So this latest Sparky-induced buffoonery begins with a literal knife in the back and progresses to a thousand-year-old shrine containing the bones of a legendary German hero...and my first attempt at grave robbery. I'll battle a sexy Hungarian warrior-woman assassin, match wits and muscles with some ugly demons and take a trip to the other side of the veil to save some people I've grown to love. There's also an angel involved. A real one.
