**A Match Made for Thanksgiving** Jackie Lau,2019-10-08 A Thanksgiving rom-com with lots of food and interfering family! Advertising executive Nick Wong enjoys living in Toronto. He loves late nights partying and taking women back to his penthouse. And so it is with great reluctance that he returns to his boring hometown of Mosquito Bay for Thanksgiving. This year, however, is even worse than usual. His parents and grandparents, frustrated with the lack of weddings in the family, have invited blind dates for him and his three siblings. Nick's brother Greg has been set up with Lily Tseng, who just so happens to be Nick's latest one-night stand, the one he can't get out of his mind. Although Nick has never been interested in settling down, Lily has him reconsidering. Perhaps he's good for more than a single night of sex, dumplings, and bubble tea after all. But first, he has to get through this painful weekend with his family and convince her that she should be with him, not Greg... \* \* \* This is the first book in a series of novellas about the Wong siblings. *Patriotic Games* S. W. Pope,1997-02-27 In *Patriotic Games*, historian Stephen Pope explores the ways sport was transformed from a mere amusement into a metaphor for American life. Between the 1890s and the 1920s, sport became the most pervasive popular cultural activity in American society. During these years, basketball was invented, football became a mass spectator event, and baseball soared to its status as the national pasttime. Pope demonstrates how America's sporting tradition emerged from a society fractured along class, race, ethnic, and gender lines. Institutionalized sport became a trans- class mechanism for packaging power and society in preferred ways--it popularized an interlocking set of cultural ideas about America's quest for national greatness. Nowhere was this more evident than the intimate connection established between sport and national holiday celebrations. As Pope reveals, Thanksgiving sports influenced the holiday's evolution from a religious occasion to a secular one. On the Fourth of July, sporting events infused patriotic rituals with sentiments that emphasized class conciliation and ethnic assimilation. In a time of social tensions, economic downturns, and unprecedented immigration, the rituals and enthusiasms of sport, Pope argues, became a central component in the shaping of America's national identity.

**Requiem for a Classic Second Edition** Thurman W. Robins, Ed.D.,2015-12-11 In the era when segregation and Jim Crow laws ruled the land, The Turkey Day Classic was created. The event prospered from 1927 to 1966. Newspaper accounts describe the classic between Jack Yates and Phillis Wheatley High Schools as the largest annually attended schoolboy game in America. Fans came dressed to kill to witness the game and the glorious halftime activities. Marching bands, drill squads, and other performing groups gave eloquent entertaining performances during halftime. However, the crowning of the schools queens were the highlights of halftime. Game summaries, team lineups, and editorial comments by the author are presented.

**A Game That Forged Rivals** Mark C. Bodanza,2009-08 From their founding, the Massachusetts communities of Leominster and Fitchburg have shared the same river. More than that, they have long shared a special football competition that has sometimes spilled beyond the field. Author and

historian Mark Bodanza captures the human drama of one of the nation's oldest football rivalries; the high schools of Leominster and Fitchburg have met on the gridiron for 114 years. Compiled from newspaper articles, school yearbooks, game programs, eyewitness accounts, letters, photos, and archival records, he not only chronicles the development of football from its earliest days, but also tells the story of two communities that saw, in football, a way to grasp civic pride.

**The Charity Game** Timothy L. Hudak, 2002 A history of Cleveland, Ohio high school football from 1890-1970, focusing on the city championship game called The Charity Game, which was played from 1931-1968.

**Baseball in San Diego** Bill Swank, San Diego Historical Society, 2005-05-11 Baseball in San Diego: From the Plaza to the Padres, takes the reader on a seven-decade journey from Horton Plaza, the site of San Diego's first base ball game in 1871, to lower Broadway and the future home of Lane Field. Before the Pacific Coast League, San Diego had three Class D teams. One was the Bears, whose frustrated owner Dick Cooley complained, I don't believe they'll make baseball pay here in a thousand years. With America's finest year-round climate, barnstorming and black baseball were popular attractions. Rube Foster's Chicago American Giants practically lived in San Diego in the winter of 1913. All the while, there were constant struggles between the forces of amateur and professional baseball for players, diamonds, and sports coverage.

**Walter Camp and the Creation of American Football** Roger R Tamte, 2018-07-25 Walter Camp made the development of football--indeed, its very creation--his lifelong mission. From his days as a college athlete, Camp's love of the game and dedication to its future put it on the course that would allow it to seize the passions of the nation. Roger R. Tamte tells the engrossing but forgotten life story of Walter Camp, the man contemporaries called the father of American football. He charts Camp's leadership as American players moved away from rugby and for the first time tells the story behind the remarkably inventive rule change that, in Camp's own words, was more important than all the rest of the legislation combined. Trials also emerged, as when disputes over forward passing, the ten-yard first down, and other rules became so public that President Theodore Roosevelt took sides. The resulting political process produced losses for Camp as well as successes, but soon a consensus grew that football needed no new major changes. American football was on its way, but as time passed, Camp's name and defining influence became lost to history. Entertaining and exhaustively researched, *Walter Camp and the Creation of American Football* weaves the life story of an important sports pioneer with a long-overdue history of the dramatic events that produced the nation's most popular game.

**Thanksgiving** Rachel Grack, 2017-03 Often called Turkey Day, Thanksgiving is a scary time to be a gobbler. The bird is often at the center of the celebration, but unfortunately in the center of the table for feasting. In this title, young readers will learn about the President's annual turkey pardon and other fun Thanksgiving facts.

**Reading Football** Michael Oriard, 2000-11-09 Is football an athletic contest or a social event? Is it a game of skill, a test of manhood, or merely an organized brawl? Michael Oriard, a former professional player, asks these and other intriguing questions in *Reading Football*, the first contemporary book about football's formative years. American football began in the 1870s as a game to be played, not watched. Within a brief ten years, it had become a great public spectacle with an immense following, a phenomenon caused primarily by the voluminous commentary about the game conducted in popular newspapers and magazines. Oriard shows how this constant narrative in football's early years developed many different stories about what the game meant: football as pastime, as the sport of gentlemen, as a science, as a game of rules and their infringements. He shows how football became a series of cultural stories about power, luck, strategy, and deception. These different interpretations have been magnified by football's current omnipresence on television. According to Oriard, televised football now plays a cultural role of enormous importance for men, yet

within the field of cultural studies the influence of football has been ignored until now. From the book: A receiver sprints down the sideline, fast and graceful, then breaks toward the middle of the field where a safety waits for him. From forty yards upfield the quarterback releases the ball; it spirals in an elegant arc toward the goalposts as the receiver now for the first time looks back to pick up its flight. The pass is a little high; the receiver leaps, stretches, grasps the ball--barely, fingers clutching--at the very moment that the safety drives a helmet into his unprotected ribs. The force of the collision flings the receiver backward, slamming him to the turf. . . . This familiar tableau, this exemplary moment in a football game, epitomizes the appeal of the sport: the dramatic confrontation of artistry with violence, both equally necessary.

*Swarm of Five* Francis DiPietro, 2006-08 Stories in *Swarm of Five* stand in complimentary contrast to one another, united by an arc of succulent imagery and memorable characters. From the wild, chaotic, wry and politically apocalyptic overtones of *Beat Me Sweetly*, *Heavy Jesus* to the subtle complexities of retelling the life of an unknown hero in *Legacy of a Teacher*, DiPietro strives to capture a diverse sampling from the borderlands of storytelling. The pseudo-autobiographical parody of *Groveling Music: The Soundtrack to My Remarried Life* presents the most engaging glimpse yet into the mind of this longtime author and veteran of the final age of pulp magazines, with DiPietro escaping to a park in Texas for six days while his new wife, half his age, goes to a resort spa to pamper herself at his expense. Insecurities and bawdy reminiscences abound as DiPietro, aging and rueful of his diminishing sexual prowess, travels the lonely spaces of America in deep thought and strange mood. Shorter works of *The Dojo Demon* and *When Pickpockets Collide* are experimental and wide-ranging psychological fantasies which explore the oft-dirty and unenviable depths of human machination. *Swarm of Five* accomplishes the difficult task of offering engaging tales in a spectrum of tastes and textures.

Tales in this anthology range wide in time, topic, and mood, yet all celebrate a spirit that is uniquely Western. *Baltimore Sports* Daniel A. Nathan, 2016-08-01 To read a sample chapter, visit [www.uapress.com](http://www.uapress.com). Baltimore is the birthplace of Francis Scott Key's "The Star-Spangled Banner," the incomparable Babe Ruth, and the gold medalist Michael Phelps. It's a one-of-a-kind town with singular stories, well-publicized challenges, and also a rich sporting history. *Baltimore Sports: Stories from Charm City* chronicles the many ways that sports are an integral part of Baltimore's history and identity and part of what makes the city unique, interesting, and, for some people, loveable. Wide ranging and eclectic, the essays included here cover not only the Orioles and the Ravens, but also lesser-known Baltimore athletes and teams. Toots Barger, known as the "Queen of the Duckpins," makes an appearance. So do the Dunbar Poets, considered by some to be the greatest high-school basketball team ever. Bringing together the work of both historians and journalists, including Michael Olesker, former Baltimore Sun columnist, and Rafael Alvarez, who was named Baltimore's Best Writer by Baltimore Magazine in 2014, *Baltimore Sports* illuminates Charm City through this fascinating exploration of its teams, fans, and athletes.
