The Honeybee Man Lela Nargi, 2012-07-25 Eccentric and unusual with an appealing, gentle charm, raves Kirkus Reviews, in a starred review. Every morning, Fred climbs three flights of stairs—up to his rooftop in Brooklyn, New York—and greets the members of his enormous family: Good morning, my bees, my darlings! His honeybee workers are busy—they tend the hive, feed babies, and make wax rooms. They also forage in flowers abloom across Brooklyn... so that, one day, Fred can make his famous honey, something the entire neighborhood looks forward to tasting. Lela Nargi's beautifully written story—accompanied by Kyrsten Brooker's collage-style illustrations—offers an inside look at the life of an endearing beekeeper and the honey-making process. Indrajal Comics 001 - 015 The Phantom Lee Falk, 2014-08-27 Indrajal Comics began publishing self-titled monthly issues in March 1964. Each of the first 10 issues had 16 pages of Phantom comics. The stories had to be edited to fit this short format. The remaining 12 pages were dedicated to other content, similar to Gold Key's style. In the next 19 issues it became 20-24 pages. As the series continued, different characters would share the spotlight. Characters such as Flash Gordon, Mandrake the Magician, Bahadur, Kerry Drake, Rip Kirby, Garth, Mike Nomad and Buz Sawyer appeared - as well as Disney characters Robin Hood and Mickey Mouse along with Goofy, but the majority of the series spotlighted The Phantom. So much so that the series is often erroneously referred to as The Phantom instead of the correct Indrajal Comics. In due course the publication became fortnightly and then weekly by 1981. The numbering of books which was simply sequential in the beginning then changed to have the typical volume and a number. Indrajal Comics #444 was labeled as Vol.20 and No.1. The front cover design changed with distinct banner containing the title Indrajal Comics with a small circle showing the face of the main character. A total of 803 Indrajal Comics were published, excluding #123 and #124 which were not printed due to industrial strike action. More than half of these issues contained Phantom stories. The publishing stopped in 1990. The cover artwork for the first 50 or so issues of Indrajal Comics was done by B.Govind, with the back cover featuring a pin-up poster. His artwork became very popular and even said to have matched the artwork on the covers of international phantom publications such as Gold Key or Frew. To avoid confusion among Indian readers, there were some minor changes done to the name of the Phantom's location and some characters in stories published in Indrajal Comics. The term Bengali or Bengalla or Bengal was changed to Denkali and in some issues Dangalla as well. This was since there is a state called Bengal in India and this may lead the readers to wonder about the Pygmy people that don't exist in Bengal. The name of the Singh Brotherhood was changed to Singa Brotherhood and the killer of the father of the current (21st) Phantom was changed from Rama to Ramalu although the latter too is one of the common names in India. Apart from English, Indrajal Comics published the stories in at least a dozen other Indian languages including Hindi, Bengali, Tamil and Kannada. Contents: Indrajal Comics #15 The Unknown Commander May 1, 1965 Indrajal Comics #14 The Mystery Of The Rattle April 1, 1965 Indrajal Comics #13 The Phantom And Samaris March 1, 1965 Indrajal Comics #12 The Phantom Is Chained February 1, 1965 Indrajal Comics #11 The Phantom's Treasure January 1, 1965 Indrajal Comics #10 The Phantom's Ring December 1, 1964 Indrajal Comics #9 Thugs in Denkali November 1, 1964 Indrajal Comics #8 The Playmate October 1, 1964 Indrajal Comics #7 The Man-Eating Plant September 1, 1964 Indrajal Comics #6 The Lunar Cult August 1, 1964 Indrajal Comics #5 The Phantom's Isle Of Eden July 1, 1964 Indrajal Comics #4 The Phantom And The Impostor June 1, 1964 Indrajal Comics #3 The Challenge Of Cannibals May 1, 1964 Indrajal Comics #2 Prince Orq April 1, 1964 Indrajal Comics #1 The Phantom's Belt March 1, 1964 This collection was only possible thanks to all the comic fans around the world! Citizen Hollywood Martin Turnbull, 2014-01-17 Have you ever wanted to climb into a time machine and visit Hollywood during its heyday? Hollywood, 1939: When Tinseltown begins to woo wunderkind Orson Welles, he stashes himself at the Chateau Marmont until he's ready to make his splashy entrance. But gossip columnist Kathryn Massey knows he's there. Kathryn has been on the outs with Hollywood since her ill-fated move to Life, but now that she's back at the Hollywood Reporter, she's desperate to find the Next Big Thing. Scooping Welles' secret retreat would put her back on the map, but by the time she hears rumors about his dangerous new movie, she's fallen prey to his charms. She needs to repair her reputation, find out if Welles will take on the tycoon, and extricate herself from an affair with a man whose kisses make her melt like milk chocolate. Hollywood writers are only as good as their last screen credit, but Marcus Adler is still scrambling for his first. His Strange Cargo will star Clark Gable after *Gone with the Wind* wraps, but Machiavellian studio politics mean Marcus' name might not make it to the screen. It's time to play No More Mr. Nice Guy. Opportunity knocks when his boss challenges the writing department to outdo *The Adventures of Robin Hood*, and Marcus is confident--until the love of his life bursts back onto the scene. How can he write another word until he knows for once and for all whether he and Ramon Navarro will be together? And to make matters worse, it seems like someone in town is trying to sabotage him. Everyone knows if you haven't made it in Hollywood by the time you're thirty, it's curtains . . . and Gwendolyn Brick is starting to panic. She's considering moving to a naval base in the Philippines with her baby brother, but she wants to give Hollywood one last go before she gives up. When she saves Twentieth Century Fox honcho Daryl F. Zanuck from an appalling fate at a poker game that goes awry, he rewards her with a chance at a role in a major movie. Gwendolyn needs to win before her ship sets sail. When William Randolph Hearst realizes *Citizen Kane* is based on him, he won't be happy--and when Hearst isn't happy, nobody's safe. Marcus, Kathryn, and Gwendolyn need to go for broke, and the clock is ticking. *Citizen Hollywood* is the third in Martin Turnbull's series of historical novels set during Hollywood's golden age.
