**The Adventure of Wisteria Lodge** Arthur Conan Doyle,2015-02-23 My dear Watson, you know how bored I have been since we locked up Colonel Carruthers. My mind is like a racing engine, tearing itself to pieces because it is not connected up with the work for which it was built. Life is commonplace, the papers are sterile; audacity and romance seem to have passed forever from the criminal world. Can you ask me, then, whether I am ready to look into any new problem, however trivial it may prove? But here, unless I am mistaken, is our client. A measured step was heard upon the stairs, and a moment later a stout, tall, gray-whiskered and solemnly respectable person was ushered into the room. His life history was written in his heavy features and pompous manner. From his spats to his gold-rimmed spectacles he was a Conservative, a churchman, a good citizen, orthodox and conventional to the last degree. But some amazing experience had disturbed his native composure and left its traces in his bristling hair, his flushed, angry cheeks, and his flurried, excited manner. He plunged instantly into his business.

Holmes had received a telegram while we sat at our lunch, and he had scribbled a reply. He made no remark, but the matter remained in his thoughts, for he stood in front of the fire afterwards with a thoughtful face, smoking his pipe, and casting an occasional glance at the message. Suddenly he turned upon me with a mischievous twinkle in his eyes.
