Learning the Tabla, Volume 2 David Courtney, 2010-12-29 The Indian tabla is a difficult pair of hand drums, but by no means should it be considered inaccessible. For those who have gone through the introductory Learning the Tabla, this book/ CD set is an ideal next step. It contains much new material which is appropriate for an intermediate level student. This series introduces us to new material, concepts, and techniques. Such material includes a discussion of the complementary nature of tabla bols/technique. It also introduces us to new compositional forms such as mukhada, rela, laggi, paran, gat, tihai, and chakradar. There is an introduction to the concept of transitional bols and techniques. This set also expands upon material that was introduced in the first set by giving new tals, and their thekas, as well as a more advanced kaida. There is also a discussion of the ancient barrel drum known as the pakhawaj and a discussion of pakhawaj material that can be played on the tabla. • Easy to use book / CD set to learn intermediate level tabla. • It continues where Mel Bay's Learning the Tabla left off. • Easy to use for Indians and Non-Indians alike. • Introduces many new compositional forms as well as more advanced theoretical material. • May be used with or without the guidance of a teacher.

The Tabla of Lucknow James Kippen,1988-07-21 The tabla is the most important and popular drum in North Indian classical music. This book aims to increase our understanding of the Lucknow tabla-playing tradition by showing what distinguishes it from other styles both musically and technically and by analysing the processes involved in composition and improvisation. In conjunction with the musical discussion James Kippen considers the socio-musical development of Lucknow from the late eighteenth century to the present day and analyses several important aspects of the lives of a particular group of hereditary musicians connected with Lucknow who specialize in the tabla. He investigates the scope for music-making in Lucknow today, the social relationships of the musicians and the controversial topic of political intrigue, perceptions of, and attitudes towards, musical change, and institutionalised methods of musical instruction.

Guide To Play Tabla Natacha Carmichael,2021-06-10 A tabla is a pair of twin hand drums from the Indian subcontinent. Since the 18th century, tabla has been the principal percussion instrument in Hindustani classical music, where it may be played solo, as an accompaniment with other instruments and vocals, and as a part of larger ensembles. Rudimentaal Shawn Mativetsky,2020-09-21 RUDIMENTAAL is a collection of rudimental snare drum pieces inspired by the tabla drumming of North India - a gateway into North Indian drumming for drummers and percussionists from all backgrounds. In addition to the pieces contained in this text, are explanations of the solo tabla form and the repertoire of which it is comprised, along with exercises and études in order to further develop one's understanding of the compositional forms, rhythmic devices, and performance practices of this rich musical tradition. The repertoire is presented in a way similar to how one might learn tabla. First, one learns various compositions from the repertoire as separate items. Each item can be seen as an étude, or a short concert piece for performance. Once enough repertoire is learned, one can then connect the various compositions together to create a fully-formed solo. There are a number of compositions provided, along with instructions for how to piece them together, allowing for numerous possible permutations in designing your own solo snare drum performance based on your repertoire preferences. In addition to these shorter compositions that can be used as building blocks for larger pieces, three complete stand alone solo pieces are also included: DANCING HANDS, CHESTERMERE & DELHI, and SEVEN BIRDS.
