**SHOUT** Laurie Halse Anderson,2019-03-12 A New York Times bestseller and one of 2019's best-reviewed books, a poetic memoir and call to action from the award-winning author of *Speak*, Laurie Halse Anderson! Bestselling author Laurie Halse Anderson is known for the unflinching way she writes about, and advocates for, survivors of sexual assault. Now, inspired by her fans and enraged by how little in our culture has changed since her groundbreaking novel *Speak* was first published twenty years ago, she has written a poetry memoir that is as vulnerable as it is rallying, as timely as it is timeless. In free verse, Anderson shares reflections, rants, and calls to action woven between deeply personal stories from her life that she's never written about before. Described as powerful, captivating, and essential in the nine starred reviews it's received, this must-read memoir is being hailed as one of 2019's best books for teens and adults. A denouncement of our society's failures and a love letter to all the people with the courage to say #MeToo and #TimesUp, whether aloud, online, or only in their own hearts, *SHOUT* speaks truth to power in a loud, clear voice-- and once you hear it, it is impossible to ignore.

Shout Because You're Free ,2013-10-01 The ring shout is the oldest known African American performance tradition surviving on the North American continent. Performed for the purpose of religious worship, this fusion of dance, song, and percussion survives today in the Bolton Community of McIntosh County, Georgia. Incorporating oral history, first-person accounts, musical transcriptions, photographs, and drawings, *Shout Because You're Free* documents a group of performers known as the McIntosh County Shouters. Derived from African practices, the ring shout combines call-and-response singing, the percussion of a stick or broom on a wood floor, and hand-clapping and foot-tapping. First described in depth by outside observers on the sea islands of South Carolina and Georgia during the Civil War, the ring shout was presumed to have died out in active practice until 1980, when the shouters in the Bolton community first came to the public's attention. *Shout Because You're Free* is the result of sixteen years of research and fieldwork by Art and Margo Rosenbaum, authors of *Folk Visions and Voices*. The book includes descriptions of present-day community shouts, a chapter on the history of the shout's African origins, the recollections of early outside observers, and later folklorists' comments. In addition, the tunes and texts of twenty-five shout songs performed by the McIntosh County Shouters are transcribed by ethnomusicologist Johann S. Buis.*Shout Because You're Free* is a fascinating look at a unique living tradition that demonstrates ties to Africa, slavery, and Emancipation while interweaving these influences with worship and oneness with the spirit.

Harrison Birtwistle: The Mask of Orpheus Jonathan Cross,2017-07-05 Hailed at its premiere at the London Coliseum in 1986 as the most important musical and theatrical event of the decade, *The Mask of Orpheus* is undoubtedly a key work in Harrison Birtwistle's output. His subsequent stage and concert pieces demand to be evaluated in its light. Increasingly, it is also viewed as a key work in the development of opera since the Second World War, a work that pushed at the boundaries of what was possible in lyrical theatre. In its imaginative fusion of music, song, drama, myth, mime and electronics, it has become a beacon for many younger composers, and the object of wide critical attention. Jonathan Cross begins his detailed study of this 'lyric tragedy' by placing it in the wider context of the reception of the Orpheus myth. In particular, the significance of Orpheus for the twentieth century is discussed, and this provides the backdrop for an examination of Birtwistle's preoccupation with the story in a variety of works across his creative life. The sources and genesis of *The Mask of Orpheus* are explored. This is followed by a close reading of the work's three acts, analysing their structure and meaning, investigating the relationship between music, text and drama, drawing on Zinovieff's textual drafts and Birtwistle's compositional sketches. The book concludes by suggesting a range of contexts within which *The Mask of Orpheus* might be understood. Its central themes of time, memory and identity, loss, mourning and melancholy, touch a deep sensibility in late-modern society and culture. Interviews with the librettist and composer round off this important study.

**Lectionary Preaching Workbook** Russell F. Anderson,1995 Bigger, stronger, better! Russell Anderson has taken the most original and successful lectionary resource in history and improved on it. He has kept all of the traditional features that have made it a classic, such as: overviews of each liturgical season, commentaries compatible with the Revised Common and Roman Catholic lectionaries (plus Lutheran and Episcopal lections for those gradually converting to the Revised Common Lectionary), an introduction to the featured Gospel narrator (Matthew, in Cycle A), theological reflections for exploring the relationships between the texts, and wide margins for note-taking. Instead of stopping there, though, he has added: a 7 x 10 one-size-fits-all format, a suggested sermon title for each week, a Sermon Angle that briefly explicates the theological theme for the day (sometimes providing two or three of them), and illustrative stories in each chapter. Contained are crisp, tightly written lectionary helps that zero in on the critical themes of the texts, augmented with illustrative materials. The Prayer of the Day suggestions summarize and apply the themes in helpful language. The Reverend Dr. Dennis Anderson President, Trinity Lutheran Seminary Pastor Anderson's ability to relate eternal truths in the language of our 20th century society will enable those informed by his writings to communicate the TRUTH in a way that will gain attention and guide the living of life. The Reverend Dr. Reuben T. Swanson Former Bishop, Nebraska Synod, Lutheran Church in America Former Secretary, Evangelical Church in America Russell F. Anderson is pastor at Holy Cross Evangelical Lutheran Church in Omaha, Nebraska. He received his master of divinity degree from The Lutheran School of Theology at Chicago and his doctor of ministry degree from McCormick Theological School in Chicago. He has published his own worship and homiletical resources under the banner Worship Windows. He is married and the father of two grown daughters.

**Neuter** Hélène Cixous,2004 Neuter was first published by Grasset in 1972 as the third part of a trilogy which includes *Le troisieme corps* and *Les commencements*, published in 1970. It summarizes Cixous's earlier concerns - self, language, meaning, relations, *écriture féminine* - by laying bare metaphors, incorporating existing material, and through fragmentation, association, and play on signifiers. Its substance is nebulous; there is no content or plot, and the story itself is more one of the characters than a structural element.

**Sounds Senses** yasser elhariry,2021-11-10 Sounds Sensesis about what happens to the francophone postcolonial condition when sound is taken as a point of departure for engaging cultural production. Offering a synthetic overview of sound studies, it dismantles the retinal paradigms and oculo-centrism of francophone postcolonial studies. By shifting the sensory hermeneutics of perception from the visual, the textual, and the graphemic to the sonic, the auditory, and the phonemic, the book places cultural production that privileges or otherwise exaggerates aestheticized sensorial experiences at the forefront of francophone postcolonialism. In the process, it introduces two primary theoretical thrusts—the unheard and the unintegrated—to the project of analyzing, extending, and rejuvenating francophone postcolonial studies. The book reevaluates francophone culture in relation to sound and the experience of sound, situating it along the fluid axes of paralingual utterance, audio-vision, voice, and narrative speakers. Through a range of case studies focusing on parafrancophonics, poetry, world music, cinema, the graphic novel, popular speech phenomena, and the poetics and politics of transcolonial identification, Sounds Senses demonstrates how francophone postcolonial culture is satiated with a glut of unexplored sonic significance.

**The Creative Critic** Katja Hilevaara,Emily Orley,2018-04-17 As practitioner-researchers, how do we discuss and analyse our work without losing the creative drive that inspired us in the first place? Built around a diverse selection of writings from leading researcher-practitioners and emerging artists in a variety of fields, The Creative Critic: Writing as/about Practice celebrates the extraordinary range of possibilities available when writing about one's own work and the work one is inspired by. It re-thinks the conventions of the scholarly output to propose that critical writing be understood as an integral part of the artistic process, and even as artwork in its own right. Finding ways to make the intangible nature of much of our work 'count' under assessment has become increasingly important in the Academy and beyond. The Creative Critic offers an inspiring and useful sourcebook for students and practitioner-researchers navigating this area. Please see the companion site to the book, <http://www.creativecritic.co.uk>, where some of the chapters have become unfixed from the page.
