Crappit Heids for Tea Chris Fletcher,Annie Tindley,2012-08-25 Sutherland is one of the most ruggedly beautiful and sparsely populated parts of Scotland. In the nineteenth century, the Duke of Sutherland set about improving his landholdings to make them more productive by building lodges for sporting tenants who came to enjoy the summer fishing and shooting grouse and deer. In the 1870s some 3,000 acres of land were reclaimed at Shinness. A lodge was built there in 1882 and allocated some 2,500 acres of moorland for grouse and grazing, together with the fishings on Loch Shin and its rivers. One of the first keepers at the estate was John Fraser. His daughter, Iby, became a teacher at Lairg School. In the 1970s, long after the Fletcher family had taken on Shinness Estate, Iby wrote down some recollections of her early life for Mrs Fletcher's interest.

Sutherland Estate, 1850-1920 Annie Tindley,2010-06-30 From the mid-nineteenth century until the end of World War I, the Sutherland Estate was the largest landed estate in western Europe; at 1.1 million acres, the ducal family owned almost the entire county of Sutherland as well as a further 30,000 acres in England. The estate was owned by the dukes of Sutherland, who were among the richest patrician landowners of the period; from the early nineteenth century, however, the family were shadowed by their reputation as great clearance landlords, something that would come back to haunt them throughout the coming decades

Getting the books **10225** now is not type of challenging means. You could not unaided going with ebook buildup or library or borrowing from your links to get into them. This is an entirely easy means to specifically acquire lead by on-line. This online pronouncement 10225 can be one of the options to accompany you with having other time.
