

# The Irish Times

Ronan Hession

**Irish Times** David Lloyd,2008

**The Irish Times** Terence Brown,2015-03-12 The Irish Times is a pillar of Irish society. Founded in 1859 as the paper of the Irish Protestant Middle Class, it now has a position in Irish political, social and cultural life which is incomparable. In fact this history of the Irish Times is also a history of the Irish people. Always independent in ownership and political view and never entwined in any way with the Roman Catholic Church, it has become the weather vane, the barometer of Irish life and society followed by people of all religious and political persuasions and none. The paper is politically liberal and progressive as well as being centre right on economic issues. This history is peopled by all the great figures of Irish history - Daniel O'Connell, W.B. Yeats, Garret FitzGerald, Conor Cruise O'Brien and the paper has numbered among its internationally renowned columnists Mary Holland, Fintan O'Toole, Nuala O'Faolain, John Waters and Kevin Myers . Its influence on Irish Society is beyond question. In his book, Terence Brown tells the story of the paper with narrative skill, wit and perception. Analysis of the stance of the Times during events ranging from The Easter Rising, The Civil War, the Troubles and the recent economic recession make the book essential reading for students of Irish history, be they the general reader, the academic or amateur historian. The book will be seen as crucial to our understanding of Irish history in the past century and a half.

**Hitching for Hope** Ruairí McKiernan,2020-03-26 #1 Irish Times Bestseller! A modern travel tale—part personal pilgrimage, part political quest—that captures the power of human resilience McKiernan sticks his thumb out, and somehow a healthy dose of humanity manages to roll up alongside him. . . . This book is a paean to nuance, decency and possibility.—Colum McCann, National Book Award winner and New York Times bestselling author of *Let the Great World Spin* and *Apeirogon*. Following the collapse of Ireland's Celtic Tiger economy, social activist Ruairí McKiernan questions whether he should join the mounting number of emigrants searching for greater opportunity elsewhere. McKiernan embarks on a hitchhiking odyssey with no money, no itinerary and no idea where he might end up each night. His mission: to give voice to those emerging from one of the most painful periods of economic and social turmoil in Ireland's history. Engaging, provocative and sincere, *Hitching for Hope* is a testimony to the spirit of Ireland. It is an inspirational manifesto for hope and healing in troubled times.

**The Irish Times** Mark O'Brien,2008 Founded in 1859 as the voice of southern unionism, the Irish Times is now the authoritative newspaper of choice. Forced to make its peace with an independent Ireland in 1921, it was the bane of the censor during the Second World War and became the voice of liberalism during the 1950s. Reinventing itself as 'the paper of record' in the 1960s and becoming a Trust in 1974 the paper has always generated, and been at the centre of, controversial news stories. From the Mother and Child saga in 1951 to the Heavy Gang exposé in 1977, from the Bishop Casey scandal in 1992 to 'Bertiegate' in 2006, this book examines the history of the institution that is the Irish Times. Beginning with the foundation of the paper in 1859, the book combines memoirs, personal papers, archives, company records, interviews and the newspaper's journalism to construct the first - and independent - history of Ireland's leading newspaper.

**The Truth Behind the Irish Famine 1845-1852** Jerry Mulvihill,2017

**Leonard and Hungry Paul** Ronan Hession,2021-05-11 A disarming novel that asks a simple question: Can gentle people change the world? In this charming and truly unique debut, popular Irish musician Ronan Hession tells the story of two single, thirty-something

men who still live with their parents and who are . . . nice. They take care of their parents and play board games together. They like to read. They take satisfaction from their work. They are resolutely kind. And they realize that none of this is considered . . . normal. Leonard and Hungry Paul is the story of two friends struggling to protect their understanding of what's meaningful in life. It is about the uncelebrated people of this world — the gentle, the meek, the humble. And as they struggle to persevere, the book asks a surprisingly enthralling question: Is it really them against the world, or are they on to something?

*Iron Annie* Luke Cassidy, 2022-01-11 \*\*LONGLISTED FOR THE DESMOND ELLIOTT PRIZE\*\* An uncompromising, darkly humorous look at life in the criminal underworld of the Irish border from a major new Irish literary voice. Dundalk—The Town, to locals—took Aoife in when she left home at eighteen. Now she's gone from a small-time slinger of hash to a bona fide player in Dundalk's criminal underworld. Aoife's smart, savvy, and cool under pressure. Except, that is, when it comes to Annie. Annie is mysterious and compelling, and Aoife is desperate to impress her and keep her close. Unfortunately, not everyone in The Town shares Aoife's opinion of Annie. So much so that when Aoife's friend and associate, the Rat King, approaches her about off-loading ten kilos of stolen coke, he specifically tells her to keep Annie out of it. Aoife doesn't want to do the job without Annie, though, so she lands on an idea. Annie has contacts in the UK, and sure it'd be better to get the coke as far away from Dundalk as possible. At first, everything goes to plan. But when Annie decides she'd like to stay in the UK, Aoife makes a decision that changes everything, and finds her whole world turned upside down. Gritty yet tender, tragic yet hopeful, *Iron Annie* crackles with energy, warmth, and heart. A VINTAGE CRIME/BLACK LIZARD ORIGINAL.

*The Irish Times* Terence Brown, 2015-03-12 The Irish Times is a pillar of Irish society. Founded in 1859 as the paper of the Irish Protestant Middle Class, it now has a position in Irish political, social and cultural life which is incomparable. In fact this history of the Irish Times is also a history of the Irish people. Always independent in ownership and political view and never entwined in any way with the Roman Catholic Church, it has become the weather vane, the barometer of Irish life and society followed by people of all religious and political persuasions and none. The paper is politically liberal and progressive as well as being centre right on economic issues. This history is peopled by all the great figures of Irish history - Daniel O'Connell, W.B. Its influence on Irish Society is beyond question. In his book, Terence Brown tells the story of the paper with narrative skill, wit and perception. Analysis of the stance of the Times during events ranging from The Easter Rising, The Civil War, the Troubles and the recent economic recession make the book essential reading for students of Irish history, be they the general reader, the academic or amateur historian. The book will be seen as crucial to our understanding of Irish history in the past century and a half.

They All Fall Down: A Novel Tammy Cohen, 2018-03-06 One Flew Over the Cuckoo's Nest meets Orange is the New Black in this new psychological thriller, where a new patient suspects that women at her high-risk psychiatric clinic are being stalked by a serial killer . . . Hannah had a perfect life in London—a loving husband, a great job—until she did something shocking. Something that she doesn't quite understand herself; and now she has landed herself in a high-risk psychiatric unit. Since Hannah has been admitted, two women have died, including Charlie, one of her closest friends in the institution. It's a high-risk unit, the authorities say. Deaths happen. But Hannah knows Charlie wouldn't have killed herself. She is convinced there's a serial killer picking off the patients one by

one, passing their deaths off as suicides. But why? And who will believe her? Corinne, Hannah's mother, is worried sick about her eldest daughter. She hates that she's ended up in the unit, though she knows it's the best place for her to get the treatment she needs. At first, Corinne assumes Hannah's outlandish claims about a killer in the unit are just another manifestation of her psychological condition, but as she starts to uncover strange inconsistencies surrounding the unit's charismatic director, Dr. Roberts, she begins to wonder if her daughter might have stumbled upon the truth. But who can Corinne trust, when she doesn't even trust her own daughter?

**The Dead of the Irish Revolution** Eunan O'Halpin, Daithí Ó Corráin, 2020-10-27 The first comprehensive account to record and analyze all deaths arising from the Irish revolution between 1916 and 1921 This account covers the turbulent period from the 1916 Rising to the Anglo-Irish Treaty of December 1921—a period which saw the achievement of independence for most of nationalist Ireland and the establishment of Northern Ireland as a self-governing province of the United Kingdom. Separatists fought for independence against government forces and, in North East Ulster, armed loyalists. Civilians suffered violence from all combatants, sometimes as collateral damage, often as targets. Eunan O'Halpin and Daithí Ó Corráin catalogue and analyze the deaths of all men, women, and children who died during the revolutionary years—505 in 1916; 2,344 between 1917 and 1921. This study provides a unique and comprehensive picture of everyone who died: in what manner, by whose hands, and why. Through their stories we obtain original insight into the Irish revolution itself.

Untying the Knot Kate Gunn, 2019-01-15 When you are going through separation or divorce it can often feel like there is no way through the pain and conflict. No small light twinkling at the end of the tunnel. Will it always feel this bad? How will you heal the hurt of your children? Will this damage them for life? How will you cope with increased costs and reduced money? Where will you live? Will you ever find peace and happiness again? Part personal story, part expert guide, Untying the Knot takes you through the process of separation as both parents and friends. From the very first days of unfathomable heartache, through telling the children, what to do with the family home and dealing with conflicts, to finding yourself, coming out the other side and much more. Written by Kate Gunn, with excerpts from ex-husband Kristian, Untying the Knot also provides dedicated expert advice from the likes of Emma Kenny, resident psychologist for ITV's *This Morning*; Stella O'Malley, psychotherapist and author of *Cotton Wool Kids* and *Bully-Proof Kids*; Sara Byrne, clinical psychologist; and Deirdre Burke, barrister, solicitor and family law mediator. If you're looking for a helping hand to lead you through the darkness, this is it.

**Tetralogue** Timothy Williamson, 2015 For those new to philosophy, 'Tetralogue' is a marvellous way into the subject. For those who are old hands, it neatly poses serious questions about truth and falsity, relativism and dogma.--Dust jacket flap.

Ithaca Alan McMonagle, 2017-03-09 Shortlisted for The Bord Gáis Energy Irish Book Awards 2017 Longlisted for the 2017 Desmond Elliott Prize 'Alan McMonagle possesses a style that is all his own and I found his first novel compelling from start to finish. Read it.' Patrick McCabe, author of *The Butcher Boy* *Ithaca*, the ferociously funny and unbelievably poignant debut novel from Alan McMonagle, combines a fiercely emotional story with crackling prose. Summer 2009, and eleven-year-old Jason Lowry is preoccupied with thoughts of the Da he has never known. In the meantime, his vodka-swilling, swings-from-the-hip Ma is busy entertaining her latest boyfriend and indulging her fondness for joyriding. Jason escapes to the Swamp: a mysteriously rising pool of fetid water on the outskirts of the town. There, he meets the girl, a being as lost as himself. Together, they conjure exotic adventures - from ancient

Egypt to the search for Ithaca, home of Odysseus. But what begin as innocent flights of fancy soon become forays into hazardous territory; the girl is a dangerous (and very committed) partner in crime.

**The Stranger Times** C. K. McDonnell, 2021-01-07 'Wonderfully dark, extremely funny' proclaimed ADAM KAY, author of the No.1 bestselling *This is Going to Hurt* 'A filmic romp with great characters, a jet-propelled plot, and a winning premise' said the GUARDIAN JASON MANFORD thinks it's 'Hilarious. You'll never look at Manchester the same way again.' The Chronicles of St Mary's series author JODI TAYLOR declared 'I loved this . . . great premise - great story - great characters . . . hugely enjoyable.' And THE TIMES called it 'ripping entertainment from start to finish.' There are dark forces at work in our world (and in Manchester in particular), so thank God The Stranger Times is on hand to report them . . . A weekly newspaper dedicated to the weird and the wonderful (but mostly the weird), it is the go-to publication for the unexplained and inexplicable. At least that's their pitch. The reality is rather less auspicious. Their editor is a drunken, foul-tempered and foul-mouthed husk of a man who thinks little of the publication he edits. His staff are a ragtag group of misfits. And as for the assistant editor . . . well, that job is a revolving door - and it has just revolved to reveal Hannah Willis, who's got problems of her own. When tragedy strikes in her first week on the job The Stranger Times is forced to do some serious investigating. What they discover leads to a shocking realisation: some of the stories they'd previously dismissed as nonsense are in fact terrifyingly real. Soon they come face-to-face with darker forces than they could ever have imagined. The Stranger Times is the first novel from C.K. McDonnell, the pen name of Caimh McDonnell. It combines his distinctive dark wit with his love of the weird and wonderful to deliver a joyous celebration of how truth really can be stranger than fiction. Readers love The Stranger Times: \*\*\*\*\* 'A delight from start to finish - laugh out loud funny yet with plenty of thrills.' \*\*\*\*\* 'Full of wit and humour, and knows how to keep the reader hooked.' \*\*\*\*\* 'You'll soon fall in love . . . fans of Pratchett, Gaiman, Aaronovich will be blown away.'

We Don't Know Ourselves: A Personal History of Modern Ireland Fintan O'Toole, 2022-03-15 "[L]ike reading a great tragicomic Irish novel." —James Wood, *The New Yorker* "Masterful . . . astonishing." —Cullen Murphy, *The Atlantic* A landmark history . . . Leavened by the brilliance of O'Toole's insights and wit." —Claire Messud, *Harper's Winner* • 2021 An Post Irish Book Award — Nonfiction Book of the Year • from the judges: "The most remarkable Irish nonfiction book I've read in the last 10 years"; "[A] book for the ages." A celebrated Irish writer's magisterial, brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world. Fintan O'Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don't Know Ourselves*, O'Toole, one of the Anglophone world's most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary "backwater" to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O'Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland's main export was beef and it was still not unknown for herds of cattle to clatter down Dublin's streets. Yet the Westerns were a sign of what was to come. O'Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O'Toole's telling,

America became a lodestar, from John F. Kennedy's 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O'Toole in coruscating prose captures the peculiar Irish habit of "deliberate unknowing," which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don't Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.

**Country** Michael Hughes, 2019-10-01 Published to ravishing acclaim in the UK, a fierce and suspenseful reimagining of Homer's *Iliad* set in mid-1990s Northern Ireland—a heart pounding tale of honor and revenge that “explodes with verbal invention, rapid juxtaposition, brutality and fun” (Times Literary Supplement). Northern Ireland, 1996. After twenty-five years of vicious conflict, the IRA and the British have agreed to an uneasy ceasefire as a first step towards lasting peace. But, faced with the prospect that decades of savage violence and loss have led only to smiles and handshakes, those on the ground in the border country question whether it really is time to pull back—or quite the opposite. When an IRA man's wife turns informer, he and his brother gather their comrades for an assault on the local army base. But old grudges boil over, and the squad's feared sniper, Achill, refuses to risk his life to defend another man's pride. As the gang plots without him, the British SAS are sent to crush the rogue terror cell before it can wreck the fragile truce and drag the region back to the darkest days of the Troubles. Meanwhile, Achill's young protégé grabs his chance to join the fray in his place... Inspired by the oldest war story of them all, Michael Hughes's virtuoso novel explores the brutal glory of armed conflict, the cost of Ireland's most uncivil war, and the bitter tragedy of those on both sides who offer their lives to defend the dream of country.

*The Irish Times Book of Favourite Irish Poems*, 2000

**Indelicacy** Amina Cain, 2020-02-11 FINALIST FOR THE CENTER FOR FICTION'S FIRST NOVEL PRIZE Cain's small but mighty novel reads like a ghost story and packs the punch of a feminist classic. —The New York Times Book Review A haunted feminist fable, Amina Cain's *Indelicacy* is the story of a woman navigating between gender and class roles to empower herself and fulfill her dreams. In a strangely ageless world somewhere between Emily Dickinson and David Lynch (Blake Butler), a cleaning woman at a museum of art nurtures aspirations to do more than simply dust the paintings around her. She dreams of having the liberty to explore them in writing, and so must find a way to win herself the time and security to use her mind. She escapes her lot by marrying a rich man, but having gained a husband, a house, high society, and a maid, she finds that her new life of privilege is no less constrained. Not only has she taken up different forms of time-consuming labor—social and erotic—but she is now, however passively, forcing other women to clean up after her. Perhaps another and more drastic solution is necessary? Reminiscent of a lost Victorian classic in miniature, yet taking equal inspiration from such modern authors as Jean Rhys, Octavia Butler, Clarice Lispector, and Jean Genet, Amina Cain's *Indelicacy* is at once a ghost story without a ghost, a fable without a moral, and a down-to-earth investigation of the barriers faced by women in both life and literature. It is a novel about seeing, class, desire, anxiety, pleasure, friendship, and the battle to find one's true calling.

**Show Them a Good Time** Nicole Flattery, 2020-01-28 *Show Them a Good Time* is a master class in the short story—bold, irreverent and agonizingly funny. Sally Rooney, Author of *Normal People* and *Conversations with Friends* *Show Them a Good Time* tells the

stories of women slotted away into restrictive roles: the celebrity's girlfriend, the widower's second wife, the lecherous professor's student, the corporate employee. But these women are too intelligent, too ferociously mordant and painfully funny to remain in their places. In *Not the End Yet*," Flattery probes the hilarious and wrenching ambivalence of Internet dating as the apocalypse nears; in *Sweet Talk*," the mysterious disappearance of local women sets the scene for a young girl to confront the dangerous uncertainties of her own sexuality; in *Abortion, A Love Story*," two college students in a dystopian campus reconfigure the perilous stories of their bodies in a fraught academic culture to offer a subversive play that takes over their own offstage lives. Together, the stories in *Show Them a Good Time* provide a riveting, hilarious introduction to one of today's most original young writers.

**Rememberings** Sinéad O'Connor, 2021 From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on *Saturday Night Live* when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's *Nothing Compares 2U*. Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

## Reviewing **The Irish Times**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**The Irish Times**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

### The Irish Times Introduction

In today's digital age, the availability of The Irish Times books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Irish Times books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Irish Times books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Irish Times versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Irish Times books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their

formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Irish Times books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Irish Times books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Irish Times books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various

digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Irish Times books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Irish Times Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
