Puppy Pal Pointers Pamela J. Wilson, 2005-03-13 Although technically puppies are young dogs, *Puppy Pal Pointers: From the True Tails of Ripple and Jessie* relates to dogs of all ages. The book consists of subjects that are pertinent to every devoted owner, including caring for, treating, understanding, treasuring, bonding with, and grieving for your cherished dog, plus tips on pet care for kids. Topics pertaining to dog care and responsible ownership are covered, such as parasite control, hygiene, overpopulation concerns, relationships with cats, the human-animal bond, pet loss, and the grief process. *Puppy Pal Pointers* is different from other books on pet care because it is told through the sage eyes of two beloved dogs (as shared with Pamela J. Wilson), including one who fearlessly faced life's challenges with only three legs. Endearing pictures of them in various activities, along with photos of their precious canine and feline peers, are used to accentuate points. The wise teachings of charming fictional friends, both furry and feathered, can be found in the following children's books, which were written by the person who belongs to Ripple and Jessie: *Tales From Tumblewood: A Duck For All Seasons* and *Tales From Tumblewood Too: Miss Duck to the Rescue*.
