Surfing Adventures of the '60s '70s and Beyond. Andy Forsyth,2009-02-01 Author's Note The premise of this book is to give the reader a glimpse into what it was like to be a young surfer in the 60s and early 70s. These are the stories of what happened to my surfing buddies and me but more importantly they are the stories of the everyday surfer, the guys and gals who were out there going to the beach enjoying being young and living the lifestyle of that time period. Everyone who surfed or went to the beach has similar stories to tell. Over the years I've shared my surfing stories with people and listened to numerous stories as well. These are our adventures, experiences and the crazy things we did. The front and back cover design was done by Garry Birdsall of Australia. He was a top touring competitive surfer during the 60s, 70s and 80s in Australia and competitions around the world. He was the first person ever to do Air Brush artwork on a surfboard. And now it is about the only way boards are designed. I was born and raised in Pomona, Southern California during the 50s, 60s and early 70s. I always enjoyed going to the beach on our family trips and vacations and would sometimes notice people standing up on large boards while being pushed along on the water. It looked like fun but I didn't really know what they were doing because I was too young. Eventually when I understood that what they were doing was surfing I became interested in it and was hoping to one day give it a try. The 60s ushered in the beach and surfing music by the Beach Boys, Jan & Dean and numerous other groups. The music along with all the beach and surfing movies of the time only helped to spark our interest in surfing. By the mid 60s I finally got a chance to try my hand at surfing while on a beach trip with some friends and found out it wasn't as easy as they made it look. After countless hours of determination, many wipeouts I finally stood up and caught my first wave. Even though it was the soupy white water it still felt pretty neat. After that I couldn't get enough. I'd go as often as I could especially on nice weekends and during the summer. Then a group of guys at school were talking about going to the beach to go surfing and so one day we all went on our first surfing trip together. The title of the book Surfing Adventures of the 60s, 70s and Beyond refers to our adventures, experiences, misadventures and the wild, crazy and funny things that happened to us during the 60s and early 70s when we were going to the beach and surfing. The part and Beyond refers to not only a few other time periods and places other than Southern California but a few funny things that happened that had nothing to do with surfing. Music was an important ingredient in the surfing experience especially Beach and Surfing Music. A few of the lyrics of these surfing songs have been inserted throughout the book, including a few instrumentals. (But you'll have to use your imagination to hear the music for these though.) While in High School I began writing poetry and have written about 300 poems over the years. Some of the poems have been about the beach or surfing. I've included about 20 of these poems throughout the book as well. This book has been a lot of fun to write and I'm very pleased to share these stories and our adventures with you and I hope you enjoy them. I'm also hoping to put together another surfing book with your help. So if you have any funny, crazy interesting or hair raising stories that you've told over the years and would like to share with others then send them too me. I'd love to hear from you, as I've mentioned in other parts of the book. Send your stories to me at: alf000777@yahoo.com. Everyone who sends in their stories, if it is used, will receive full credit, acknowledgement and compensation (to be determined later) for their stories and will

retain the rights to reuse their stories as they see fit. I believe there are a lot of people out

North Shore Chronicles Bruce Jenkins,2005-08-05 In this memorable account of 17 trips he made to Hawaii's North Shore starting in 1974, Bruce Jenkins, considered the Kerouac of surf writers, profiles the area's elite, the superstars who live to conquer Hawaii's deadliest waves. Deep in the Wave Bear Woznick,2012-07-10 For world-class surfer Bear Woznick, the ocean has always been the center of his universe. He's spent his entire life with it; riding its waves, learning from it, loving it. The ocean also nourishes the soul as Bear shows us on his surfboard. In DEEP IN THE WAVE, readers ride along with Woznick through the calmest of tides and most turbulent waves. Woznick's portrayal of the beauty and power of the ocean is truly inspiring and showcases the profound meaning surfing has had on his life. From the way a surfboard is painstakingly crafted, to the faith and patience that is required to ride a monster wave, Woznick weaves his relationship to surfing with his relationship to God, relating how the two are often one in the same. Instead of standing on the shore with our toes in the surf, Woznick takes us on the board--to the deep water--to watch and wait--and, if need be, to paddle hard to survive.

Crazy for the Storm LP Norman Ollestad,2009-06-02 From the age of three, Norman Ollestad was thrust into the world of surfing and competitive downhill skiing by the charismatic father he both idolized and resented. These exhilarating tests of skill prepared Boy Wonder, as his father called him, to become a fearless champion—and ultimately saved his life. Flying to a ski championship ceremony in February 1979, the chartered Cessna carrying Norman and his father crashed into the San Gabriel Mountains. Dad and I were a team, and he was Superman, Ollestad writes. But now Norman's father was dead, and the devastated eleven-year-old had to descend the treacherous, icy mountain alone. Set amid the spontaneous, uninhibited surf culture of Malibu and Mexico in the late 1970s, this riveting memoir, written in crisp Hemingwayesque prose, recalls Ollestad's childhood and the magnetic man whose determination and love infuriated and inspired him—and also taught him to overcome the indomitable. As it illuminates the complicated bond between an extraordinary father and his son, Ollestad's powerful and unforgettable true story offers remarkable insight for us all.

Fierce Heart Stuart Holmes Coleman,2009-04-28 Fierce Heart is the biography of a community and a portrait of its people. Although Makaha is a small, isolated town on the Western coast of Oahu, it has produced some of the most intriguing Hawaiians of the twentieth century: world-class surfers Buffalo Keaulana and his sons Rusty and Brian; beautiful skin diver and surfing pro Rell Sunn; and larger than life singer and songwriter Israel Kamakawiwo'ole. What connects them is a love for their culture, their people, and various kinds of water sports. Fierce Heart combines stories of exciting big wave surfing competitions, dramatic water rescues, deep friendships, and touching family portraits with a look at the history and origins of one of the world's most thrilling extreme sports.

Wave Woman Vicky Heldreich Durand,2020-04-07 Wave Woman is the untold story of an adventurer whose zest for life and learning kept her alive for ninety-eight years. Betty Pembroke Heldreich Winstedt was the granddaughter of Mormon pioneers who, after spending an active and athletic childhood in Salt Lake City, moved to Santa Monica with her family and enrolled at USC to study dental hygiene. Betty went on to elope with a man she hardly knew, and to have two daughters. In middle age, Betty finally followed her dream of living near the ocean; she moved to Hawaii and, at age forty-one, took up surfing. She lived and surfed at Waikiki during the golden years of the mid-1950s and was a pioneer surfer at Makaha Beach. She was competitive in early big-wave surfing championships and was among the first women to compete in Lima, Peru, where she won first place. Betty was an Olympic hopeful, a pilot, a mother, a sculptor, a jeweler, a builder, a fisherwoman, an ATV rider, and a potter who lived life her way, dealing with adversity and heartache on her own stoic terms. A love letter from a daughter to her larger-than-life mother, Wave Woman will speak to any woman searching for self-confidence, fulfillment, and happiness.
