The Two Gods in the Bible Andrew Scrima,2018-02-23 This book, The Two Gods in the Bible, is designed and intended to spark and spur the interest of an individual, encourage the intuitive investigative prowess of even the most rudimentary reader to discover and realize the true teachings found and bound within the Bible, and to reveal the secrets and mysteries hidden in between the lines. Not one contemporary or conventional denomination conforms to a strict biblical interpretation, so were left to our own imagination and the infantile illustrations that mainstream media has supplied for decades. Unfortunately, they have been conscientiously consistent with only adhering to and tendering fairy tale versions of the alleged real-life stories details and entailed within. All of which are, in most cases, very far from the truth, according to the Bible. This book exposes the deception thats been conflated by well-meaning but misguided ministers, clarifies the contradictory ambiguity pervaded by the various denominations, and reveals Satans so-called deep secrets actually mentioned in Rev. 2:24.

The God of the Bible Vol. 1 Rev. Leo Kuykendall,2019-05-01 This book will let you see God in all his attributes—his greatness, his holiness, his love, his forgiveness, his power, and his judgment.

The Five Gods of the Bible Helgard Müller,2020-06-25 God in Heaven and the LORD on the Earth This book will captivate you as soon as you begin to see the five Gods in the Bible. The Hebrew Bible is written in allegories to differentiate God in heaven from the LORD on the earth. Moses mentions God and the four different LORDS (Yahwehs) on earth in the book of Exodus. Jesus illustrates these five different deities in depth throughout His parables, and so do the prophets Daniel and Enoch, as well as the Psalms. Jesus gave several distinctions to differentiate the Son of God from the Son of Man, and that these two Sons have their own monarchy. The ancient writers of the Hebrew scriptures gave certain continuously characteristic clues to differentiate God in heaven from the LORD on earth--for instance, that God in heaven lives in His palace among women, whereas the LORD on the earth lives in His temple among men. Literally hundreds of scriptures throughout the Bible mentions the four different LORDS on the earth, whereas God is in heaven. As soon as you start studying the Torah, the five books of Moses, and all the prophets, you will see that the entire Bible is written in a secret royal language to explain the five Deities and their kingdoms. This book will challenge your views on and opinions about the Bible forever, and you will find that these scriptures are not actually religious texts per se, but that the Hebrew scriptures, in fact, explain in depth the five different Gods and the two main monarchies.

Did Moses Exist? D. M. Murdock,Acharya S,2014 The biblical figure of Moses has been the center of fascination for over 2,000 years, but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other, older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? What does the focus on the serpent in his story signify? Who were Yahweh and the Elohim? Did Moses Exist? includes: Maps and 126 illustrations Extensive bibliography, table of contents and index Hundreds of footnotes and citations from primary sources in multiple languages Best modern scholarship from credentialed authorities Did Moses Exist? provides a massive amount of information from antiquity about the world's religious traditions and mythology, including how solar myths, wine cultivation and fertility cults have shaped the Bible and Judaism. This book may be the most comprehensive study to date, using the best scholarship and state-of-the-art research methods. The existence of Moses as well as the veracity of the Exodus story is disputed amongst archaeologists and Egyptologists, with experts in the field of biblical criticism citing logical inconsistencies, new archaeological evidence, historical evidence and related origin myths in Canaanite culture. --Moses, Wikipedia There is no historical evidence outside of the Bible, no mention of Moses outside the Bible, and no independent confirmation that Moses ever existed. --Dr. Michael D. Coogan, lecturer on the Old Testament at Harvard Divinity School We cannot be sure that Moses ever lived because there are no traces of his earthly existence outside of tradition. --Egyptologist Dr. Jan Assmann, Moses the Egyptian The life of Moses contains elements--canonical and apocryphal--that mark him as a true mythic hero, and certainly he is Judaism's greatest hero and the central figure in Hebrew mythology. --Dr. David Leeming, The Oxford Companion to World Mythology ...the stories of the creation, of the flood, of Abraham, of Jacob, of the descent into and the exodus from Egypt, of the career of Moses and the Jews in the desert, of Joshua and his soldiers, of the judges and their clients, are all apocryphal, and were fabricated at a late period of Jewish history. --Dr. Thomas Inman, Ancient Faiths and Modern Table of Contents List of Illustrations Preface Introduction Who Wrote the Pentateuch? Was Moses an Egyptian Pharaoh or Priest? The Exodus as History? The Exodus in Ancient Literature Hyksos and Lepers Who Were the Israelites? The Exodus as Myth The Lawgiver Archetype The Dionysus Connection The Life of Dionysus The Vine and Wine The Great God Sun Yahweh and the Sun Moses as Solar Hero Conclusion Bibliography Index

The Gospel according to God John MacArthur,2018-02-20 “He was pierced for our transgressions; he was crushed for our iniquities; upon him was the chastisement that brought us peace, and with his wounds we are healed.”

Isaiah 53:5 Often hailed as one of the greatest chapters in the Bible, the prophecy of the suffering servant in Isaiah 53 foretells the crucifixion of Jesus, the central event in God’s ultimate plan to redeem the world. This book explains the prophetic words of Isaiah 53 verse by verse, highlighting important connections to the history of Israel and to the New Testament—ultimately showing us how this ancient prophecy illuminates essential truths that undergird our lives today.

The Great Doctrines of the Bible William Evans,2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology. This is evident from the plan which is followed in the work, namely, to gather together all the Scripture passages dealing with the subject under consideration, and from them choose a required number that may be called representative; then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages; and finally, from the selected proof-texts, formulate the doctrinal teaching, and place such results under appropriate headings. The doctrines of God, Jesus Christ, and the Holy Spirit are more fully dealt with than the doctrines which follow. This is especially true of the doctrine of God. The reason for this is to set forth the method pursued in these studies, and to give a pattern for the study of the doctrines to follow. (William Evans, The Great Doctrines of the Bible)

The Holy Bible in Its Original Order God's Words in Red Bob Barney,2018-07-20 This 5th Volume (The New Testament) of the 5 Volume Holy Bible with God's words in RED in both the Old Testament and New is dedicated to the one true God, who are the Father and The Word and their love for all of us. Most do not understand that the God who spoke to Adam and Eve, Noah, Abraham, and actually in every instance in the Old Testament was the God who would become Jesus Christ! The Father God is not who spoke I am who I am. That was Jesus! We have many red letter bibles with Christ's words in RED in the New Testament, but nobody has written one with Christ's words in Red in the Old Testament. By doing so, God's Bible comes alive and we realize that the God who wrote the Ten Commandments was Jesus, and that he in no ways came to earth to do away with them! When you see the words in Red in the Old Testament, you will have another picture of Jesus, known in Hebrew as Yeshua, or Joshua. You will see Jesus in the Old Testament order the DEATH of Sabbath breakers, women and children, and even babies! Yes, you will see that the Jesus you have been taught is a fake Christ, and not the God you should know, understand and obey!
