You Are Looking Live! Rich Podolsky,2021-10-15 *You Are Looking Live!* is about the genesis, success and magic of a live television show that in 1975 captured the excitement of the country, and launched four magnetic personalities to stardom: Brent Musburger, Phyllis George, Irv Cross and Jimmy The Greek Snyder. It was truly a piece of Americana. It was the first NFL studio show to go live and the first to have both a Black and female co-host. Those four personalities battled each other and the competition, and America loved them for it. This is the story of how Brent, Phyllis, Irv and Jimmy got there, their drama and front-page headlines, and what happened to them after the magic ended. Those headlines included Brent and The Greek's famous fight at Peartrees, Phyllis first marrying the man who produced *The Godfather*, then dropping him after two months for the next governor of Kentucky, and the shocking firing of Musburger on April Fool's Day, 1990. America had never seen a show like this before. On the East Coast and the

Midwest, people would literally rush home from church to hear what they had to say, and on the West Coast fans loved waking up to it. The NFL Today became so popular that it not only dominated the ratings, but also won its timeslot 18 straight years, from 1975 to 1993, until CBS lost its NFL package to Fox. And today, looking back, these four personalities, like any family, had their own battles, and became even more famous for them.

Sports Journalism Patrick S. Washburn, Chris Lamb, 2020-07-01 Patrick S. Washburn and Chris Lamb tell the full story of the past, the present, and to a degree, the future of American sports journalism. Sports Journalism chronicles how and why technology, religion, social movements, immigration, racism, sexism, social media, athletes, and sportswriters and broadcasters changed sports as well as how sports are covered and how news about sports are presented and disseminated. One of the influential factors in sports coverage is the upswing in the number of women sports reporters in the last forty years. Sports Journalism also examines the ethics of sports journalism, how sports coverage frequently has differed from that of non-sports news, and how the internet has spawned a set of new ethical issues.

Bias in the Booth Dylan Gwinn, 2015-03-02 Most of us see sports as a welcome—even blessed—relief from the challenges and frustrations of everyday life. We want to sit back, open a beer, and enjoy the game. But many of those who bring us the game have a different agenda—they use their broadcasting platform to harangue us with their own politically correct preoccupations. If

a seventh-round NFL draft pick who can't make the team or an over-the-hill basketball player declares that he's gay, he gets wall-to-wall media coverage and is hailed as a hero. If a stripper accuses college lacrosse players of rape, liberal sports reporters lead the lynch mob—with no apologies when the bearers of white privilege are proved innocent. In his blistering new book *Bias in the Booth*, sports reporter and commentator Dylan Gwinn takes you inside the sports media spin machine to reveal what they hope you won't notice: the sports media are no different from the news and entertainment media.

The Great Book of Cleveland Sports Lists Bill Livingston, Greg Brinda, 2008-12-16 Sports talk in America has evolved from small-time barroom banter into a major media smorgasbord that runs 24/7 on TV and radio. With hundreds of billions of dollars generated annually by pro and college teams in major markets nationwide, sports fans across the country are more dedicated than ever to their teams. And when it comes to sports talk—especially all-sports radio—it's all about entertainment, information, prognostication, analysis, rankings, and endless discussion. Prominent sports-media figures in each of the three target cities—Cleveland, Detroit, and Washington, D.C.—engage in this phenomenon with a compilation of sports lists sure to delight as well as stir up debate within these already-buzzing sports communities. List topics include: • What were the most lopsided trades in local sports history? • Who were the most overrated athletes to play in

our town? • What local athlete had the best appearance in TV or film? • What was the most heartbreaking loss in local sports history? • What was the greatest single play in local sports history? • Who are our team's most hated rivals? • Plus dozens of "guest" lists contributed by famous local sports and entertainment celebrities. With franchises in three of the four major pro sports—the Browns (NFL), the Indians (MLB), and the Cavaliers (NBA)—plus a dedicated following of the Ohio State University athletics, Cleveland's fans are some of the most rabid and knowledgeable in the country, and Bill Livingston and Greg Brinda are the acknowledged authorities on Cleveland-area sports.

Players, Teams, and Stadium Ghosts Bob Hunter, 2019-09-10 In Players, Teams, and Stadium Ghosts, sportswriter Bob Hunter has assembled a Hall of Fame collection of his best writing from the Columbus Dispatch. Fans will encounter some of the biggest names in sports and relive great moments from games played by amateurs and pros. They'll encounter forgotten players and teams that struggled. Hunter shows us LeBron James when he was a 15-year-old high school freshman, already capturing the world's attention; 20-year-old Derek Jeter's meteoric rise through the minors, including the Columbus Clippers; a strange encounter with Pete Rose hustling frozen pizzas; and the excitement of watching future WNBA star Katie Smith dominate a Columbus Quest championship game. The common thread is the personal touch that Hunter consistently uses to take readers beyond the final scores and the dazzle of

lights. These are the people behind the athletes. They're remembered for how they played, but Hunter reminds us who they were.

A History of Sports Highlights Ray Gamache, 2010-07-08 This book traces the development and popularity of the sportscast highlight--the dominant news frame in the crowded medium of electronic sports journalism--as the primary means of communicating about sports and athletes. It explores the intricate relationships among media producers, sports leagues and organizations, and audiences, and explains that sportscast highlights are not a recent development, given their prominent use within a news context in every medium from early news film actualities and newsreels to network and cable

television to today's new media platforms.

The Brushback Report Dave Saraiva, 2006 The signs of the sports apocalypse are everywhere: Terrell Owens roams our streets a free man, the U.S. Congress is sampling sluggers' urine tests; and worst of all, Americans are starting to take bicycle racing and soccer seriously. So who dares to step into the breach that separates sport from madness? The intrepid news team of *The Brushback*, the Internet's most trusted and honored sports journal.* For intelligent fans (and by that, we mean those who read books—or at least the back covers) who are fed up with end-zone celebrations, inane sportscasters, luxury boxes, and eleven-dollar bleacher dogs, *The Brushback Report* will be chin-music to your ears. So put down the remote, Sparky, and pick up this book to get the real stories behind the hottest news headlines of our times: "Nation's Jobless Receive Emergency Airlift of Madden 2006" "WNBA Players Give Up Trying to Be Sexy" "Hockey Surpassed in Popularity by Air Hockey" "New Girlfriend Weirded Out by Derek Jeter Fanpage" "Team with Lots of Heart Beaten by Team with Lots of Money" There's no sporting cliché too trite and no inspiring story too corny to lampoon. From team owners on down to the guy who pirates *Wrestlemania* off cable TV, nothing or no one is spared the *Brushback* treatment. Hilarious and defiantly politically incorrect, *The Brushback Report* gives us the world of sports in all its demented glory. * Not really. We're just pumping up our stats before the start of contract renegotiations.

Passion for Sports Mike Kilduff, Sporting News Staff, 2002 The thump of a bone-crunching hit. The zip of a blistering fastball. The roar of an appreciative crowd. In the players' own words, here are all the things that compel the very best athletes to play their games. The Passion for Sports includes never-before-published interviews with athletes such as Deion Sanders, Curt Schilling, Sammy Sosa, Jason Giambi, Pedro Martinez, Craig Biggio, George Brett, Kobe Bryant, Elton Brand, Bob Cousy, Antawn Jamison, Doug Flutie, John Lynch, Joe Greene, John Randle, Kevin Dyson, Emmitt Smith, Jake Plummer, Peyton and Eli Manning, Scott Stevens, Patrick Roy, Mario Lemieux, Gerald Ford, Brooks Billinger, Jim Calhoun, Chris Owens, Casey

Jacobsen, Ricky Rudd, Richard Childress, Terry Labone, Mario Andretti, Kevin Harvick, Mark Martin, and many, many more.

Sports Highlights Ray Gamache, 2023-08-28 This expanded second edition traces the development and popularity of the sportscast highlight--the dominant news frame in the crowded medium of electronic sports journalism--as the primary means of communicating about sports and athletes. The book explores the intricate relationships among media producers, sports leagues and organizations, and audiences, and explains that sportscast highlights are not a recent development. They were often used within a news context in every medium--from early news film actualities and newsreels to network and cable television to today's new media platforms. New to this edition are three chapters that explore developments in sports media from cultural, economic and technological perspectives. An obsession with highlights has seen video replay increasingly used to adjudicate sporting events, marking a new level of reliance on technology. The media's quest for greater certitude and integrity corresponds with the rise of sponsorship of pro teams by gambling operators--with sports betting ads and on-screen odds now routinely appearing in sportscasts. Long-form sports documentaries have become popular, often highlighting a fascination with firsts--rooted in notions of human conquest over nature--that has remained an important source of sports mythmaking.

The Great American Sports Page: A Century of Classic Columns from Ring

Lardner to Sally Jenkins John Schulian, 2019-04-30 A first-of-its-kind celebration of the newspaper scribes who made sportswriting a glorious popular art, and immortalized America's greatest games and athletes Spanning nearly a century, The Great American Sports Page presents essential columns from more than three dozen masters of the press-box craft. These unforgettable dispatches from World Series, Super Bowls, and title bouts for the ages were written on deadline with passion, spontaneity, humor, and a gift for the memorable phrase. Read avidly day in and day out by a sports-mad public, these columnists became journalistic celebrities in their home cities, their coverage trusted and savored, their opinions hotly debated. Some even helped change the games they wrote about. Gathered here in a groundbreaking anthology, their writings capture some of sport's most enduring moments and many of its all-time greats: Babe Ruth, Jackie Robinson, Muhammad Ali, and Michael Jordan among them. But the best American sportswriters also found ways to write powerfully about lesser-known athletes and to convey, often with heartbreaking honesty and insight, the less glamorous and more tragic facets of the games we love. In its survey of the finest American sportswriting from Ring Lardner to Thomas Boswell, from Red Smith and Jimmy Cannon to Bob Ryan and Michael Wilbon, The Great American Sports Page takes the measure of the human richness, complexity, and competitive spirit of sports and the athletes who continue to fascinate and inspire us.
