Everywhere, Wonder Matthew Swanson, 2017-02-07 “Open your eyes and open your window and let your story out into the world. It is a little gift from you to me.” In this heartfelt picture book, readers are taken on a stunning journey into the imagination of a young boy—who explores everything from the pyramids of Egypt to a dusty footprint on the moon—and then back out again to the wonderful world right in front of him. From a lost balloon to an endless road, there are stories to discover, to dream about, and to share. Everywhere, Wonder explores the wonder in the world, while encouraging young minds to discover the extraordinary in the ordinary, and creatively share their stories with others. An Imprint Book “Swanson's fanciful and whimsical exploration of the meeting of imagination and story is strengthened by the jewel-toned colors and sheer scope of Behr's illustrations.” —Kirkus Reviews A tribute to the power of imagination awaiting those who are open to the marvels that surround them. My Bookstore Ronald Rice,2017-04-11 In My Bookstore our favorite writers-from Elin Hilderbrand, to John Grisham, to Dave Eggers-express their adoration and admiration for their favorite bookstores and booksellers. The relationship between a writer and her local bookstore can last for years or even decades. Often it is the author's local store that supported her during the early days of her career and that works tirelessly to introduce her work to new readers. But authors are also readers and customers, just like us. For them, as for most of us, bookstores serve as the anchor for our communities, the place that introduces us to new ideas (and new neighbors), and that sets our children on the path to becoming lifelong readers and lovers of books. Brimming with original, deeply moving, funny, and exceedingly well-crafted tributes to bookstores, from Longfellow Books in Portland, Maine (Ron Currie, Jr.) to Powells City of Books in Portland, Oregon (Chuck Palahniuk) and everywhere in between, My Bookstore is a joyful celebration of our bricks-and-mortar stores and a clarion call to readers everywhere at a time when the value and importance of these stores should be shouted from the rooftops.
