Chaser Charity Ferrell,2021-05-18 Things I never thought would happen: Meeting my boyfriend’s secret wife. Finding out I’m pregnant with his baby. Pretending my best friend is the father. In public, we fake a relationship. In private, we try not to fall in love. The more we pretend, the more we forget it’s only temporary. If only we had known it would change everything.

The Chaser Jeff Tilden,2018-01-18 Everyone has a story as sojourners in this life. The story isnt always easy. It can be tough, chaotic, and sometimes just outright dark. However, it can also be beautiful and a partial reflection of the glory that awaits with the Father. This tale shows the balance of lifes darkness and beauty. Ultimately, it is a story of hope and a story of love. The Chaser follows the narrative of Julius Talbot, a young college student with aspirations of becoming a filmmaker. Julius feels like he has been haunted by bizarre nightmares his entire life. As he gets older, his dreams begin to say something to him. He begins to believe that his nightmares are actually showing him real-life events. As a committed Christian, Julius makes the connection of his dreams to spiritual warfare. His journey takes some trying turns when he befriends Dexter McKay, an elite college quarterback. Dexter is also haunted by something unseen. Always feeling compelled to go out of his way to help others, Julius is plunged into some dark times after he meets Dexter.

The Chaser Dale Rice,2001-08 Dream time: The era doesn’t matter because it’s all the same. My evaluations could have been wrong. Where is the wisdom? They say there is a time for war but most want peace. Happiness was always denied. They test me too often. Bears and tigers own the night. Wealth and honor is desired. In this evil world I search for knowledge. Survival requires good health and strength. Laughing fools are to be avoided as they study weapons of destruction. They appear to deny or are unaware of eternity. It’s a balance between duty and morality. Wickedness rules the earth. Danger is ever present and I’m cognizant of my morality but fear can destroy, courage is necessary.

A Twin Flame Runner's Return to The Chaser SILVIA MOON,2024-03-13 Before I begin this simple book, I would like to ask every Twin Flame runner reading it to take a deep breath. Relax — this book is here to help you figure out how to make your way back to your divine partner.I understand how confusing it is when you are trying to make sense of this Twin Flame journey. I know how stressful it gets when you do not know how to stop the running and chasing cycle. For me, I denied being the runner at first. I thought that I had a choice in the matter. I was scared of labeling myself as the runner because of the negativity that most Twin Flames associate with it. I labeled myself as the chaser. The Twin Flame journey is divinely guided. You learn that it does not matter if you label yourself as the chaser or the runner. You go through a series of changes that transform you from the inside to the outside. Not so much information is shared about the runner Twin Flame; the runner experiences are very challenging and complicated to put into perspective if you are running. With the mere fact that you feel an inner resistance to feeling the love connection, you try to deny the nature of your experiences. Before you accept your Twin Flame experiences as a runner, you try to disguise how you feel in many exotic ways. You believe that you are smarter — you think that you can get away with escaping the love connection by blocking your partner. When I ran from my Twin Flame, I did very many embarrassing things to forget him. I wanted to stop feeling the connection. I masked the pain of missing him by trying to surround myself with as many people as I could. I still felt lonely. I felt a void within me. The more I tried to hide from my Twin Flame behind other people and meaningless relationships, the more I was reminded of him. I could not stop thinking of him. I used to tell myself that at some point the connection would fade. I found comfort in the thought that his absence would make me forget him. There were days when I blocked thoughts of him. I would consciously divert my thoughts away from him. It did not last long — I would switch back to thinking of him without realizing it. Apart from feeling connected to my Twin Flame to infinity, I dream of him in some form. Even though a dream is unrelated to him, I feel his energy with me while I sleep. A part of him is in me as much a part of me is with him. In this book, I would like to share with you my honest perspective of being the runner in Twin Flame relationships. Even though you are the Chaser, when you have an honest perspective of the runner after reading this book, you will grow more empathy for your divine lover. You seek forgiveness — you focus on helping each other heal instead of having judgment and criticism. When love is real, your hearts are always summoning each other for a reunion. You feel the magnetism. You feel the oneness. You know deep within you that you are loved by someone out there. Your heart is always signaling you through palpitations — you are always in each other’s minds. Instead of running from unconditional love, I would like to use this simple book to guide you back home — to your Twin Flame. I would like to help you confront your fears; to accept the overwhelming uncomfortable feelings. I also share tips on how I learned to embrace vulnerable feelings. I felt exposed to my Twin Flame and disarmed. Your life will never be the same again. Enjoy this simple book.

The Man Who Caught the Storm Brantley Hargrove,2019-04-02 The saga of the greatest tornado chaser who ever lived: a tale of obsession and daring and an extraordinary account of humanity’s high-stakes race to understand nature’s fiercest phenomenon from Brantley Hargrove, “one of today’s great science writers” (The Washington Post). At the turn of the twenty-first century, the tornado was one of the last true mysteries of the modern world. It was a monster that ravaged the American heartland a thousand times each year, yet science’s every effort to divine its inner workings had ended in failure. Researchers all but gave up, until the arrival of an outsider. In a field of PhDs, Tim Samaras didn’t attend a day of college in his life. He chased storms with brilliant tools of his own invention and pushed closer to the tornado than anyone else ever dared. When he achieved what meteorologists had deemed impossible, it was as if he had snatched the fire of the gods. Yet even as he transformed the field, Samaras kept on pushing. As his ambitions grew, so did the risks. And when he finally met his match—in a faceoff against the largest tornado ever recorded—it upended everything he thought he knew. Brantley Hargrove delivers a “cinematically thrilling and scientifically wonky” (Outside) tale, chronicling the life of Tim Samaras in all its triumph and tragedy. Hargrove takes readers inside the thrill of the chase, the captivating science of tornadoes, and the remarkable character of a man who walked the line between life and death in pursuit of knowledge. *The Man Who Caught the Storm* is an “adrenaline rush of a tornado chase...Readers from all across the spectrum will enjoy this” (Library Journal, starred review) unforgettable exploration of obsession and the extremes of the natural world.
