The Semiotics of Emoji Marcel Danesi,2016-11-17 Shortlisted for the BAAL Book Prize 2017 Emoji have gone from being virtually unknown to being a central topic in internet communication. What is behind the rise and rise of these winky faces, clinking glasses and smiling poos? Given the sheer variety of verbal communication on the internet and English's still-controversial role as lingua mundi for the web, these icons have emerged as a compensatory universal language. The Semiotics of Emoji looks at what is officially the world's fastest-growing form of communication. Emoji, the colourful symbols and glyphs that represent everything from frowning disapproval to red-faced shame, are fast becoming embedded into digital communication. Controlled by a centralized body and regulated across the web, emoji seems to be a language: but is it? The rapid adoption of emoji in such a short span of time makes it a rich study in exploring the functions of language. Professor Marcel Danesi, an internationally-known expert in semiotics, branding and communication, answers the pertinent questions. Are emoji making us dumber? Can they ultimately replace language? Will people grow up emoji literate as well as digitally native? Can there be such a thing as a Universal Visual Language? Read this book for the answers.

Outlaw's Reward Danny Brothers,2018-05-30 A new Western in the style of the old classics, Danny Brothers presets the first novel in his Outlaw series, the beginning of an epic journey across the old American West... Cowboy Sam West finds himself in a close knit East Coast town, in the middle of a poker game, that might just change the entire course of his life. Soon after one bad hand and a lot of blood, Sam escapes to Little Town, Texas, where no one knows his name or the deeds he's done. However, its hard to keep your head down when injustice is all around you. With the local outlaws beating down the townsfolk Sam finds himself not hiding from his neighbors, but teaching them how to fight for themselves. Sam has found a place and a purpose in this one-horse town. but will

the ghosts of his past cause him to reap the Outlaw's Reward?

Teach Your Kids to Code Bryson Payne, 2015-04-01 Teach Your Kids to Code is a parent's and teacher's guide to teaching kids basic programming and problem solving using Python, the powerful language used in college courses and by tech companies like Google and IBM. Step-by-step explanations will have kids learning computational thinking right away, while visual and game-oriented examples hold their attention. Friendly introductions to fundamental programming concepts such as variables, loops, and functions will help even the youngest programmers build the skills they need to make their own cool games and applications. Whether you've been coding for years or have never programmed anything at all, Teach Your Kids to Code will help you show your young programmer how to: –Explore geometry by drawing colorful shapes with Turtle graphics –Write programs to encode and decode messages, play Rock-Paper-Scissors, and calculate how tall someone is in Ping-Pong balls –Create fun, playable games like War, Yahtzee, and Pong –Add interactivity, animation, and sound to their apps Teach Your Kids to Code is the perfect companion to any introductory programming class or after-school meet-up, or simply your educational efforts at home. Spend some fun, productive afternoons at the computer with your kids—you can all learn something!

Smiley's People John le Carré, 2011-06-28 From the New York Times bestselling author of Tinker, Tailor, Soldier, Spy; Our Kind of Traitor; and The Night Manager, now a television series starring Tom Hiddleston. Tell Max that it concerns the Sandman... A very junior agent answers Vladimir's call, but it could have been the Chief of the Circus himself. No one at the British Secret Service considers the old spy to be anything except a senile has-been who can't give up the game—until he's shot in the face at point-blank range. Although George Smiley (code name: Max) is officially retired, he's summoned to identify the body now bearing Moscow Centre's bloody imprimatur. As he works to unearth his friend's fatal secrets, Smiley heads inexorably toward one final reckoning with Karla—his dark "grail." In Smiley's People, master storyteller and New York Times bestselling author of The Spy Who Came in from the Cold and Our Kind of Traitor John le Carré brings his acclaimed Karla Trilogy, to its unforgettable, spellbinding conclusion. With an introduction by the author.

Smiley Pop Introduction

In the digital age, access to information has become easier than ever before. The ability to download Smiley

Pop has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Smiley Pop has opened up a world of possibilities. Downloading Smiley Pop provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Smiley Pop has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Smiley Pop. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Smiley Pop. Some websites may offer pirated or illegally obtained

copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Smiley Pop, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Smiley Pop has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
