

Syfy

Charlie Jane Anders

The Science Fiction Universe and Beyond Michael Mallory, 2015-03 Travel where no man has gone before with this decade-by-decade progression of science-fiction classics. From the classic, low-budget space exploration Flash Gordon tales of the Saturday matinee serials, to the slick CGI-realized world of The Matrix, science-fiction films have long been pushing the boundaries of the visually and dramatically fantastic—turning the known world on its head, playing with the laws of physics, and all the while holding their audience spellbound. The Science Fiction Universe . . . and Beyond offers a breadth of knowledge, insight, and passion to a century of close encounters, black holes, time travel, distant planets, impossible quests, nuclear war, futuristic technology, inexplicable forces, spaceships, extraordinary monsters, and subterranean societies. Arranged chronologically, showing the progression of sci-fi over the decades, and delving into interesting back stories and trivia, this volume includes a variety of classic films and television shows, such as The Day the Earth Stood Still (1951), Invasion of the Body Snatchers (1956), The Twilight Zone (1959-1964), Doctor Who (1963-1989), 2001: A Space Odyssey (1968), A Clockwork Orange (1971), Star Wars, Episode IV—A New Hope (1977), Alien (1979), E.T.: The Extra-Terrestrial (1982), Star Trek: The Next Generation (1987-1994), Terminator 2: Judgment Day (1991), Stargate SG-1 (1997-2007), Battlestar Galactica (2004-2009), and many others.

Attack of the New B Movies Justin Wigard, Mitch Ploskonka, 2023-04-14 Since its inception in 1992, the Sci-Fi Channel (later rebranded as SYFY) has aired more than 500 network-produced or commissioned films. Campy and prolific, the network churned out one low-budget film after another, finally finding its zenith in the 2013 release of Sharknado. With unpretentious charm and a hearty helping of commodified nostalgia, the Sharknado franchise briefly ruled the cultural consciousness

and temporarily transformed SYFY's original films from cult fringe to appointment television. Naturally, the network followed up with a steady stream of sequels and spin-offs, including *Lavalantula* and its sequel, *2 Lava 2 Lantula!* This collection of essays is the first to devote critical attention to SYFY's original film canon, both pre- and post-*Sharknado*. In addition to unpacking the cultural, historical and critical underpinnings of the monsters at the heart of SYFY's classic creature features, the contributors offer a variety of approaches to understanding and interrogating these films within the broader contexts of ecocriticism, monster theory, post-9/11 criticism, and neocolonialism. Providing a further entry point for future scholarship, an appendix details a thorough filmography of SYFY's original films from 1992 to 2022.

Star Wars Visions: Ronin Emma Mieko Candon, 2022-07-12 NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of *The Duel* from the *Star Wars Visions* animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of

Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.

Pop Culture Pioneers Cher Martinetti, 2021-10-26 Celebrate the empowering and inspiring women who helped create, shape, and make pop culture great, from the creator of SYFY WIRE's FANGRRRLS and the podcast Forgotten Women of Genre! In every medium in popular culture—from books, films, and video games to comics, television, and animation—women have been instrumental in creating and shaping the worlds, characters, and genres that we know and love. However, much of their hard work and innovation has gone largely unrecognized—until now. With a foreword by American Gods actress Yetide Badaki and essays exploring the history and transformation of pop culture's genres and mediums, Pop Culture Pioneers explores and pays respect to the women who played a crucial role in creating and influencing some of the most famous worlds and characters in pop culture including: Directors & Producers like Karyn Kusama (Aeon Flux, Jennifer's Body), Denise Di Novi (co-producer of Batman Returns, The Nightmare Before Christmas), and Jean MacCurdy (producer of Batman: The Animated Series, Animaniacs) Writers & Editors like Jeanette Khan (editor and publisher of DC Comics), Alice Bradley Sheldon (writing as James Tiptree Jr.), and Alison Bechdel (Fun Home) Animators & Artists like Rebecca Sugar (Steven Universe), Noelle Stevenson (She-Ra and the Princesses of Power) and Brenda Chapman (animator and director of Brave) As well as Marlene Clark (Blaxploitation actress), Roberta Williams (creator of the adventure game genre), Yvonne Blake (costume designer for Superman), Bonnie Erickson (co-creator of Miss Piggy), and many more.

Infidel Pornsak Pichetshote, 2018-09-26 A haunted house story for the 21st century, INFIDEL follows an American Muslim woman and her multi-racial neighbors who move into a building

haunted by entities that feed off xenophobia. Best-selling editor PORNSAK PICHETSHOTE (Swamp Thing, Daytripper, The Unwritten) makes his comics writing debut alongside artist extraordinaire AARON CAMPBELL (The Shadow, James Bond: Felix Leiter), award-winning colorist and editor JOSE VILLARRUBIA (Batman: Year 100, Spider-Man: Reign) and letterer / designer JEFF POWELL (SCALES AND SCOUNDRELS). Like nothing I've read before! Highly recommended. STEVE NILES (30 Days of Night, WINNEBAGO GRAVEYARD) Believable horror that's as unsettling as it is beautiful to look at. JOCK (WYTCHEs) Brilliant horror with a terrifying contemporary resonance. This feels way, way too real. - MIKE CAREY (Lucifer) Collects INFIDEL #1-5

Blood and Chrome Andrew Fullen, 2013-06-16 Blood & Chrome, the third embarrassing chapter in Ronald D. Moore's thankfully short-lived saga of grossly misinterpreting Battlestar Galactica.

Resident Alien Volume 5: An Alien in New York Peter Hogan, 2018-12-04 The series that inspired the SYFY original television series, starring Alan Tudyk! A stranded alien continues to hide in plain sight in Patience, Washington, posing as the small town's doctor. He has no intention of leaving-- unless it's to get back to his home planet! When a startling new mystery catches Dr. Harry Vanderspeigle's attention, he takes a trip to New York City with a close friend, a Native American shaman, and the hope of finally finding a way to communicate with his home world. Peter Hogan (2000 AD, Tom Strong) and Steve Parkhouse (Milkman Murders, Doctor Who) continue their unique, acclaimed science-fiction/murder-mystery series! Enjoy the fifth collection of the series legendary comics creator Alan Moore dubs, A pitch-perfect narrative from two of my favourite creators.

Childhood's End (Syfy TV Tie-in) Arthur C. Clarke, 2015-10-27 The inspiration for the Syfy miniseries. Childhood's End is one of the defining legacies of Arthur C. Clarke, the author of 2001: A Space Odyssey and many other groundbreaking works. Since its publication in 1953, this prescient

novel about first contact gone wrong has come to be regarded not only as a science fiction classic but as a literary thriller of the highest order. Spaceships have suddenly appeared in the skies above every city on the planet. Inside is an intellectually, technologically, and militarily superior alien race known as the Overlords. At first, their demands seem benevolent: unify Earth, eliminate poverty, end war. But at what cost? To those who resist, it's clear that the Overlords have an agenda of their own. Has their arrival marked the end of humankind . . . or the beginning? Praise for *Childhood's End* "A first-rate tour de force."—The New York Times "Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master."—Los Angeles Times "There has been nothing like it for years; partly for the actual invention, but partly because here we meet a modern author who understands that there may be things that have a higher claim on humanity than its own 'survival.' "—C. S. Lewis "As a science fiction writer, Clarke has all the essentials."—Jeremy Bernstein, *The New Yorker*

Resident Alien: Your Ride's Here #1 Peter Hogan, 2020-11-11 Soon to be a SyFy live action series! Harry's learned a lot about himself and the possibility that other aliens have been stranded on Earth, too. He needs to figure out what to do with Honey, the only resident in Patience, USA, who sees him in his true alien form, as well as deal with his feelings toward Asta, his best friend. Harry's been stranded in a small town pretending to be a human doctor for so long, loneliness is bound to creep in. "One of the most charming and wonderful comics being published today."—Jeff Lemire. Another mysterious chapter from a critically acclaimed comics team!

Blood and Chrome: Syfy Channel's Sham Interpretation of Battlestar Galactica Continues Andrew Fullen, 2010-12-23 SyFy Channel's sham interpretation of Battlestar Galactica continues with their inevitably doomed production *Blood & Chrome*. *Blood & Chrome* will be nothing more than the same old regurgitated nonsense we've seen in *GINO* and *Caprica*.

Destroyer of Light Jennifer Marie Brissett, 2021-10-12 The Matrix meets an Afro-futuristic retelling of Persephone set in a science fiction underworld of aliens, refugees, and genetic engineering in Jennifer Marie Brissett's *Destroyer of Light* Kirkus—Best Fiction Books of the Year 2021 Tor.com—Best of the Year 2021 New York Public Library—Nine New Sci-Fi & Fantasy Reads Bookriot—20 Must Read Space Fantasy Books for 2021 Book Bub—The 24 Best Science Fiction and Fantasy Books of Fall 2021 BiblioLifestyle—Most Anticipated Fall 2021 Sci-fi, Fantasy & Horror Having destroyed Earth, the alien conquerors resettle the remains of humanity on the planet of Eleusis. In the four habitable areas of the planet—Day, Dusk, Dawn, and Night—the haves and have nots, criminals and dissidents, and former alien conquerors irrevocably bind three stories: *A violent warlord abducts a young girl from the agrarian outskirts of Dusk leaving her mother searching and grieving. *Genetically modified twin brothers desperately search for the lost son of a human/alien couple in a criminal underground trafficking children for unknown purposes. *A young woman with inhuman powers rises through the insurgent ranks of soldiers in the borderlands of Night. Their stories, often containing disturbing physical and sexual violence, skate across years, building to a single confrontation when the fate of all—human and alien—balances upon a knife's-edge. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Mythology of the Superhero Andrew R. Bahlmann, 2016-04-27 Superheroes have been an integral part of popular society for decades and have given rise to a collective mythology familiar in popular culture worldwide. Though scholars and fans have recognized and commented on this mythology, its structure has gone largely unexplored. This book provides a model and lexicon for identifying the superhero mythos. The author examines the myth in several narratives--including

Buffy the Vampire Slayer, Green Arrow and Beowulf--and discusses such diverse characters as Batman, Wolverine, Invincible and John Constantine.

Resident Alien: Your Ride's Here #5 Peter Hogan,2021-04-14 After one of his nurse's lives is mysteriously threatened, Dr. Harry—a lonely alien explorer stranded on earth—finds himself at a frustrating dead end. He discovers a renewed sense of purpose when he joins Patience residents in a search for a missing child, while a determined federal agent gets closer to exposing Harry! SyFy original series premieres January 2021!

Resident Alien: Your Ride's Here #3 Peter Hogan,2021-01-13 Soon to be a SyFy live action series! Stranded in small town Patience, Washington, alien detective Harry pretends to be a human doctor, as his human entanglements get more and more complicated! A threatening federal agent gets way too close to Harry, hurting one of his friends, and Honey—a sweet, strange child who can see Harry in his true form—goes missing from a wedding celebration. "One of the most charming and wonderful comics being published today."-Jeff Lemire

Resident Alien Volume 6: Your Ride's Here Peter Hogan,2021-06-15 The series that inspired the SYFY original television series, starring Alan Tudyk! Harry's learned a lot about himself and the possibility that other aliens have been stranded on Earth, too. He needs to figure out what to do with Honey, the only resident in Patience, USA, who sees him in his true alien form, as well as deal with his feelings toward Asta, his best friend. Brad and Amanda's wedding day draws near, Dan is concerned about Harry's safety, and a sinister federal agent pretending to be a new Patience resident visits Harry's clinic for a checkup! There's a lot going on in Patience! Collects Resident Alien: Your Ride's Here #1-#6.

Resident Alien: Your Ride's Here #2 Peter Hogan,2020-12-09 Soon to be a SyFy live action

series! Harry's been stranded in small town Patience, Washington, pretending to be a human doctor for so long, he's actually managed to build some relationships with the locals. Brad and Amanda's wedding day draws near, Dan is concerned about Harry's safety, and a sinister federal agent pretending to be a new Patience resident visits Harry's clinic for a checkup! "One of the most charming and wonderful comics being published today."-Jeff Lemire. Another mysterious chapter from a critically acclaimed comics team.

Virtual Intrigue: A Syfy Mystery Daniel David Johnson,2019-03-23 A discharged marine dining with his family goes berserk and violently kills a congressman. Detective Cliff Brant can find no motive. Virtual Reality has been used for crime before but never in this way. Virtual Perfection an experimental leader in the field of Virtual Reality is developing new technology that will blow the doors open on what is considered possible. Brad is an aggressive young visionary in the field and willing to bend the rules to keep his struggling company afloat. What is real and what is virtual, as well as what is possible and what is not, are fluid properties where ambitions are concerned?

The Magicians Lev Grossman,2010-05-25 Lev Grossman's new novel THE BRIGHT SWORD will be on sale July 2024 The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." —Joe Hill "A very knowing and wonderful take on the wizard school genre." —John Green "The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century." —Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." —The New Yorker "The best urban

fantasy in years.” —A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he’s secretly fascinated with a series of children’s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician’s Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

Even Greater Mistakes Charlie Jane Anders, 2021-11-16 In her short story collection, *Even Greater Mistakes*, Charlie Jane Anders upends genre clichés and revitalizes classic tropes with heartfelt and pants-wettingly funny social commentary. The woman who can see all possible futures is dating the man who can see the one and only foreordained future. A wildly popular slapstick filmmaker is drawn, against his better judgment, into working with a fascist militia, against a background of social collapse. Two friends must embark on an Epic Quest To Capture The Weapon That Threatens The Galaxy, or else they’ll never achieve their dream of opening a restaurant. The stories in this collection, by their very outrageousness, achieve a heightened realism unlike any other. Anders once again proves she is one of the strongest voices in modern science fiction, the writer called by Andrew Sean Greer, “this generation’s Le Guin.” At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Banks Roxane Gay, 2019-12-01 A high-stakes heist thriller about the most daring and successful thieves in Chicago: three generations of women from the Banks family. For fifty years the women of the Banks family have been the most successful thieves in Chicago by following one simple rule: never get greedy. But when the youngest Banks stumbles upon the heist of a lifetime, the potential windfall may be enough to bring three generations of thieves together for one incredible score and the chance to avenge a loved one taken too soon. From NY Times bestselling writer Roxane Gay (Hunger; Black Panther) and artist Ming Doyle (The Kitchen). The Banks is the best kind of heist story: a sharp, tight robbery with escalating tensions and threats coming from every direction. - The A.V. Club It will leave most readers smiling at the end of their journeys with the Banks family. - The Beat

Decoding **Syfy**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Syfy**," a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
