I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Each daily, 1000-word entry includes a: Devotion based on Jesus' life Reflection question to guide journaling or group discussion Heart fast to inspire a tangible response Thought-provoking Lenten quote Optional sidebar into the historical development of Lent Suggested reading that takes you from John 12 to John 21 Journaling space for reflection In the same way self cannot satisfy self no matter how long it feasts, self cannot starve self no matter how long it fasts. The Bread of Angels Stephanie Saldana,2011-02-08 A riveting memoir about one woman's journey into Syria under the Baathist regime and an unexpected love story between two strangers searching for meaning. When Stephanie Saldaña arrives in Damascus, she is running away from a broken heart and a haunted family history that she has crossed the world to escape. Yet as she moves into a tumbling Ottoman house in the heart of the Old City, she is unprepared for the complex world that awaits her: an ancient capital where Sunni and Shia Muslims, Christians, Alawites, Kurds, and Palestinian and Iraqi refugees share a fragile co-existence. Soon she is stumbling through the Arabic language, fielding interviews from the secret police, and struggling to make the city her own. But as the political climate darkens and the war in neighboring Iraq threatens to spill over, she flees to an ancient Christian monastery carved into the desert cliffs, where she is forced to confront the life she

left behind. Soon she will meet a series of improbable teachers: an iconoclastic Italian priest, a famous female Muslim sheikh, a wounded Iraqi refugee, and Frédéric, a young French novice monk who becomes her best friend. What follows is a tender story of a woman falling in love: with God, with her own life, with a country on the brink of chaos, and with a man she knows she can never have. Wise, funny, and heartbreaking, *The Bread of Angels* celebrates the hope that appears even in war, the surprising places we can call home, and the possibility of true love.

The Four Loves C. S. Lewis,2023-11-20 *The Four Loves* is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: GOD is love, says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God.

The Peaceful Wife April Cassidy,2016-01-27 “This book walks each of us through the reality checks we need in order to have the marriage we want!” —Shaunti Feldhahn, social researcher and

best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

Despite having outdated and inferior equipment, no professional lessons or instructions, four young golfers with self-taught swings from the border city of Del Rio, captured the State title. Three of them took the gold, silver and bronze medals for best individual players. This book tells their story from their introduction to the game as caddies to eventually becoming champions.
