How to Shape a Perfect Smile Nibras Sharif,2020-10-16 Modern science is revealing how our face grows in response to muscle movement during childhood. Therefore, we have started to help children shape healthy smiles by teaching them healthy habits. In this book, we show children some common daily habits that can push their muscles, bones, and teeth in the wrong direction. Simply by changing these habits early on, we can keep teeth, muscles, and bones in a healthy balance that stays for life. If these habits are corrected early enough, we may even prevent the need for orthodontics in teenagers and adults. This book will help open a dialogue with your child on how to recognize these habits and avoid them. Reading this book with your child will also help you evaluate if any professional intervention is needed from your dental health team.

Alley Alligator's Awesome Smile Timothy E. McNutt, Sr.,1994-11-01 ALLEY ALLIGATOR'S AWESOME SMILE, colorfully illustrated by J. Frank Weatherbee, was written by pediatric dentist Timothy McNutt, Sr., to present pediatric preventive oral care in a positive manner. Alfred & Abbey Alligator take little Alley Alligator to visit Dr. Smiley, Pleasant View Pond's favorite dentist. Dr. Smiley uses non-threatening language to explain the names of his dental instruments to Alley, & she completes her first dental visit with an awesome smile. This book is ideal for introducing young children to dentistry. The author's specialization in pediatric dentistry caused him to write this book to introduce parents & children to the following concepts: * not all baby teeth must be present to go to the dentist, * children can like dental visits, * the doctor intends to help the child, * pain is not required to seek dental care, & * that a healthy oral environment should be promoted to the child at an early age. This book is a useful educational tool for parents & dental care professionals. Dr. McNutt is a member of the American Dental Association & the American Academy of Pediatric Dentistry. To order: Dr. Timothy McNutt, Dept. 96RR, 1231 Crestmoor Road, Nashville, TN 37215.
