Be More Pirate Sam Conniff Allende,2018-05-03 Whatever your ambitions, ideas and challenges, this book will revolutionize the way you live, think and work today, and tomorrow. Pirates didn't just break the rules, they rewrote them. They didn't just reject society, they reinvented it. Pirates didn't just challenge the status-quo, they changed everything. Pirates faced a self-interested establishment, a broken system, industrial scale disruption and an uncertain future. Sound familiar? Pirates stood for MISCHIEF, PURPOSE and POWER. And you can too. In *Be More Pirate*, Sam Conniff Allende unveils the innovative strategies of Golden Age pirates, drawing parallels between the tactics and teachings of legends like Henry Morgan and Blackbeard with modern rebels, like Elon Musk, Malala and Banksy. Featuring takeaway sections and a guide to build your own pirate code 2.0, *Be More Pirate* will show you how to leave your mark on the 21st century. So what are you waiting for? Join the rebellion now. ----- 'Unique...reminds me of the fun we've had with our airlines' - Sir Richard Branson 'Totally compelling' Ed Miliband 'I'd rather be a pirate than join the navy' Steve Jobs 'A model for how to break the system and create radical change' Evening Standard 'Be More Pirate feels so important as it looks to history to help us grip the future' Martha Lane Fox 'This isn't a book, it's the beginning of a movement. *Be More Pirate* should come with a health warning' Tom Goodwin, author of *Digital Darwinism*

The Only Pirate at the Party Lindsey Stirling,Brooke S. Passey,2016-01-12 Dancing electronic violinist Lindsey Stirling shares her unconventional journey in an inspiring memoir filled with the energy, persistence, and humor that have helped her successfully pursue a passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has faced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Lindsey's magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be *The Only Pirate at the Party*.

How I Became a Pirate Melinda Long,2003 Pirates have green teeth when they have any teeth at all. I know about pirates, because one day, when I was at the beach building a sand castle and minding my own business, a pirate ship sailed into view. So proclaims Jeremy Jacob, a boy who joins Captain Braid Beard and his crew in this witty look at the finer points of pirate life by the Caldecott Honor winning illustrator David Shannon and the storyteller Melinda Long. Jeremy learns how to say scurvy dog, sing sea chanteys, and throw food . . . but he also learns that there are no books or good night kisses on board: Pirates don't tuck. A swashbuckling adventure with fantastically silly, richly textured illustrations that suit the story to a T.

Pirates In The Navy Tendayi Viki,2020-05-14 Faced with the choice of starting a company or joining a large corporation, Steve Jobs believed that it was 'more fun to be a pirate than to join the navy'. But for innovators inside established companies, making a distinction between being a pirate and joining the navy is a fallacy. We have to figure out a way to become pirates in the navy! There is nothing harder in business than trying to innovate within large corporations. Innovators in big companies often face internal opposition as well as their external competitors. It is the management of the core business that tends to get in the way of innovation. Most intrapreneurs recognise that innovation can't be carried out as a series of one-off projects that always have to jump through political hurdles. They realise that there is a need for innovation to happen as a repeatable process. But how can they achieve this? This is a step-by-step guide to getting continuous innovation done in companies and reshaping them in the process. It is for anyone involved in corporate innovation and driving company change.

Black Flags, Blue Waters: The Epic History of America's Most Notorious Pirates Eric Jay Dolin,2018-09-18 With surprising tales of vicious mutineers, imperial riches, and high-seas intrigue, Black Flags, Blue Waters is “rumbustious enough for the adventure-hungry” (Peter Lewis, San Francisco Chronicle). Set against the backdrop of the Age of Exploration, Black Flags, Blue Waters reveals the surprising history of American piracy’s “Golden Age” - spanning the late 1600s through the early 1700s - when lawless pirates plied the coastal waters of North America and beyond. “Deftly blending scholarship and drama” (Richard Zacks), best-selling author Eric Jay Dolin illustrates how American colonists at first supported these outrageous pirates in an early display of solidarity against the Crown, and then violently opposed them. Through engrossing episodes of roguish glamour and extreme brutality, Dolin depicts the star pirates of this period, among them the towering Blackbeard, the ill-fated Captain Kidd, and sadistic Edward Low, who delighted in torturing his prey. Upending popular misconceptions and cartoonish stereotypes, Black Flags, Blue Waters is a “tour de force history” (Michael Pierce, Midwestern Rewind) of the seafaring outlaws whose raids reflect the precarious nature of American colonial life.
