Joe Cardinal, 27-year-old bachelor and columnist during the darkening pre-World War II days, finds two women deeply involved in his life—the girl he loves and his secretary, who have both fallen in love with him. But ambitions and romance are suspended when Cardinal’s draft deferment is dropped, and he sets off to war, to return a different man. East of the Shadows is a story of life—a story of the struggle to overcome the obstacles, to pass through the shadow of the valleys in our lives, and to come back alive, having conquered. And it’s a story of faith, of a man’s struggle to know his Creator, and the difficult road he has to trod before he can.
