

The Guardian

Frederick Orin Bartlett

Why I Write George Orwell, 2021-01-01 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Notes from an Apocalypse Mark O'Connell, 2020-04-14 AN NPR BEST BOOK OF THE YEAR • An absorbing, deeply felt book about our anxious present tense—and coming to grips with the future, by the author of the award-winning To Be a Machine. "Deeply funny and life-affirming, with a warm, generous outlook even on the most challenging of subjects." —Esquire We're alive in a time of worst-case scenarios: The weather has gone uncanny. A pandemic draws our global community to a halt. Everywhere you look there's an omen, a joke whose punchline is the end of the world. How is a person supposed to live in the shadow of such a grim future? What might it be like to live through the worst? And what on earth is anybody doing about it? Dublin-based writer Mark O'Connell is consumed

by these questions—and, as the father of two young children, he finds them increasingly urgent. In *Notes from an Apocalypse*, he crosses the globe in pursuit of answers. He tours survival bunkers in South Dakota. He ventures to New Zealand, a favored retreat of billionaires banking on civilization's collapse. He engages with would-be Mars colonists, preppers, right-wing conspiracists. And he bears witness to places, like Chernobyl, that the future has already visited—real-life portraits of the end of the world as we know it. What emerges is an absorbing, funny, and deeply felt book about our anxious present tense—and coming to grips with what's ahead.

Acts of Desperation Megan Nolan, 2021-03-04 'Crushing...intensely vital' Observer 'It's impossible to tear yourself away' The Times 'Such brilliant writing about female desire...honest and visceral' Marian Keyes She's twenty-three and in love with love. He's older, and the most beautiful man she's ever seen. The affair is quickly consuming. But this relationship is unpredictable, and behind his perfect looks is a mean streak. She's intent on winning him over, but neither is living up to the other's ideals. He keeps emailing his thin, glamorous ex, and she's starting to give in to secret, shameful cravings of her own. The search for a fix is frantic, and taking a dangerous turn... We're all looking to get what we want - but do we know what we need?

Cloud Cuckoo Land (Large Print Edition) Anthony Doerr, 2021-09-28 Follows four young dreamers and outcasts through time and space, from 1453 Constantinople to the future, as they discover resourcefulness and hope amidst peril.

American Wife Curtis Sittenfeld, 2008-09-02 NEW YORK TIMES BESTSELLER • A gorgeously written novel that weaves class, wealth, race, and fate into a brilliant portrait of a first lady—from the author of *Rodham* and *Eligible* “Terrific . . . an intelligent, bighearted novel about a controversial political dynasty.”—Entertainment Weekly NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR: Time • People

• Entertainment Weekly A kind, bookish only child born in the 1940s, Alice Lindgren has no idea that she will one day end up in the White House, married to the president. In her small Wisconsin hometown she learns the virtues of politeness, but a tragic accident when she is seventeen shatters her identity and changes the trajectory of her life. More than a decade later, when the charismatic son of a powerful Republican family sweeps her off her feet, she is surprised to find herself admitted into a world of privilege. And when her husband unexpectedly becomes governor and then president, she discovers that she is married to a man she both loves and fundamentally disagrees with—and that her private beliefs increasingly run against her public persona. As her husband's presidency enters its second term, Alice must confront contradictions years in the making and face questions nearly impossible to answer. NAMED ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review • Chicago Tribune • NPR • Rocky Mountain News • St. Louis Post-Dispatch • The Washington Post Book World

Goodbye, Things: The New Japanese Minimalism Fumio Sasaki, 2017-04-11 The best-selling phenomenon from Japan that shows us a minimalist life is a happy life. Fumio Sasaki is not an enlightened minimalism expert or organizing guru like Marie Kondo—he's just a regular guy who was stressed out and constantly comparing himself to others, until one day he decided to change his life by saying goodbye to everything he didn't absolutely need. The effects were remarkable: Sasaki gained true freedom, new focus, and a real sense of gratitude for everything around him. In *Goodbye, Things* Sasaki modestly shares his personal minimalist experience, offering specific tips on the minimizing process and revealing how the new minimalist movement can not only transform your space but truly enrich your life. The benefits of a minimalist life can be realized by anyone, and Sasaki's humble vision of true happiness will open your eyes to minimalism's potential.

Half Bad Sally Green, 2014 In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future.

Riddley Walker Russell Hoban, 2012-05-24 'Walker is my name and I am the same. Riddley Walker. Walking my riddels where ever theyve took me and walking them now on this paper the same. There aint that many sir prizes in life if you take noatis of every thing. Every time will have its happenings out and every place the same. Thats why I finely come to writing all this down. Thinking on what the idear of us myt be. Thinking on that thing whats in us lorn and loan and oansome.' Composed in an English which has never been spoken and laced with a storytelling tradition that predates the written word, RIDDLEY WALKER is the world waiting for us at the bitter end of the nuclear road. It is desolate, dangerous and harrowing, and a modern masterpiece.

Something to Answer for Percy Howard Newby, 1968

The Host Stephenie Meyer, 2010-04-26 Melanie Stryder refuses to fade away. The earth has been invaded by a species that take over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading soul who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves -- Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love. Featuring what may be the first love triangle involving only two bodies, The Host is a riveting and unforgettable novel that will

bring a vast new readership to one of the most compelling writers of our time.

A Journey Tony Blair, 2010-09-02 In 1997, the biggest Labour victory in history swept England, ending eighteen years of Conservative government. Prime Minister Tony Blair — young, charismatic and complex — shaped the nation profoundly in the ten years that followed. From his work in Northern Ireland to the wars in Iraq and Afghanistan, few of his decisions were free from scrutiny and debate. Alternately beloved and reviled, he was an international figure to a degree matched by few British leaders — a role he continues in to this day through the Tony Blair Faith Foundation and his work in the Middle East. Now, for the first time, we see the fascinating journey and difficult choices of the prime minister through his own eyes. Grippingly candid and deeply intimate, *A Journey* is a must-read political memoir, full of startling insights into a host of world leaders, including George W. Bush and Bill Clinton. It is also a book that delves deeply and profoundly into what it means to be in a position of great power today, and its emotional and personal toll.

The Guardian Frederick Orin Bartlett, 1912

The Stand Stephen King, 2011 A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

Essays from The "Guardian," Walter Pater, 1896

The Guardian Joseph Addison, Sir Richard Steele, 1734

The Reluctant Fundamentalist Mohsin Hamid, 2009-06-05 From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that

has brought them to this fateful meeting. . . Changez is living an immigrant's dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the "valuation" of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez's own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world. "Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge." —from *The Reluctant Fundamentalist*

Orwell's Roses Rebecca Solnit, 2021-10-21 *Roses, pleasure and politics: a fresh take on Orwell as an avid gardener, whose political writing was grounded in his passion for the natural world. 'I loved this book... An exhilarating romp through Orwell's life and times' Margaret Atwood 'Expansive and thought-provoking' Independent* Outside my work the thing I care most about is gardening - George Orwell Inspired by her encounter with the surviving roses that Orwell is said to have planted in his cottage in Hertfordshire, Rebecca Solnit explores how his involvement with plants, particularly flowers, illuminates his other commitments as a writer and antifascist, and the intertwined politics of

nature and power. Following his journey from the coal mines of England to taking up arms in the Spanish Civil War; from his prescient critique of Stalin to his analysis of the relationship between lies and authoritarianism, Solnit finds a more hopeful Orwell, whose love of nature pulses through his work and actions. And in her dialogue with the author, she makes fascinating forays into colonial legacies in the flower garden, discovers photographer Tina Modotti's roses, reveals Stalin's obsession with growing lemons in impossibly cold conditions, and exposes the brutal rose industry in Colombia. A fresh reading of a towering figure of the 20th century which finds solace and solutions for the political and environmental challenges we face today, Orwell's *Roses* is a remarkable reflection on pleasure, beauty, and joy as acts of resistance. 'Luminous...It is efflorescent, a study that seeds and blooms, propagates thoughts, and tends to historical associations' *New Statesman* 'A genuinely extraordinary mind, whose curiosity, intelligence and willingness to learn seem unbounded' *Irish Times*

The World Without Us Alan Weisman, 2008-08-05 A penetrating take on how our planet would respond without the relentless pressure of the human presence

The Guardian Dee Henderson, 2001 U.S. Marshall Marcus O'Malley must deal with a variety of problems, including his sister's diagnosis of cancer and protecting a woman who witnessed a murder.
