Texts From Last Night Lauren Leto,Ben Bator,2010-01-26 In the tradition of *The Truth About Chuck Norris*, *PostSecret*, and *I Can Has Cheezburger?*, *Texts from Last Night* celebrates the funniest and most outrageous text messages from the instantly popular website. There are few forms of communication that are more entertaining, appalling, and laugh-out-loud hilarious than the text message--especially when it's received in the wee hours of the morning from a friend who has had one too many shots of tequila. *Texts from Last Night* is a celebration of the best, worst, and weirdest text messages that have ever been sent, such as: •Before i could say i'm not the kind of girl, i was •I got us kicked out of the bar because the waitress found me in the kitchen trying to make spaghetti •The ticket read found nude in a tree *Texts from Last Night* is chock full of LOL and WTF moments and will make any thumb-typer :) in recognition. Read Ben Bator and Lauren Leto's post on the Penguin Blog.

Texts from Bennett Mac Lethal,2013-09-03 A family story for the twenty-first century, based on the phenomenally popular *Texts from Bennett* Tumblr blog, this epistolary novel chronicles the year that Bennett and the rest of his freeloading family moved into his cousin Mac's household. Hardworking Kansas City rapper Mac Lethal has a problem, and its name is Bennett. His wannabe gangsta cousin is seventeen, uses drugs and foul language, claims to be 13 percent black, and swears he speaks da female language. (Strangely that last one sort of seems true.) But as different as they are, when Bennett and his mom lose their home, Mac's got their backs. They're family after all. Sure, it takes patience to live with the eternally smoked-out Bennett and the pill-popped Aunt Lily, but he can handle it. You know who can't? Mac's very pretty, very WASPy, very uptight girlfriend. So as his once-peaceful household gets completely crazy, Mac learns that wanna-be-Crips are thicker than water, that his little cousin—flawed, irreverent, and basically a Saturday morning cartoon gone horribly wrong—has become his mentor, and that he really has no idea what's up with girls.

Fantasy Life Matthew Berry,2014-07-01 Includes new chapters with small, easy-to-understand words. Bestselling words! Fantasy football, fantasy baseball, fantasy basketball, even fantasy sumo wrestling: the world of fantasy sports is huge, and still growing. Today, more than 35 million people in the United States and Canada spend hours upon hours each week on their fantasy sports teams. And as the Senior Fantasy Sports Analyst for ESPN, Matthew Berry is on the front lines of what has grown from a niche subculture into a national pastime. In his New York Times-bestselling *Fantasy Life*, Berry celebrates every aspect of the fantasy sports world. Brilliant trash talk. Unbelievable trophies. Insane draft day locations. Shake-your-head-in-disbelief punishments. Ingenious attempts at cheating. And surprisingly uplifting stories that remind us why we play these games in the first place. Written with the same award-winning style that has made Berry one of the most popular columnists on ESPN.com, *Fantasy Life* is a book for both hard-core fantasy players and people who have never played before. Between tales of love and hate, birth and death, tattoos and furry animal costumes, the White House Situation Room and a 126-pound golden pelican, Matthew chronicles his journey from a fourteen-year-old fantasy player to the face of fantasy sports for the largest sports media company in the world. Fantasy will save your life. Fantasy will set you free. And fantasy life is most definitely better than real life. You'll see.

Fast Future David D. Burstein,2013-02-12 A millennial examines how his generation is profoundly impacting politics, business, media, and activism They've been called trophy kids, entitled, narcissistic, the worst employees in history, and even the dumbest generation. But, argues David Burstein, the millennial generation's unique blend of civic idealism and savvy pragmatism will enable us to overcome a deeply divided nation facing economic and environmental calamities. With eighty-million millennials (people who are today eighteen to thirty years old) coming of age and emerging as leaders, this is the largest generation in U.S. history, and, by 2020, its members will represent one out of every three adults. They are more ethnically and racially diverse than their elders and have begun their careers at a time when the recession has set back the job market. Yet they remain optimistic about their future and are deeply connected to one another. Drawing on extensive interviews with his millennial peers and compelling new research, Burstein illustrates how his generation is simultaneously shaping and being shaped by a fast-paced and fast-changing world. Part oral history, part social documentary, *Fast Future* reveals the impact and story of the millennial generation—in its own words.

Media Convergence Graham Meikle,Sherman Young,2017-09-16 This book focuses on how everyday media such as Facebook, iTunes and Google can be understood in new ways for the 21st century through ideas of convergence. Key chapters explore the development of the internet, the rise of social media and the new opportunities for audiences to create, collaborate upon and share their own media.

Practical Hexes Kim Richardson,2023-09-10 Never in my thirty years did I think my new normal would be a gig as a soul collector's assistant—slave really—where I help stockpile souls from the miserable mortals who sell them to him. The demon thinks he can control me, but I plan on doing things differently... my way. But we all know it's never that easy or that simple, especially in my life. Surprisingly, things get off to a good start. Who am I kidding? The job doesn't pan out to be what I first thought. It's worse. Way worse. And before I know it, I'm in hot water with no easy way out. If that isn't bad enough, the soul collector is hiding something from me that could make or break the deal I made with him. Something, if found out, that could change everything... It's time to yank up my big girl panties, chuck down some wine, and do things my way. If it doesn't kill me first. If you like fast-paced urban fantasy adventure with a kick-butt heroine and plenty of action, suspense, and humor, you'll love *Practical Hexes*.

The Presentation of Self in Contemporary Social Life David Shulman,2016-05-17 *The Presentation of Self in Contemporary Social Life* covers the popular theories of Erving Goffman, and shows modern applications of dramaturgical analysis in a wide range of social contexts. David Shulman's innovative new text demonstrates how Goffman's ideas, first introduced in 1959, continue to inspire research into how we manage the impressions that others form about us. He synthesizes the work of contemporary scholars who use dramaturgical approaches from several disciplines, who recognize that many values, social norms, and laws have changed since Goffman's time, and that contemporary society offers significant new forms of impression management that we can engage in and experience. After a general introduction to dramaturgical sociology, readers will see many examples of how Goffman's ideas can provide powerful insights into familiar aspects of contemporary life today, including business and the workplace, popular culture, the entertainment industry, and the digital world.

Texts from Mittens Angie Bailey,2015-03-31 *Texts from Mittens* is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the "filthy beast" dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers' Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. "Each installment of *Texts From Mittens* is like a little gift to brighten your day!" —Kate Benjamin, Hauspanther founder and co-author of *Catification* with Jackson Galaxy *Texts From Mittens* makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!" —Jeremy Greenberg, Author of *Sorry I Barfed on Your Bed* We all knew that cats were hilarious, but Ms. Bailey's sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level. —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There's an emergency! What?? Are you OK? My dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weeak. Caan hasrdly ttype. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

Just Your Local Bisexual Disaster Andrea Mosqueda,2022-05-24 In this voice-driven young adult debut by Andrea Mosqueda, Maggie Gonzalez needs a date to her sister's quinceañera - and fast. Growing up in Texas's Rio Grande Valley, Maggie Gonzalez has always been a little messy, but she's okay with that. After all, she has a great family, a goofy group of friends, a rocky romantic history, and dreams of being a music photographer. Tasked with picking an escort for her little sister's quinceañera, Maggie has to face the truth: that her feelings about her friends—and her future—aren't as simple as she'd once believed. As Maggie's search for the perfect escort continues, she's forced to confront new (and old) feelings for three of her friends: Amanda, her best friend and first-ever crush; Matthew, her ex-boyfriend twice-over who refuses to stop flirting with her, and Dani, the new girl who has romantic baggage of her own. On top of this romantic disaster, she can't stop thinking about the uncertainty of her own

plans for the future and what that means for the people she loves. As the weeks wind down and the boundaries between friendship and love become hazy, Maggie finds herself more and more confused with each photo. When her tried-and-true medium causes more chaos than calm, Maggie needs to figure out how to avoid certain disaster—or be brave enough to dive right into it, in *Just Your Local Bisexual Disaster*.

Mehri Texts from Oman Thomas M. Johnstone, Harry Stroomer, 1999 Mehri is a South-Semitic language spoken by some 100,000 people in the far eastern governorate in Yemen and in the mountains of Dhofar in Oman. The Mehri texts in this book represent the Omani dialect. The texts are based on the fieldwork materials of the late Professor T. M. Johnstone (1924-1983), an expert in this field. The author Harry Stroomer (Leiden University, The Netherlands) is a specialist in South-Semitic and Berber languages.

Laptop from Hell Miranda Devine, 2021-11-30 As seen on Tucker Carlson Tonight! USA Today and Wall Street Journal Bestseller! The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

The Intimidation Game C.L. Stewart, 2019-12-03 Bruises heal, but broken hearts can be scarred forever..... Nikki fled South Africa to escape an abusive relationship. All she wanted was to disappear and start anew and Glasgow offered the perfect place to hide. Landing in the world of corporate espionage was the last thing Nikki had in mind. Landing in her boss's bed was certainly a step beyond. If the last year taught her anything, this is not a road she wants to travel again. Keeping her secret shame close to her chest is just as important as staying hidden. Dan has it all, or so it seems. A worldwide software empire, staff to meet his every need, and wealth beyond comprehension. He can't help wanting one more thing. Nikki. But he has secrets of his own, and secrets have a way of rearing their ugly head when least expected. Can Nikki and Dan forge a new life together, or will a love borne from secrecy be the catalyst that brings down an empire?

Cancelled Farrah Penn, 2024-03-19 With its clever snark and searing perspective, *Cancelled* is a funny, fearless novel about the realistic pitfalls and unforgettable moments high school has to offer, perfect for fans of Jenny Han and Emma Lord. Not to brag, but Brynn Whittaker is basically killing her senior year. She's got the looks, the grades, and a thriving flirt coach business that will help pay for her ultimate dream school: Stanford University. But when a highly incriminating video goes viral after the first rager of the year, Brynn finds herself at the center of a school-wide scandal of catastrophic proportions. She knows she's not the girl in the video hooking up with her former best friend's boyfriend (While wearing a banana costume, no less. Hey, points for style), but adding that to her reputation of being a serial dater, she quickly starts losing friends and customers. On top of that, the scorn she receives exposes the culture of misogyny that is rampant at her school . . . and Brynn and her three best friends are determined to take down all the haters. But as she gets closer to identifying the person in the video that got her cancelled, Brynn must decide—is exposing the girl worth losing everything she's worked so hard for? This witty, unapologetic novel by Farrah Penn boldly tackles the problematic double standards that seek to bring girls down, and shines a light on the loving, uplifting friendships that can help them make it through those brutal four years.

Enduring You S. T. Heller, 2016-07-16 Do any of us truly know the people we love and trust? Keegan Henderson married the love of her life—twice. And divorced him—twice. An intelligent and high-spirited thirty-four-year-old, Keegan finds herself once again living with her parents while juggling her duties as a mother to her preteen son and discovering who she is as a newly single woman. Her ex-husband, Will, a state police investigator working undercover, is a man with a past. His buried secrets are catching up with him, forcing their way into his present, and as a result, he chooses to deceive those he loves in order to protect them. On her journey to moving on, Keegan has a chance meeting with Jack Grady, a local firefighter, and their attraction to each other is one that neither can deny. But Jack also has baggage of his own that is proving to be too much for Keegan to handle. As their vulnerabilities are exposed, a series of unexpected events occurs, shattering lives along the way.

Valley of the Gods Alexandra Wolfe, 2017-01-10 Reporter Alexandra Wolfe's biting but admiring story of Silicon Valley, and the men and women whose hubris and ambition are changing the world. Each year, young people from around the world go to Silicon Valley to hatch an idea, start a company, strike it rich, and become powerful and famous. In "a jauntily paced anthropological look at Northern California's techtopia" (Bloomberg Businessweek), reporter and columnist for The Wall Street Journal Alexandra Wolfe follows three of these upstarts who have "stopped out" of college and real life in the hopes of becoming the next Mark Zuckerberg or Elon Musk. Meet the billionaires who go to training clubs for thirty-minute "body slams" designed to fit in with the start-up schedule; attend parties where people devour peanut butter-and-jelly sushi rolls; and date and seduce in a romantic culture in which thick glasses, baggy jeans, and a t-shirt is the costume of any sex symbol (and where a jacket and tie symbolize mediocrity). Through Wolfe's eyes, we discover how they date and marry, how they dress and live, how they plot and dream, and how they have created a business world and an economic order that has made us all devotees of them. In her blistering and hysterical examination of this new ruling class, Wolfe "offers a revealing peek inside the privilege, power, and profligacy of Silicon Valley" (Town & Country). Valley of the Gods "captures the absurdity of this brave new world, pierces the hype, but also conveys the dreams and the passions that can shape a world's economy" (USA TODAY).

Breathe Your Last Lisa Regan, 2020-11-09 Josie presses her hands into the center of the drowned girl's chest and pumps, counting off compressions. She takes in the girl's beautiful face, her brown eyes glassy. Breathe. Just breathe... The body of a young girl lying face down in a swimming pool—white tennis shoes still on her feet, chestnut hair fanned out like a halo—is the last thing Detective Josie Quinn expects to find on an early morning visit to see her brother before class at Denton University. But when she recognizes the girl's face as she drags her limp body from the

water, there’s only one question racing through Josie’s mind: how does a champion swimmer accidentally drown? Nysa Somers’ family are distraught. She was a model student, beloved daughter and everybody’s friend. There’s no way she would do anything reckless enough to put her scholarship at risk, let alone her life. It’s up to Josie and her team to piece together what happened in the hours leading up to Nysa’s death, and that begins with finding her missing backpack. But the bag, discarded in the woods on the nearby campus, contains nothing more than empty food wrappers, Nysa’s phone and a cryptic calendar entry telling her to be a mermaid. The next day, a terrible housefire envelops the nearby home of a retired fireman, nearly killing his two granddaughters. The last words the little girls heard him mutter before he set the blaze were, be a match. As the body count rises, it’s only Josie who can see the deadly pattern forming. Can she convince her team that the wrapper found in Nysa’s bag is the crucial link they’re missing? Josie knows she must go it alone if she’s going to stop this silent and calculated serial killer before any more precious lives are taken. But with the killer finally in her sights, Josie takes a dangerous risk and finds herself hanging onto life by her fingernails. Can she trust her team to save her, and before it’s too late? An unputdownable and nail-biting crime thriller from an Amazon, USA Today and Wall Street Journal bestselling author. Perfect for fans of Angela Marsons, Robert Dugoni and Rachel Caine. In the Midst Janelle Simone,2022-10-05 In life, we aren't always who we used to be, but we also aren't exactly who we're going to be. Sometimes we're somewhere in the middle, trying to make sense of it all. But that's okay because there's a lot of beauty in the journey. This is where we find Rachel. She just recently graduated from college and is off to start her fresh, new adult life. Rachel shocks everyone by choosing to chase her dream instead of playing it safe. She heads off to a brand-new city and begins her brand-new life. We follow her transition into adulthood and her discovery of purpose. Through her journey, Rachel is aligned with purpose partners and also attracts a few distractions. Unfortunately, like many of us, she isn't always able to tell the difference between the people and things that propel her towards purpose and those that deter her from it. Nevertheless, Rachel tries her best to navigate this season of transition. At the end, we take a closer look at Rachel's journey. Through this study guide, we identify all the defining moments and life lessons she had along the way. My hope is to inspire you to then look back over your own journey. Doing so will reveal to you moments and lessons you might have missed In the Midst.

Texts From Last Night Introduction

In todays digital age, the availability of Texts From Last Night books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Texts From Last Night books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Texts From Last Night books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Texts From Last Night versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Texts From Last Night books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking

for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Texts From Last Night books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Texts From Last Night books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Texts From Last Night books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Texts From Last Night books and manuals for download and embark on your journey of knowledge?
