Teaching English 3-11 Cathy Burnett,Julia Myers,2004-04-01 This title highlights aspects of progression and continuity in the teaching of English across the Foundation and Primary years and encourages readers to develop an understanding of key principles and the confidence to apply these appropriately to their classroom practice.

ESL Conversation Dialogues Scripts 81-90 Volume 9: General English Conversations Phrasal Verbs IV Jason Hogan, ESL Conversation Dialogues Scripts 81-90 Volume 9: General English Conversations Phrasal Verbs IV features some common phrases and sayings as well as difficult vocabulary thrown in to challenge the student. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. This series of dialogues and conversations has been released to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on a Kindle so that ESL Kindle users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. Some suggestions include: a) Library lend the file to other Kindle users and create a play in the classroom b) Create listening test questions and use the text-to-speech function on Kindle c) Create a discussion about some of the phrases used For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are more dialogues on the way.
