Voyagers into the Unknown Ruchira Khanna,2016-01-15 In the historic Indian town of Agra, you can find a very unusual tour company, which is owned by a charming young man named Raj. Although Raj's official job is to show off the historical landmarks of Agra, including the legendary Taj-Mahal, his true mission is to heal the souls of his broken "birds," as he affectionately refers to his tour participants. His business operates purely upon word-of-mouth referrals, ensuring that all of his tour members arrive in Agra with their hearts in their hands, ready for the spiritual growth and cleansing that Raj is known to provide. Healing the hearts of the spiritually damaged can be a difficult job, and in this particular tale, Raj finds himself faced with his most challenging tour group yet. First, there is Ira, a stunningly gorgeous but fragile young woman on the brink of suicide. Next, we meet Darci and Lennard, a couple on the verge of divorce. Then there is Carl, an irritable, antisocial workaholic who has burned all of his bridges. Lastly,

we meet Asha, an elderly widow who still yearns for the company and comfort of her late husband. When disaster strikes the tour group, everything is thrown into jeopardy, including lives, relationships, and Raj's very reputation as a tour guide. Raj must find a way to lift the spirits of these five special travelers, even in the face of death and despair. Venture into the unknown and discover how Raj Touristry heals the brokenhearted, one soul at a time. Shadow Princess Indu Sundaresan, 2010-03-09 Critically acclaimed author Indu Sundaresan picks up where she left off in *The Twentieth Wife* and *The Feast of Roses*, returning to seventeenth-century India as two princesses struggle for supremacy of their father's kingdom. Trapped in the shadow of the magnificent tomb their grief-stricken father is building for his beloved deceased wife, the emperor's daughters compete for everything: control over the imperial

harem, their father's affection, and the future of their country. They are forbidden to marry and instead choose to back different brothers in the fight for ultimate power over the throne. But only one of the sisters will succeed. With an enthusiasm for history and a flair for rich detail, Indu Sundaresan brings readers deep into the complicated lives of Indian women of the time period and highlights the profound history of one of the most celebrated works of architecture in the world, the Taj Mahal.

Taj Mahal Giles Tillotson, 2012-11-12 An enduring monument of haunting beauty, the Taj Mahal seems a symbol of stability itself. The familiar view of the glowing marble mausoleum from the gateway entrance offers the very picture of permanence. And yet this extraordinary edifice presents a shifting image to observers across time and cultures. The meaning of the Taj Mahal, the perceptions and responses it prompts, ideas about the building and the history that shape them: these form the subject of Giles Tillotson's book. More than a richly illustrated history—though it is that as well—this book is an eloquent meditation on the place of the Taj Mahal in the cultural imagination of India and the wider world. Since its completion in 1648, the mausoleum commissioned by the fifth Mughal emperor, Shah Jahan, for his wife Mumtaz Mahal, has come to symbolize many things: the undying love of a man for his wife, the perfection of Mughal architecture, the ideal synthesis of various strands of subcontinental aesthetics, even an icon of modern India itself. Exploring different perspectives brought to the magnificent

structure—by a Mughal court poet, an English Romantic traveler, a colonial administrator, an architectural historian, or a contemporary Bollywood filmmaker—this book is an incomparable guide through the varied and changing ideas inspired by the Taj Mahal, from its construction to our day. In Tillotson's expert hands, the story of a seventeenth-century structure in the city of Agra reveals itself as a story about our own place and time.

Taj Mahal Elizabeth Mann, 2008 The well-illustrated story of the building of the Taj Mahal, one of the world's most beautiful monuments, and the Mughal dynasty in India whose 5th emperor built it.

Moon Taj Mahal, Delhi & Jaipur Margot Bigg, 2012-11-13 With its shimmering white marble domes and perfect symmetry, the Taj Mahal is among the most stunning marvels on the planet. A stroll through its lush grounds transports you back to a time when bejeweled royalty feasted on rich delicacies and terraced fountains flowed with rose water. Expert traveler Margot Bigg tells you everything you need to know to make this trip possible in Moon Taj Mahal, Delhi & Jaipur: How to get there, how long it will take, and where to stop along the way—including information on excursions into Rajasthan, the Himalayas, and nearby wildlife preserves How to choose the best guide and means of transportation, whether it's train, car, or bus Where to find authentic cultural experiences, from elephant processions to spiritual retreats

Tourists at the Taj Tim Edensor, 2008-01-28 Clearly written and

fascinatingly illustrated, *Tourists at the Taj* describes the conflicting narratives which surround the site. For some the Taj is an evocative symbol of the colonial past. For others it is a symbolic centre of Islamic power. For many of the thousands of tourists that visit it each year it is simply a monument of love. The author shows how tourism can be seen as a performance and the tourist site as a stage on which tourists are directed and rehearsed but also able to improvise their own cultural rituals.
