Sunshine Charles Hutchinson Gabriel,2016-08-21 Excerpt from Sunshine: Songs for Sunday Schools A song may be known and liked in one school, and yet be unappreciated in another: - select' only such as are in favor with the singers; do not insist upon the use of an unpopular piece simply because it IS appropriate to the lesson. Sing often! Sing at least one

new song each session; sing the popular songs frequently, that the hymn may become fixed in the memory; a song, well committed and rightly sung, is more to be desired than a lesson carelessly prepared and indifferently taught. The success of music in the Sunday School depends largely upon the class of songs used, and the manner of their using. The song should be one of sunshine and praise. When occasion demands seriousness, sing a hymn from memory, to one of the grand old Church tunes, which should, in every Sunday School, be taught the children, that they may at all sessions of worship Sing with the spirit and with the understanding.
