 1920s and 1930s left the city with pristine examples of art deco buildings, most of which survived the 20th-century vicissitudes assailing Shanghai. And there's more: from Jesuit cathedrals, Jewish synagogues and Buddhist temples to home-grown longtang (laneway) and shíkùmén (stone gate) housing, Shanghai's architectural heritage is like none other. Cuisine: Thirty years ago Shanghai's dour restaurant scene was all tin trays and scowling waiting staff, with international food confined to the dining rooms of 'exclusive' hotels. Today the mouth-watering restaurant scene is varied, exciting and up to the minute and Shanghai has its own Michelin dining guide in 2017, proving just how far the city has come. Food is the hub of Chinese social life. It's over a meal that people catch up with friends, celebrate and clinch business deals, and spend hard-earned cash. Some of your best memories of the city could be culinary, so do as the Shanghainese do and make a meal of it. Shopping: Bearing in mind that Chinese shoppers constitute up to 47% of the global luxury-goods market, shopping is rarely done in half-measures in Shanghai. Retail therapy is one way of spending new money and the Shanghainese aren't called 'little capitalists') by the rest of China for nothing, especially at the luxury end of things. But it's not all Prada, Gucci and Burberry. There are pop-up boutiques, bustling markets, cool vintage shops and young designer outlets. Beyond clothing you're also spoiled for choice, whether you're in the market for antiques, ceramics, art, Tibetan jewellery...whatever is on your shopping list. Entertainment & the Arts: Běijīng often hogs the limelight as China's cultural nexus but, for what is essentially a town of wheelers and dealers, Shanghai is surprisingly creative. Many art galleries are exciting, offering a window onto contemporary Chinese concerns, while nightlife options have exploded. Acrobatics shows are always a favourite and you might grab the chance to catch some Chinese opera. Shanghai's music and club scene is vibrant: from unpretentious jazz and indie venues to all-night hip-hop and electro dance parties, the city swings with the best of them.

Shanghai & Surroundings Travel Adventures Simon Foster,2011-04-15 Eastern China is the country's boom-belt and its heart is the Pearl of the Orient, Shanghai, a city which was recently wonderfully described to me as Hong Kong on steroids. Shanghai is the country's most modern city, but manages to retain both its Chinese and European history and its economic development is also helping a renaissance in culture and the arts, along with a shopping and nightlife scene matched only by Beijing and Hong Kong. Around Shanghai, the Water Towns have picturesque canals lined with classic Ming architecture and can make for great day trips, and a little further out, the city of Suzhou offers more of the same, albeit on a larger scale, along with some of the country's finest gardens and the opportunity for some serious silk shopping. Nearly 100 miles south along the Grand Canal, the former Southern Song dynasty (1126-1279) capital of Hangzhou is set on pretty West Lake and is a prime tea-growing region. Away from the lake the city is much like any other Chinese city, but the surrounding countryside and its smattering of temples and tea villages make for some excellent bike rides. Some 110 miles west of Hangzhou, Huangshan is arguably the most beautiful of eastern China's mountains and offers the region's finest scenery and best hiking. The mountain's mist-shrouded, jagged peaks, lone pines and perched temples are straight from a watercolor and it's no wonder Huangshan attracts so many visitors. But fortunately there are enough paths to ensure you can always find yourself a quiet spot. Known as the Pearl of the Orient, Shanghai has endured a boom-bust cycle like no other city in China and is a must-see for a glimpse into the China of the future. It currently has some 20 million residents. A walk along the Bund on the banks of the Huangpu River offers a cityscape to rival Hong Kong's, taking in the glory of Shanghai's colonial past, while at the same time giving views across the river to the city of tomorrow, Pudong. Less than 20 years ago, this was just marshy farmland, but today it boasts countless skyscrapers, among them China's highest tower, the Pearl Oriental TV Tower, and loftiest lodgings, the 88-floor Grand Hyatt. Traditional Chinese sights are a little sparse due to Shanghai's comparative youth, but its colonial and revolutionary history over the past 150 years has left it with a series of significant political buildings. What is more, there are modern activities aplenty, reflecting the city's dynamic and modern heart -fine dining, nightlife, shopping and a kaleidoscope of exhibition centers and good museums await. This a highly detailed guide to everything you need to know about Shanghai and its surroundings - the places to stay, the restaurants, and what to see and do - along with an extensive introductory section on China as a whole. The author lives in China and has been a tour guide there full-time for close to 10 years. This guide is an excerpt from his much larger guide to all of China, also published by Hunter, which is 650 pages in the print edition.

Insight Guides Experience Shanghai (Travel Guide eBook) Insight Guides,2016-08-05 Whatever you're in the mood for, the dynamic metropolis of Shanghai offers a wealth of things to do in the city. Shanghai Business Travel Guide Lawrence Frank Deangelo,2006-01-15 An e-book that contains information from experienced Shanghai travelers on travel, hotels, entertainment, health issues, safety, and business etiquette. This Shanghai Business Travel Guide assumes you are a North American businessperson traveling directly from North America to Shanghai, China. The Guide's goal is to provide you with practical and current information that will allow you to plan and execute your trip most effectively. The Guide contains information written by business people who have lived, worked, and played in Shanghai. The Guide is different from most China travel guides, which are written for tourists not business people and are not frequently updated. Travel guides usually contain glowing reports of life in a particular country; we tell it like it is! This Guide helps you prepare for your trip by advising you how much to budget for your trip, how to get a visa, and what vaccinations you should have. We suggest the best hotels and help you find your way from the airport to your hotel. Of course the main purpose of your trip is business, and understanding Chinese business etiquette may mean the difference between a successful trip and a failure. We explain how the Chinese conduct business and guide you through business meetings and dinners. The Guide is packed with advice from experienced Shanghai travelers on all the things we love about the city and many of the problems we have encountered. We tell you how to power up your laptop and where to find the best restaurants and bars and what to do in an emergency. The Guide is packed with hyperlinks to relevant sites and even has a chapter on critical Chinese phrases you will need. And you can hear a native speaker recite the phrases. This is an electronic document that will be emailed to you (Be sure to include your email address with your order.) The document is in PDF format and can be read with free Adobe Acrobat Reader software (www.adobe.com).
