The Happiest Kid Sarah Bagley Steele,2022-03-15 What's the happiest kid supposed to do when she wakes up not feeling happy? A reassuring picture book debut about recognizing sadness and talking about big feelings. Sally is usually the happiest kid. She wakes up every morning with a bright sun shining over her bed, and she knows it's going to be a good day. But one day she wakes up feeling different and there's a gloomy cloud hanging over her instead. She doesn't know why it's there, but she doesn't want anyone to see it--not her parents, not her teacher, and not her friends--so she hides it away. But as the day goes on, the cloud grows too big and heavy for her to carry, and Sally must find the courage to let it out. In this sweet story, Sarah Bagley Steele, Elsa Pu Si Lo, and Clarice Cai offer a gentle reminder that everyone feels sad sometimes, and that's okay.

infamous warlord in the second book of the Wraith Squadron series, the companion to the hit Rogue Squadron series. This time, Wedge Antilles sends them in to stop the warlord Zsinj and his Super Star Destroyer, Iron Fist. If Zsinj joins the Empire, it could turn the tide of war against the Rebels. The Wraith Squadron's mission: infiltrate the warlord's fleet and uncover his carefully guarded plans. To do so, they must pose as ruthless pirates seeking to join Zsinj's forces. And that means first becoming pirates in space lanes teeming with Imperial navy patrols. If that isn't enough to get them killed, they'll have to pass one last test—a suicide mission for Zsinj. Mahavira Manoj Jain, 2014 Imagine a world where no one gets hurt, a world where no one is teased or bullied, a world where there is no fear or anger. Six centuries before the birth of Jesus, in the faraway land of India, there lived a great spiritual teacher name Mahavira (which means "very brave"), who imagined just such a world. He showed kindness to every living being and emphasized the practice of nonviolence, compassion, and forgiveness. The religion of Mahavira was called Jainism. Mahavira was born a prince, but because he had such deep love and respect for all living creatures, he renounced his wealth and power to become a wandering monk. The Jain teachings of Mahavira became very popular. He taught three important lessons: that one should have love and compassion for all living things; that one should not be too prideful of one's own point of view because the truth has many sides; and that one should not be greedy and should avoid attachment to possessions. Today Jainism has more than 10 million adherents throughout the

world. In following the example of Mahavira, Jains practice a vegetarian diet and are committed to sound ecological and environmental practices. Mahavira's lessons on nonviolence and compassion still have a profound impact around the globe, and he is credited with influencing Mahatma Gandhi, who in turn inspired Martin Luther King, Jr. Beautifully brought to life by the delicate paintings of Demi and the powerful yet simple narrative of nationally recognized writer, Manoj Jain, the story of Mahavira's life will provide a shining example of how one spiritual teacher's noble ideals can echo throughout the ages.

She's gifted her home to her newlywed grandson, who just happens to be a police officer. She convinces him to look into what she heard. At first, Tim Dewitt's unofficial investigation doesn't yield much. Possibly a young college student, Lisa Collins, has disappeared. She was overheard arguing with someone. No body has turned up, however. Tim's left wondering how Lisa could afford a house. But when a neighbor with a grudge against Lisa turns up dead, Tim knows what his grandmother heard was murder.
