The Memoirs of Stockholm Sven Nathaniel Ian Miller, 2021-10-26 In this briskly entertaining (New York Times Book Review), transporting and wholly original (People Magazine) novel, one man banishes himself to a solitary life in the Arctic Circle, and is saved by good friends, a loyal dog, and a surprise visit that changes everything. In 1916, Sven Ormson leaves a restless life in Stockholm to seek adventure in Svalbard, an Arctic archipelago where darkness reigns four months of the year and he might witness the splendor of the Northern Lights one night and be attacked by a polar bear the next. But his time as a miner ends when an avalanche nearly kills him, leaving him disfigured, and Sven flees even further, to an uninhabited fjord. There, with the company of a loyal dog, he builds a hut and lives alone, testing himself against the elements. The teachings of a Finnish fur trapper, along with encouraging letters from his family and a Scottish geologist who befriended him in the mining camp, get him through his first winter. Years into his routine isolation, the arrival of an unlikely visitor salves his loneliness, sparking a chain of

surprising events that will bring Sven into a family of fellow castoffs and determine the course of the rest of his life. Written with wry humor and in prose as breathtaking as the stark landscape it evokes, *The Memoirs of Stockholm* Sven is a testament to the strength of our human bonds, reminding us that even in the most inhospitable conditions on the planet, we are not beyond the reach of love. #1 Indie Next Pick Finalist for the Vermont Book Award Longlisted for the Center for Fiction First Novel Prize

Ten Years a Nomad Matthew Kepnes, 2019-07-16 Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me. —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* *Ten Years a Nomad* is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on*

\$50 a Day, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic how-to, and plumb the depths of what drives us to travel – and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.
