

The Great India

Vikas Khanna

The Great Indian Novel Shashi Tharoor, 2011-09-01 In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

The Great Indian Middle Class Pavan K. Varma, 2007 [An] Erudite, Thoughtful, Perceptive And Elegantly Written Study -Hindustan Times In This Powerful And Insightful Critique, The Author Examines The Evolution Of The Indian Middle Class During The Twentieth Century, Especially Since Independence. He Shows Us How The Middle Class, Guided By Self-Interest, Is Becoming Increasingly Insensitive To The Plight Of The Underprivileged, And How Economic Liberalization Has Only Heightened Its Tendency To Withdraw From Anything That Does Not Relate Directly To Its Material Well-Being. An Essential Read, This Fresh Edition Updated With A New Introduction Analyses The Transformation Of The Middle Class In The Decade Since 1997 And Seeks To Reconcile The Seemingly Dichotomous Aspects Of Our Economy And Polity.

The Great Indian Dream Malay Chaudhuri, Arindam Chaudhuri, 2003 This book analyses not only the basic impediments in India's march to glory but has also made an attempt to identify budgetary resources to end the poverty of the masses. The book is the manifestation of a dream and the transformation of this dream into

The Great Indian Patriots P. Rajeswar Rao, 1991

The Great Indian Way Raja Rao, 2004 This Book Offers Fresh, Important Perspectives On Mahatma Gandhi's Life And Gandhism. The Focus Is Specially On Gandhiji's South African Days. Gandhism Touched The Very Nerve Centre Of The British Empire And Within Fifty Years Catalysed The Political Transformation Of India And The World. In South Africa Too It Was That Gandhi Sought The Right Way To Live And Experimented With All That He Later Practised Both In His Public And Private Life. Raja Rao Weaves Together The Whole Chronicle In Epic Dimensions - In Vigorous, Rhythmic, Moving Cadences, Uncovering Hidden Meaning In An Aside Here, A Parable There Unfolding The Mahatma's Life And The Meaning Of Gandhism On A Vast Canvas.

The Great Indian Phone Book Assa Doron, Robin Jeffrey, 2013-04-02 In 2001, India had 4 million cell phone subscribers. Ten years later, that number had exploded to more than 750 million. Over just a decade, the mobile phone was transformed from a rare and unwieldy instrument to a palm-sized, affordable staple, taken for granted by poor fishermen in Kerala and affluent entrepreneurs in Mumbai alike. The Great Indian Phone Book investigates the social revolution ignited by what may be the most significant communications device in history, one which has disrupted more people and relationships than the printing press, wristwatch, automobile, or railways, though it has qualities of all four. In this fast-paced study, Assa Doron and Robin Jeffrey explore the whole ecosystem of the cheap mobile phone. Blending journalistic immediacy with years of field-research experience in India, they portray the capitalists and bureaucrats who control the cellular infrastructure and wrestle over bandwidth rights, the marketers and technicians who bring mobile phones to the masses, and the often poor, village-bound users who adapt these addictive and sometimes troublesome devices to their daily lives. Examining the challenges cell phones pose to a hierarchy-bound country, the authors argue that in India, where caste and gender restrictions have defined power for generations, the disruptive potential of mobile phones is even greater than elsewhere. The Great Indian Phone Book is a rigorously researched, multidimensional tale of what can happen when a powerful and readily available technology is placed in the hands of a large, still predominantly poor population.

The Greater India Experiment Arkotong Longkumer, 2020-12-01 The assertion that even institutions often viewed as abhorrent should be dispassionately understood motivates Arkotong Longkumer's pathbreaking ethnography of the Sangh Parivar, a family of organizations comprising the Hindu right. The Greater India Experiment counters the urge to explain away their ideas and actions as inconsequential by demonstrating their efforts to influence local politics and culture in Northeast India. Longkumer constructs a comprehensive understanding of Hindutva, an idea central to the establishment of a Hindu nation-state, by focusing on the Sangh Parivar's engagement with indigenous peoples in a region that has long resisted the idea of India. Contextualizing their activities as a Hindutva experiment within the broader Indian political and cultural landscape, he ultimately paints a unique picture of the country today.

The Great Indian Fraud Smarak Swain, 2020-12-28 How do tax havens and syndicates running shell companies help fraudsters escape the long arm of the law? How does the ambiguity of valuation in the start-up ecosystem increase its vulnerability to corporate fraud? How are manufacturers and exporters from China exploiting India's Free Trade Area (FTA) with other countries to dump goods at artificially low prices in the Indian market? What challenges does the Belt and Road Initiative (BRI) of China pose for regulators of India? Why do people fall for Ponzi and pyramid schemes again and again? Serious frauds affect society and economy in damaging ways, belittling the common man's trust in the system. Yet, barely do we understand how these affect our lives. A first-of-its-kind, *The Great Indian Fraud* reveals how all such frauds result from the manipulation of complex financial transactions, involving simple mathematics and tricks, to deceive regulators, enforcers, business partners and customers. Drawing on his experience in the fields of forensic audit and financial investigation, author Smarak Swain explains the modus operandi behind some of the most notorious cases of fraud-Haridas Mundhra, Jayanti Dharma Teja, Harshad Mehta, Ketan Parekh, Hasan Ali Khan, B. Ramalinga Raju, Nirav Modi, Vijay Mallya, Nirmal Singh Bhangoo and many more-narrating the rise and fall of the greatest fraudsters of our times. Informative and skilfully narrated, *The Great Indian Fraud* is a must-read to understand how frauds happen, how law enforcement agencies handle crises, the sectors that witness maximum frauds as well as the emerging sectors that are at high risk.

The Temple Road Towards a Great India Marta Kudelska, Dorota Kamińska-Jones, Agnieszka Staszczyk, Agata Świerzowska, 2019-11-30 This book presents an analysis of the foundations organised by the Birla family in India. Several generations were involved in the renovation and establishment of sanctuaries, temples and other sacral buildings. As a result, between 1933 and 1998, nineteen Birla Mandirs were established, mainly in northern and central India. All the temples have the capacity to surprise with their various decorative motifs, not seen in other places, which – apart from their aesthetic function – above all bear important symbolic content. Therefore, is it possible to treat the Birla Mandirs as a specific medium – the carrier of a particular message that is not only religious, but with a significance that permeates other layers of social and political discourse. This message, as the authors of the book claim, have a bearing on the socio-political thought of India – supported by the creation and propagation of ideas related to identity and a national art. It also conveys the idea of hierarchical Hindu inclusivism which, although considering all religions as equal, treats Hinduism in a unique way – seeing within it the most perfect form of religion, giving man the opportunity to learn the highest truth. The book also examines whether the temples founded by the Birla family and the religious activities undertaken therein apply the concept of “inventing” tradition, and whether traditions created (or “modernised”) in contemporary times are a way of enhancing the appeal of the message conveyed from temple to society. “The Vastness of Culture” is a series of publications presenting cultural studies and emphasizing the role of comparative research and analyses that reveal similarities, differences and intercultural influences. In our publications, cultures and civilizations are in a state of constant flux, engaging in dialogue, creating new understandings, competing for meaning under the influence of global content, without any clear boundaries, but with a vastness that forces questions to be raised.

The Great Tamasha James Astill,2013-07-09 Examines the history of cricket in India, discussing the creation of the Twenty20 cricket league and the corruption and scandal that followed.

The Great Indian Railways Arup K. Chatterjee,2019-01-25 Following an experimental railway track at Chintadripet, in 1835, the battle for India's first railroad was fought bitterly between John Chapman's Great Indian Peninsular Railway and Rowland MacDonald Stephenson's East India Railway Company, which was merged with Dwarkanauth Tagore's Great Western of Bengal Railway. Even at the height of the Mutiny of 1857, Bahadur Shah Zafar promised Indian owned railway tracks for native merchants if Badshahi rule was restored in Delhi. From Jules Verne to Rudyard Kipling to Mark Twain to Rabindranath Tagore to Nirad C. Chaudhuri to R.K. Narayan and Ruskin Bond-the aura of Indian trains and railway stations have enchanted many writers and poets. With iconic cinematography from The Apu Trilogy, Aradhana, Sonar Kella, Sholay, Gandhi, Dil Se, Parineeta, Barfi, Gangs of Wasseypur, and numerous others, Indian cinema has paved the way for mythical railroads in the national psyche. The Great Indian Railways takes us on a historic adventure through many junctions of India's hidden railway legends, for the first time in a book replete with anecdotes from imperial politics, European and Indian accounts, the battlefronts of the Indian nationalist movement, Indian cinema, songs, advertisements, and much more, in an ever-expanding cultural biography of the Great Indian Railways. Dubbed as 'one of a kind' this awe-inspiring saga is 'compulsive reading.' 'In this fascinating cultural history, Arup K Chatterjee charts the extraordinary journey of the Indian Railways, from the laying of the very first sleeper to the first post-Independence bogey. It evokes our collective accumulation of those innumerable memories of platform chai and rail-gaadi stories, bringing alive through myriad voices and tales the biography of one of India's defining public institutions.' - Shashi Tharoor, Author, M.P., Lok Sabha 'The Great Indian Railways is a fascinating and well-researched cultural biography of the Indian Railways-those intricate arteries of the soul of India, as have been experienced, written, filmed, and dreamed. We cannot all travel by rail to know India, as Gandhiji did, but we can and should read this book!' - Tabish Khair, Author, Professor

The Portfolio Book of Great Indian Business Stories Penguin Books India,2015-05-15 How did Dhirubhai Ambani build a polyester plant in record time? What made JRD Tata launch India's first airline? How did Vijay Mallya wrest control of Shaw Wallace from Manu Chhabria? Why did Bhai Mohan Singh fall out with his favourite son and lose control of Ranbaxy? The Portfolio Book of Great Indian Business Stories contains excerpts from a selection of the finest business books published by Penguin Portfolio. This anthology features snippets from the lives of some of the most eminent business leaders India has seen—M.S. Oberoi, Ratan Tata, Aditya Birla and Rahul Bajaj, among others. There are tales of outstanding successes, crushing failures, extraordinary challenges and relentless determination, some of which chronicle the times when these legends were just simple businessmen trying to make a mark. The grit and ruthless persistence of these men defined who they were and the legacies they left behind.

The Great Indian Obsession Adhitya Iyer,2015-11-30 If engineering were a religion, it would be the 5th most populous religion in India. In India, you become an engineer first and then figure out what you want to do with your life. On 4 October 2014, more than 300 individuals across the globe contributed close to 14,000 AUD and created crowdfunding history. This book became the highest crowdfunded book in India and the 6th highest in Asia. In a nation that is exasperatingly diverse, engineering seems to be one of the biggest obsessions. India produces more engineers annually than twice the population of Iceland. I set on a backpacking trip across the country to unravel this massive phenomenon at the end of which I lost a camera full of images, but I found a story to tell the world. It is through this journey that I present to you the world's most interesting educational story.

The Great Indian Conspiracy Dr. Praveen Tiwari,2019-03-18 Saffron terrorism. Is it a fact? Or, is this a myth? After all, do we know enough? The shocking blasts of Malegaon and Samjhauta were projected as 'saffron terrorism'. A new theory, terrorist attacks were tainted as such till, a few years later, Kasab's confession offered solid proof of Pakistan's role in the 26/11 attacks. Though the police had concluded a Pakistani hand for the earlier

blasts, it was saffron terrorism which prevented the perpetrators of these attacks from being brought to justice. As a theory, saffron terrorism is not just hurting Hindus sentiments but is also an obstacle to fight real terrorism sponsored by Pakistan and Islamic states. The term was coined by the erstwhile UPA government to garner minority votes and manipulate the vote bank. After all, why were the Malegaon-accused SIMI activists let off? Why did certain politicians declare not to oppose their bail? What was truly behind Aseemanand's confession? The reliability of these confessions was questionable given the police brutality that the National Investigative Agency exposed. Journalist Praveen Tiwari explores saffron terrorism and reveals through exclusive interviews of senior National Investigative Agency officials, undercover agents and politicians how vote bank politics can compromise ethics and national security. Should the real masterminds behind the blasts be allowed to go scot-free? Should the manipulators of the Samjhauta Express bombings not be held accountable? Should we not investigate those who had exonerated Pakistan of its guilt? An extensive research on communal politics, the book offers indisputable evidence of the 'saffron terrorism' theory as the Great Indian Conspiracy.

The Great Curries of India Camellia Panjabi,1995 In this stunningly illustrated book, Camellia Panjabi takes the reader on a journey through the sights, smells, and tastes of the centerpiece of the Indian meal, the curry. -- inside cover.

The Great Indian Love Story Ira Trivedi,2009-09-10 A darkly fascinating snapshot of the glittering and brittle lives of the rich and famous of Delhi, its glamorous page 3 swish-set The Great Indian Love Story is set in a world where appearances mean everything and nothing is as it seems. There's no time for love in a world that revolves around the latest Ferraris, the hottest nightclubs, diamonds, single malts, cocaine and ecstasy. In this whirl of wild parties, sex and drugs we meet Serena Sharma who lives her life one debauched night at a time, always falling for the wrong men. Her life is a roller-coaster ride: her father's death followed by her mother's remarriage, a broken heart and a lost love. Adding to this is her torrid affair with Amar Khanna—a trophy husband, coke addict and serial adulterer. Riya, jaded by her unsuccessful attempt to find a job in America, returns to Delhi to find the city of her childhood changed beyond recognition. Striking an unlikely friendship with Serena, Riya finds her complacent torpor shattered. The Great Indian Love Story is also the story of Parmeet, Serena's mother, who looks for passion outside her marriage with disastrous consequences, and S.P. Sharma, Parmeet's husband, who is driven to violence by her infidelity. Ira Trivedi weaves together sex, revenge, glitz, friendship and a chilling murder to create a potent cocktail in this gripping novel on the perfidious nature of love and power.

Great Minds on India Salil Gewali,2013-02-15 Indian culture and spiritualism have exerted a strong hold over the world's greatest intellectuals—from psychologists like Carl Jung to poets like T.S. Eliot, from orators like Swami Vivekananda to philosophers like Sri Aurobindo, from statesmen like Dr A.P.J. Abdul Kalam to writers like H.G. Wells. Compiled by Salil Gewali, Great Minds on India is a remarkable collection of the thoughts and views of these world-renowned opinion-makers on India's cultural inheritance and glorious legacy.

The Great Indian Education Debate Martin Moir,Lynn Zastoupil,2013-12-16 A bitter debate erupted in 1834 between Orientalists and Anglicists over what kind of public education the British should promote in their growing Indian empire. This collection of the main documents pertaining to the controversy (some published for the first time) aims to recover the major British and South Asian voices, broaden our understanding of imperial discourses and recognise the significant role of the colonised in the shaping of colonial knowledge. Bringing together into a single volume documents not easily obtained - long out of print, never before published, or scattered about in sundry books and journals - enables modern readers to judge the relative merits of the various arguments and undermines the common impression that the controversy was simply an exercise in colonial power involving only Europeans.

The Great Hedge of India Roy Moxham,2002-02-07 Remarkable and astonishing, says Jan Morris of Roy Moxham's account of his search for one of the least-known wonders of Queen Victoria's India, and John Keay finds it a compelling read, simply told, and simply wonderful. An unquestionably

fascinating tale, as well as a travel book and historical detective story, *The Great Hedge of India* begins in a secondhand bookshop on London's Charing Cross Road. There Roy Moxham buys the memoir of a nineteenth-century British colonial administrative officer, who makes a passing reference to a giant hedge planted by the British across the Indian subcontinent. That hedge—which for fifty years had been manned and cared for by 12,000 men and had run a length of 2,500 miles—becomes what Moxham calls his ridiculous obsession. Recounting a journey that takes him to exotic isolated villages deep in the interior of India, Moxham chronicles his efforts to confirm the existence of the extraordinary, impenetrable green wall that had virtually disappeared from two nations' memories. Not only does he discover the shameful role the hedge played in the exploitative Raj and the famines of the late nineteenth century, but he also uncovers what remains of this British grand folly and restores to history what must be counted one of the world's wonders—and a monument to one of the great injustices of Victorian imperialism. Grandly entertaining ... close to being a perfect story of a fanciful quest.—Boston Globe

My Great Indian Cookbook Vikas Khanna, 2012-12-01 'I always believe that every grain and every dish has a memory of comfort, families and celebrations.' CHEF VIKAS KHANNA An authority on eclectic cuisine, and with an experience of over twenty years, Chef Vikas Khanna brings together the most delicious recipes from his travels across India. From Bharwan Murgh to Parda-Nashin Kebabs, Surat Patra to Fanasachi Bhaaji, and from Shirazi Pulao to Bepadiya Rotli, there are recipes to suit every palate and preference. Celebrating the richness and variety of Indian cooking, Vikas shares exclusive recipes for delectable starters, lip-smacking chutneys and achar, and mouth-watering desserts made on special occasions. With more than 130 easy-to-prepare recipes and heart-warming anecdotes from the farthest corners of India, the Michelin Star chef takes you along in his culinary journey from Kashmir to Kanyakumari, from Rajasthan to West Bengal. You are sure to experience the same magic he felt as he put the recipes together, one beautiful region at a time.

The book delves into The Great India. The Great India is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Great India, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Great India
 - Chapter 2: Essential Elements of The Great India
 - Chapter 3: The Great India in Everyday Life
 - Chapter 4: The Great India in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of The Great India. This chapter will explore what The Great India is, why The Great India is vital, and how to effectively learn about The Great India.
3. In chapter 2, this book will delve into the foundational concepts of The Great India. The second chapter will elucidate the essential principles that must be understood to grasp The Great India in its entirety.
4. In chapter 3, the author will examine the practical applications of The Great India in daily life. This chapter will showcase real-world examples of how

The Great India can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of The Great India in specific contexts. This chapter will explore how The Great India is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Great India. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Great India.

The Great India Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Great India has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great India has opened up a world of possibilities. Downloading The Great India provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great India has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great India. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great India. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable

to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great India, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great India has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Great India Books

1. Where can I buy The Great India books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Great India book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular

author, you might enjoy more of their work.

4. How do I take care of The Great India books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
