

Taxi Taxi

Charles Vidich

Taxi! Taxi! Cari Best,1997-03-01 Tina spends each Sunday with her father, a taxicab driver.

Taxi! Bijou Mathew,2008 Drawing on conversations with the drivers themselves, *Taxi!* details both the pressures and triumphs of life behind the wheel. Mathew reveals in this highly readable, fast-paced survey of New York's taxi business, that just about everything has been dramatically altered except the yellow paint.

My Little Yellow Taxi Stephen T. Johnson,2006 Kids must fasten their seatbelts as they prepare, by checking the mirrors, checking the oil, and starting the engine, to take their little yellow taxi for a wild ride, in this vibrant, interactive book that introduces the concept of telling time.

Taxi! Graham Russell Gao Hodges,2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics, Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's *Taxi!* is a remarkable evocation

of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, *Taxi!* provides a fascinating perspective on New York's most colorful emissaries.

Taxi (English edition) Khaled Al Khamissi, 2012-03-15 A best-selling modern masterpiece in the

author's home country of Egypt, *Taxi* consists of fifty-eight fictional monologues with Cairo taxi drivers that have been recreated from the author's own experience, taking the reader on a roller-coaster of emotions as bumpy and noisy as the city's potholed and chaotic streets. Described as an urban sociology, an ethnography, a classic of oral history - and a work of poetry in motion - it tells Herculean tales of the struggle for survival and dignity among Greater Cairo's 80,000 cab drivers.

Taxi Alex Summers, 2018 Young readers learn all about what it's like to ride in a taxi cab as well as all the parts and people that make it go.

New York Cab Driver and His Fare Charles Vidich, 2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his

needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

Taxi George Agnew Chamberlain, 1920

Hailing Taxi Frank Lovece, Jules Franco, 1988-01-01

Taxi Driver Wisdom Risa Mickenberg, 2016-07-19 “Insights on love, pleasure, fate, and other topics” collected from conversations with New York City cabbies (AM New York). The worse a town’s economy is, the better looking the guys who work at the local gas station are. I see more of what is going on around me because I am not concerned with finding a parking place. There is no chivalry. For that you have to go upstate. Real taxi drivers know more than how to get you there without a GPS—often, they know how to get you there in life. This twentieth anniversary edition of the wise and hilarious classic, as true now as ever, is a celebration of the witty, philosophical perspective on human

nature culled from real quotations from real cab drivers who've been around the block.

Taxi! Taxi! Cari Best,1999-10-15 Tina spends each Sunday with her father, a taxicab driver.

Taxi! Graham Russell Hodges,2007-04-16 Publisher description

Hack Melissa Plaut,2007 In her late 20s, Plaut decided to honor a long-held secret ambition by becoming a New York City taxi driver. With wit and insight, she recreates the crazy parade of humanity that passes through her cab and shows how this grueling work provides her with a greater sense of self.

Taxi Christina Oxenberg,1986 Briefly sketches the history of taxi cabs, shares the stories of New York cabbies, and passengers describe unusual experiences riding in taxis.

The Turned-Around Taxi Margaret Holland,Craig B. McKee,1985-11 A confused taxicab mixes up its right and left directions and delivers passengers to the wrong places.

Taxi Cab Stories John Egan,2018-12-22 Infused with John's unique sense of wry humor, these stories take the reader along on a ride through John's experiences as a cab driver in Brockton, Mass

during the late 1970s. The stories are a mixture of the hilarious, odd, insightful, and sorrowful; introducing the reader to such characters as Black Laurel and Hardy, Captain Quaalude, and Mr. Magoo. This is how one cab ride ended as John pulled up to an ER...An orderly, hearing the tires give up their remaining tread in an anguished squeal, ran out expecting a near death emergency arrival. I jammed my driver seat forward and ran over to open Mom's door. She got out calmly, I was anticipating a warm thanks. She got hold of her purse. I figured to get the fare and a great tip. Instead, she starts beating me with it! Hard! I am 6'4" and she was able to hit me squarely on top of my head. She was going to nail me into the ground like a human spike! She said, I told you to get me to the hospital quickly, not to put me in it! (as she rained beats down on me with her purse) Little Guy (her son) was hopping up and down saying Can we do that again?! That was unbelievable! which made Mom angrier. The orderly skidded to a stop, wondering if I was the bad guy, Mom was a maniac, or this might be some personal matter between two consenting adults, especially one (Mom) that weighed about 4 times what he did. He said nothing, did not come an inch closer. He seemed frozen

in fear, a desire for personal safety, and a crushing curiosity to see how it played out. This is how another cab ride ended after two guys considered robbing John...I got them to their destination in one piece. The fare was just under \$10, blond threw me a twenty and said, Keep it, as they fell over themselves in their hurry to get out. I didn't even thank them for the tip, just acted as if I expected it. Like it was payment for the 'joy ride.' The last thing the black-haired guy said as the scrambled out. I never met someone as nuts as you, man. Never! Blond goes, You're not safe, man. You're nuts. You shouldn't be f**kin' driving! I looked at them with a bored, 'do this all the time' look and shrugged....I radioed for Gary to get the cops. I gave the address, a description, and said the cops should be careful as at least one was armed. Join John for other fares as he drives from experience to experience, wending his way through an incredible world of stories from his cab driving days.

Last Taxi Driver Lee Durkee, 2021-04-21 Questa è la cronaca di una lunga giornata nella vita di Lou Bishoff, tassista di mezz'età e appassionato di ufo che traghetta da una parte all'altra del Mississippi per lo più vite spezzate – spacciatori, alcolizzati, malati terminali e donne abusate – a

bordo della sua Lincoln. Romanziere fallito da quando, dopo un esordio di successo, non è stato più in grado di reagire alla pagina bianca, le sorti di Lou non paiono sul punto di migliorare ora che l'incombere di Uber minaccia la sua professione e a casa lo attende nient'altro che una fidanzata letargica. Con una scrittura intensamente ironica che evoca ora Bukowski, ora Denis Johnson, Durkee rende omaggio a un Paese in difficoltà e a un'intera industria sull'orlo del collasso. Tra una risata amara e del sano menefreghismo, è la rabbia il sentimento a emergere da queste pagine. Tutti la proviamo, è il messaggio di Lou. È il modo in cui reagiamo a fare la differenza.

Maxi the Little Taxi Elizabeth Upton, 2016-03-29 He's little! He's cute! But he's getting all dirty! This warm, charming story perfectly captures all the ups and downs of a busy little taxi's first day on the job! It's Maxi the Taxi's first day of work. What fun it is to zip and zoom all around the town! SPLASH go the mud puddles! PLIPPITY-PLOP drips the ice cream and mustard from sticky little fingers! Soon Maxi becomes so grimy and gooey that no one wants to ride with him. Who will help this dirty little taxi discover what he needs most? It's a smart little boy who takes Maxi for a noisy, tickly

bath in the car wash!

Tck Taxi Cab Killer Roy Campbell,2018-05-26 A Taxi cab.... Desires.... PassengersDeath

People generally don't trust strangers but put their lives in the hands of a taxi driver. A man who kills unsuspecting passengers for a number of reasons, it could be for revenge, as a vigilante and for sexual gratification or just because he enjoys it. The book is like John Wayne Gayce, Charles Manson and Dexter from the HBO series in a cab. It takes place in present day in New York Cit. A middle age Ali Chandahan Guyanese Ben Kingsley or Gery Bednob type. He's going thru life in a bad marriage. He has an undying love for his wife. He will do, accept every kind of abuse from her. She uses his unconditional love to abuse him. He goes after strangers to satisfy his inner demons away from home. The spousal abuse and betrayal pushes him over the edge to bring the killing close to home. When the unthinkable when the love of his life betrays him. He sets her up for a murder that she didn't commit. She goes to an insane asylum to be evaluated to stand trial. She realizes that her husband is a killer but it too late. No matter what she said, no one believes that her husband is a killer while she

goes to jail. Threw out the time when he's with and without his wife. He's picking up, taking and killing passengers in his cab. Things continue to progress with his killings but things change and not in his favor. A nosy neighbor knows part of his secrets. The police begin to be obsessed with him and his every move. So Ali goes around the city killing men and women for revenge, for pleasure and for survival. During his discovery of killings, the suppression of his desires is short lived. The thirst of killing is unquenched. He does everything possible to live and kill another day. TCK (Taxi Cab Killer) is a story of fear. It's a fear that scares everyone young and old to the core. Everyone has a story about a taxi driver that was funny, interesting and even heartwarming. It's the stories that make you wonder as you get in the next cab ride. Will anyone hear me scream? Will I ever see my friends and family again? Just because it's convenient, we get into that strangers car. Taxi cab killer is a story that everyone can be terrified of.

Driving While Black Kenneth Meeks, 2010-03-10 A practical handbook for people who want to be safe and do something. Racial profiling does happen. And while cases where victims find themselves

looking down the barrel of a policeman's gun make the six o'clock news, dozens of less extreme, yet troubling, examples occur every day. Cabs that whiz by only to be seen stopping for safer-looking people just up the block; being asked for multiple pieces of identification when making purchases with credit cards; being followed around a department store by salespeople and security while never being asked if they need any assistance; being detained for hours and extensively searched in an airport or train station--Driving While Black clearly defines the system officially known as CARD (class, age, race, dress) and offers advice about how to handle potentially life-threatening situations with the police, as well as recourse for readers who suspect their civil rights have been denied due to racial profiling. A book written to save lives, Driving While Black is not just for people of color, but for anyone who likes to wear a baseball cap, baggy jeans, sneakers, and a tee shirt and finds they are often treated like a suspect.

Ignite the flame of optimism with Crafted by is motivational masterpiece, Find Positivity in Taxi Taxi . In

a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement.

Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has

revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable

Taxi Taxi Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever.

platform where you can explore and download free Taxi Taxi PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to	effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various	disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,
---	--	--

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing	individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of	knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Taxi Taxi PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within
---	--	--

legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Taxi Taxi free PDF books and manuals for download has

revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a

world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
