Black Sun Signs Thelma Balfour,1996 An African-American perspective on astrology is tailored to the experience, interests, and culture of the African-American community, offering profiles of each sign as well as lighthearted advice on an array of subjects. Original. 25,000 first printing.

Linda Goodman's Sun Signs Linda Goodman,1972 Taking each of the 12 signs in turn, Linda Goodman explains the importance of the sun in astrology. She also covers the characteristics of men, women, children, bosses and employees of each sign.

Linda Goodman's Love Signs Linda Goodman,2014-01-09 The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman's Love Signs addresses the question asked by everyone familiar with astrology: How do I relate to someone of another sign? Each sign is "related" to the twelve signs of the zodiac in a different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —Newsweek

13 Sun Signs of the Zodiac Dr. Regina Atara Wead,2014-10-29 Using the Sidereal Zodiac, like Nostradamus, an astrologer and metaphysician shares her insight about the blending of Eastern and Western astrology in The Zodiac Conspiracy. This book underscores the omission of Ophiuchus, a major constellation that the Greeks left off the tropical zodiac wheel. It includes a brief section on Ophiuchus, the only constellation named after a real man named Imhotep. The 13 Sun Signs of the Zodiac outlines the differences between popular tropical astrology (that you read in the daily horoscopes) and the science/astronomy of sidereal astrology. This book merges the sidereal and tropical systems to help us understand how the tropical zodiac represents who we are learning to be, while the sidereal zodiac represents who we really are. • Rev.Dr. Martin Luther King Jr. was really a Sagittarian (The Seeker) who was learning how to be a Capricorn goat, climbing up the mountain to become The Achiever. • Jesus was probably born under the sign of Virgo to a virgin mother. However, he was really a Libra (The Peacemaker) who was learning how to be a Virgo (The Selfless Servant). All of this and much, much more is explained in this extraordinary book—13 Sun Signs of Zodiac.

Aries Joanna Martine Woolfolk,2011-11-16 Your Sun sign (often referred to simply as your sign) is the zodiac sign the Sun was traveling through at the time of your birth. Your Sun sign is the most important and pervasive influence in your horoscope and in many ways determines how others see you. It governs your individuality, your distinctive style, and your drive to fulfill your goals. It symbolizes the role you are given to play in this life. It's as if at the moment of your birth you were pushed onstage into a drama called This Is My Life. In this drama, you are the starring actor—and your sign is the character you play. This elegant little volume is packed with what your Sun sign tells you about you. You'll read about your many positive qualities as well as your negative issues and inclinations. You'll find insights into your power, potentials, and pitfalls; advice about relationships, love, and sex; clarification on erogenous zones and how you combine romantically with other signs; guidance regarding career, health, and diet; and information about myriads of objects, places, concepts, and things to which you're attached. You'll also find topics not usually included in other astrology books—such as how you fit in with Chinese astrology and with numerology.

Sun Signs Mari Silva,2021-01-10 Unlock the mysteries of personality, relationships, and success with astrology! Do you find it difficult to relate to other people and understand how and why they think and act the way they do? Are you troubled by the same questions about yourself? Do you struggle to establish and maintain relationships and want to try a new approach? Have you ever wondered if there is more to astrology than you might have thought? This book will give you a comprehensive overview of the twelve zodiac signs and how they can explain our personalities and the way we relate to all sorts of people and situations. Western astrology is a system that has been developed and perfected since ancient Greece and Mesopotamia. You will find that the techniques and interpretations that have accumulated over thousands of years are still relevant today. Here is just a tiny fraction of what you will discover: Learn about each sign's positive and negative traits and how these qualities and quirks impact how we behave in various situations. Whether work or communicating with others, understanding each of the sun signs will offer insight into why we all think, act, and feel the way do. Discover how you can get along with other signs based on their unique characteristics and predispositions. Each sign requires a unique and tailored approach, and this book will give you ideas not only about how to get along with other people but also how to understand them. Learn the nature of the twelve signs and what each one can teach you about the ever-relevant subject of love and romance. Since each sign has its own way of dealing with this crucial aspect of life, understanding each sign's traits will help you learn more about yourself and others. Learn how to get a failing relationship back on track. The knowledge of how each sign thinks and how they see themselves in the world will help you empathize with your loved ones. This book will provide you with the knowledge to surmount any potential obstacles in a difficult relationship. Discover how astrology can help you in your professional life by teaching you to understand the various personality profiles. By understanding these innate traits and inclinations, you will find it easier not just to get along with co-workers but also to get ahead, climb the ladder, and progress in your professional life. Discover new ways to approach both new and old friendships by considering each sign's personality traits. Armed with this information, you can strengthen and deepen the bonds you already have and establish more meaningful contact with new people you meet. Unlock the secrets that the stars and celestial bodies give us and gain a more intimate insight into your own nature and heart. Sometimes, the problem is not that you can't communicate with others but that you don't understand yourself. With this ancient knowledge, you can achieve self-acknowledgment and reconciliation. Each chapter covers one of the twelve zodiac signs in this comprehensive and easily digested guide. With a focus on personality types, this book aims to explain how the signs relate to each other and whether they are compatible or not. You will also learn how these astrological influences determine the way we act in our professional life, our friendships, and much more. Linda Goodman's Sun Signs Linda Goodman, 2019-11-26 Embark on your cosmic path to self-discovery with this comprehensive guide to the twelve signs of the zodiac. Your sun sign is determined by the day and month of your birth and dictates your zodiac personality. Taking each of the twelve signs in turn, world famous astrologer Linda Goodman explains the importance of the sun - the most powerful of all stellar bodies - in astrology. She describes the characteristics of each sign and how these can be used to really get to know the men, women, children, bosses and employees in your life. This newfound knowledge allows us to feel closer to one another and to understand that, as Goodman says, 'Not all Capricorns are meek, not all Leos are outwardly domineering and not all Virgos are virgins.' Learn all this and much, much more from the world-famous astrologer who has helped millions divine their way to success, happiness and love by studying the sun signs. Before publication of Sun Signs in 1968, astrology as we know it had a very limited following in the United States and around the world. With this book, Linda Goodman changed that forever, bringing metaphysical consciousness to millions of readers around the world for the first time. Newspapers began running astrology columns, and Goodman herself contributed to these in the larger mass circulation women's magazines. An increasing number of people knew their sign and how to interpret the signs of others, introducing the study of astrological tendencies as we now know it.
