Philippine Folk Tales Mabel (Cook) Cole,Mabel Elizabeth C. Cole,1916 From time to time since the American occupation of the Islands, Philippine folk-tales have appeared in scientific publications, but never, so far as the writer is aware, has there been an attempt to offer to the general public a comprehensive popular collection of this material.

### *The Monkey and the Tortoise* ,1979

The Tortoise and the Monkey Ebenezer Iwari-Fiberesima,2019-10-21 Tortoise woke up one morning in Kalakri forest after having a nightmare. He didn't require any encouragement to realise that what can save him from the physical manifestation of the nightmare is God. So, he prayed. Later in the day, he saw the result of his prayer. When he met Monkey shortly after his experience, he knew he had to make Monkey to pray to save himself from harm in the forest. But, the question is whether he can make Monkey see survival from the same perspective.

The Turtle and the Monkey Paul Galdone,1983 Turtle needs Monkey's help in getting the banana tree out of the river, but she's sorry later when greedy Monkey demands more than his share of the fruit.

**The Brown Fairy Book** Andrew Lang,1904 The stories in this Fairy Book come from all quarters of the world. For example, the adventures of 'Ball-Carrier and the Bad One' are told by Red Indian grandmothers to Red Indian children who never go to school, nor see pen and ink. 'The Bunyip' is known to even more uneducated little ones, running about with no clothes at all in the bush, in Australia. You may see photographs of these merry little black fellows before their troubles begin, in 'Northern Races of Central Australia,' by Messrs. Spencer and Gillen. They have no lessons except in tracking and catching birds, beasts, fishes, lizards, and snakes, all of which they eat. But when they grow up to be big boys and girls, they are cruelly cut about with stone knives and frightened with sham bogies all for their good' their parents say and I think they would rather go to school, if they had their choice, and take their chance of being birched and bullied

*The Boy, the Condor, the Monkey and the Tortoise* Jaime Bedoya Martinez,2019-05-20 The Boy, The Condor, The Monkey and The Tortoise is a multifaceted exploration of man's disaffection with tendencies he has developed as he has become civilized. These separate him from his natural world and the satisfaction inherent in it. The narrative centers on a young boy's attempt to understand and reach his potential through a series of conversations and a magical trip with a host of anthropomorphic characters. Jaime Bedoya Martinez takes us to a territory which he has explored in past works and which he now develops through a series of Socratic conversations between a philosophical prodigy, George Mario, and characters representing three distinct animal families (Avian, Primate and Reptilian), and thus methinks modes of existential thought. The book is a harsh representation of man's inhumanity. This cruelty, argues Jaime, is often provoked by man's isolation from self and others through frivolous distractions, which then incarnate into institutional sadism that human society imposes on other life forms and ultimately himself. The writer is skilled at leading us through utopian scenes and activities from which he extrapolates. His description of a society where life is led in natural and democratic ways gives us fodder for dreaming of an existence without isolation and misery. The socialistic existence of his neat little towns, although terrifying to current conservative and authoritarian elements, are devoid of the type of personal intrusion supposedly inherent in welfare communities. In fact, this reality corresponds to a stronger, more independent human being- one which does not work for the sake of satisfying others need for wealth but for the sake of bettering one's own life. A type of enhanced and moral libertarianism. This is where the book provides answers rather than conflicts. Modernity has normalized the tendency for physical wants or trifles to dominate our attention. Mr. Bedoya salient point, and certainly of this book, is that if man concentrates on his spirituality, a natural order to life follows, both as communities and individuals. For the writer, if we can overcome our egoism, we can create a world of natural fairness and justice. If we understand and prescribe to our natural state, the chaos of our current communities will be resolved; the crime which is rampant in our cities will succumb to the content and ecstasy of a life well lived. Wishful thinking? Perhaps. Unfortunately, the writer left the destiny of the protagonist unresolved, or maybe it is better this way. I get the feeling that Mr. Bedoya would have wanted all of us to live vicariously through George Mario and have suffered the doubts, the excitements, the enlightenment which brought him to a better personal understanding of his life.

**The Tortoise, the Fox and the Rooster** Ololade Okubena,2018-02-22 Ijapa the Tortoise, Aja the Dog, Okere the Squirrel, Asin the Rat, Akere the Toad, Kolokolo the Fox, Akuko the Rooster, Ekun the Tiger, Obo the Monkey! An array of delightful animals that are used symbolically in African folktales with their names translated here into the beautiful and diverse language of Yoruba. Spoken primarily in Nigeria, West Africa reaching all the way to Latin America and the Caribbean especially Cuba. Ijapa the Tortoise the main protagonist has a variety of often ill-fated adventures with all these animals and many more in this collection of folktales titled African Languages Made Easy Series. The Tortoise who is defined as a lazy, slow moving dull animal comes alive paradoxically in these stories as - crafty, wily, cunning and devious. Always almost trying to outsmart animals that are bigger, stronger and supposedly smarter than himself, he finds himself at the short end of the stick. These folktales have been passed down from generation to generation as a way of passing on wise sayings and moral codes of conduct especially to children in Africa. It's the Tortoise in Nigeria, its Anansi the Spider in Ghana and the list goes on. The Author has retold these folktales from the oral tradition in a modern, exciting and engaging way with vivid illustrations and lyrics. Also in this English/ Bilingual (English and Yoruba) collection are these other titles: The Tortoise and The Dog/ The Tortoise, AND The Dog (Bilingual version) The Tortoise, The Rat and The Squirrel/ Ijapa, Asin ati Okere (English and Bilingual) The Tortoise and the Toad/ Ijapa ati Akere (English and Bilingual) The Tortoise, the Fox and The Rooster/ Ijapa, Kolokolo ati Akuko.
