The House on Sunshine Corner Phoebe Mills,2021-08-24 This captivating enemies-to-lovers romance about a daycare teacher who clashes with a brooding dad is perfect second-chance love story for fans of Debbie Mason. Abby Engel has a great life. She's the owner of Sunshine Corner, the daycare she runs with her girlfriends; she has the most adoring grandmother (aka the Baby Whisperer); and she lives in a perfect hidden gem of a town. All that's missing is the thing she wants the most: a family. But after a stint of online dating and a string of bad blind dates, she's ready to give up. And then her ex-boyfriend (aka the love of her life) walks back into town... Carter Hayes has no intention of staying in Heart's Hope Bay. He's there to help his sister out for a few weeks, and then he's back on a plane to Las Vegas. But small-town living has its appeal, and it's not long before Carter's reminded of just how much he loves his hometown...and the one woman he's never been able to forget. But after breaking her heart all those years ago, can Carter convince Abby that he's her happy-ever-after?

The Haunting of Sunshine Girl Paige McKenzie,Alyssa Sheinmel,2015-03-26 The Haunting of Sunshine Girl is the first in a frighteningly good new series based on the popular YouTube sensation The Haunting of Sunshine Girl Network, created by Paige McKenzie. In that place where you're more asleep than awake any more, I hear something else. A phrase uttered in a child's voice, no more than a whisper: Night Night. Something freaky's going on with Sunshine's new house . . . there's the chill that wraps itself around her bones, the giggling she can hear in the dead of night, and then the strange shadows that lurk in her photographs. But the more weird stuff that happens, the less her mum believes her. Sunshine's always had a quirky affiliation with the past, but this time, history is getting much too close for comfort . . . If there is something, or someone, haunting her house, what do they want? And what will they do if Sunshine can't help them? As things become more frightening and dangerous, and the giggles she hears turn to sobs and screams, Sunshine has no choice but to accept what she is, face the test before her and save her mother from a fate worse than death.

Ways to Make Sunshine Renée Watson,2020-04-28 From Newbery Honor and Coretta Scott King Author Award winner Renée Watson, the first book in a young middle grade series about Ryan Hart, a girl who is pure spirit, kindness, and sunshine. Ryan Hart can be and do anything. Her name means king, that she is a leader, and she is determined to keep growing into the name her parents gave her. She is all about trying to see the best in people, to be a good daughter, sister, and friend. But Ryan has a lot on her mind. For instance: Dad finally has a new job, but money is still tight. That means some changes, like moving into a new (old) house, and Dad working the night shift. And with the fourth-grad talent show coming up, Ryan wonders what talent she can perform on stage in front of everyone without freezing. As even more changes and challenges come her way, Ryan always finds a way forward and shows she is a girl who knows how to glow. Acclaimed author Renée Watson writes her own version of Ramona Quimby, one starring a Black girl and her family, in this start to a charming new series.
