David Gary

The Night They Blitzed The Ritz John

Bull, 2013-08-21 This is the Blitz story from a fresh new perspective - through the eyes of a small boy and his gang of streetwise Bomb Alley Kids. It was the worst of times for adults, thrust into the front line of the war by relentless night-bombing, with nowhere to run and nowhere to hide. It was maybe the best of times for children, with every bombsite, aeroplane and wailing siren holding a promise of pleasurable terror. In this personal memoir, John Bull - a former News of the World columnist - perfectly captures the tragicomic, often farcical, events of everyday survival and the tribal stubbornness that stopped the Brits from 'chucking it in'.

Going Over the Water David Gary, 2017-08-24 The Gosport Ferry occupies a special place in people's lives. Day in, day out, it calmly plies back and forth across Portsmouth Harbour, and though the ferries themselves may have changed over the years - from steam-boats with open decks, where passengers were exposed to the elements, to the comfortable diesel craft of today with their heated saloons - they are still the source of familiar stories, handed down through the generations. In this fascinating book, you will read dozens of those stories, contributed by people from Gosport, Portsmouth and further afield. Of the ferry that got lost in the fog, of the man who misjudged the leap from the pontoon and ended up in the water, of the pile of bicycles on the bow, of the Dockyard matey who met the girl of his dreams on board, of getting a stiletto heel stuck between the boards of the pontoon, of seeing down into the engine-room below, and even of the dog that travelled on the first ferry every morning - on his own - to go to Portsmouth Meat Market for a bone. Many recall the 'Floating Bridge' too, with its clanking chains, and although

no-one is alive today who remembers the days of the 'wherry-men' who used to row customers across the Harbour, their names and their legacy live on.

The Smile on the Face of the Pig John

Bull, 2012-12-11 1950s Britain - when life was great if you had the guts to live it. Murder, lurid courtroom dramas, gypsy horse fairs, eccentric admirals, child brides, and falling in love - it's all in a day's work for cub reporter John Bull. Meet a cast of characters - from the parish clerk who dresses like a French resistance fighter, complete with rifle over her shoulder, to the medium whose spirit guide (her soldier boyfriend killed in World War II) gets in touch by pinging her suspender belt. *The Smile on the Face of the Pig* is a cheeky exposé of life in the 1950s: crazy nights at the theatre with the old-time music-hall stars, skinny-dipping by starlight, drinking with the freebooting river-folk, and riding through the freezing night on a BSA motorbike chasing the Big Scoop that will carry him to Fleet Street, fame and fortune.

Blitz Kids Sean Longden, 2012-03-01 From the dangers of London streets during the Blitz to working on the high seas in the Merchant Navy during the Atlantic Convoy, children were on the frontline of battle during the Second World War. In Sean Longden's gripping retelling of the conflict, he explores how the war impacted upon a whole generation who lost their innocence at home and abroad, on the battlefield and the home front. Through extensive interviews and research, Longden uncovers previously untold stories of heroism and courage: the eleven year old boy who was sunk on the SS Benares and left in frozen water for two days; the teenage Girl Guide awarded the George Medal for bravery; the merchant seaman sunk three times by the age of seventeen; the fourteen year old who signed up for the army three times

before finally seeing action in the Normandy campaign; the fourteen year old 'Boy Buglers' of the Royal Marines on active service onboard battleships; as well as the harrowing experiences of the boy who survived the Bethnal Green Tube Disaster; the horrors of being a child captive in the German PoW camps. Blitz Kids will change forever the way one sees the relationship between the Second World War and the generation - our grandparents and great grandparents- who bravely faced the challenge of Nazism. Allowing them to tell their stories in their own words, Sean Longden brings both the horrors and the humour of young lives lived in troubled times. The book includes stories of: The seventeen year old boy who signed up 4 times before he made it onto the beaches at Normandy. The Girl Guide who saved a family during the blitz. The teenage merchant seaman who was sunk three times. What it was like to be a teenage POW after the disasters of Dunkirk. Praise for Sean Longden: A rising name in military history ... able to uncover the missing stories of the Second World War. The Guardian 'A tenacious sleuth of Second World War secrets.' Andrew Roberts. 'At times you have to stop and remind yourself that you're reading history and not an 007 thriller. The Soldier. 'First class history from a first class historian' Military Illustrated. 'Fascinating'. Financial Times.

The Little Garden of Assisi John Bull, 2016-11-10 At the graveside of Chippums - beloved pet of Mrs Tarleton - the unctuous proprietor of The Little Garden of Assisi is the model undertaker, consoling the bereaved owner and reassuring her of the dog's happy existence in the afterlife. But when the mourners have gone, it's a very different story. Happy to continue to dupe unsuspecting customers, and pocket the rewards, Dribone seems to lead a charmed existence: until the Mayor arrives with a very curious

request. The Little Garden of Assisi is one of three twenty-minute comedies for television in this ebook: the others are Ten Days That Shook The Kremlin, and The Yank With the Pig's Head.

The Ballroom Blitz Anton Du Beke, 2022-10-13 The stunning new Buckingham novel from Sunday Times bestselling author Anton Du Beke. September 1940. As the skies split apart and bombs rain down on London, it's all the staff at the famed Buckingham Hotel can do to keep their guests in the luxury they're accustomed to, and evoke the magic of the Grand ballroom for them each night. Home on leave and still reeling from the tragic events at Dunkirk, the dashing Raymond de Guise struggles to define his role in this new world, and to do his duty both to his country, and his beloved wife Nancy- who needs him now more than ever. With profiteers skulking the London streets, and devious rivals plotting the Buckingham's downfall, the hotel staff must all hold onto what matters most- and decide where their loyalties truly lie. As the bombing intensifies and Christmas fast approaches, somehow the show must go on...

We Remember the Blitz Frank Shaw, Joan Shaw, 2012-10-11 'I went to the public baths and after I undressed I could hear someone whistling. I looked round to see if I could see anybody about, but I couldn't, so I got into the bath and lay back to relax. As soon as I did, of course, I looked up and saw a man putting in the glass windows that had been blown out the night before.' Joan Adams, Lichfield On the night of 7 September 1940, bombs rained down on the defenceless and unprepared population of London for nine long hours. In November, raids spread to the rest of the country - starting in Coventry and taking in everywhere from Portsmouth, Cardiff, Belfast and Hull. During the nine months of the Blitz, thousands of people

were killed and injured, and thousands of buildings and homes destroyed. But, with stoicism and humour, life went on. We Remember the Blitz is packed with vivid recollections from this important time in British history. Waking up in a damp shelter to the sound of bombing. Coming out of a cinema to discover that fires made night as bright as day. And, worst of all, the shock of seeing individuals and whole families killed in an instant. We hear from many who were there to pick up the pieces: ARP wardens, firemen - even the bakers, who would return to work under tarpaulin to ensure their neighbours had their daily loaf. Filled with moving but often funny memories, We Remember the Blitz is a celebration of the British spirit, and clearly shows that the battle for Britain was won by 'the many'.

Blitz Hetty Burlingame Beatty, Joshua

Tolford, 2018-12-05 Blitz was no ordinary horse. He had within him a quality of greatness which gave him the power to give his best—and more—whenever it was needed. Carefully trained and well cared for, he soon became the most talked about fire horse in Drumlin—fast and sure and first at almost every fire. Then a fearful accident injured both Blitz and his driver and the great fire horse days were over. Blitz was sold to a cruel master, and needed all of his courage and strength to live through the next few years. The story of how he is saved by the love and care of a boy, and how he in turn is able to save a child's life makes a dramatic and moving book in the old tradition. There are happy times and sad times, and a warmth in the telling that will satisfy anyone who loves a great horse story.

Broadcasts from the Blitz Phillip Seib, 2011-09 With the words This is London, Edward R. Murrow's groundbreaking radio broadcasts from 1939 to 1941

brought the blitz into America's living rooms. Countering the tide of U.S. isolationism, Murrow told his huge audience that the United States could not avoid a confrontation with Hitler and that the bombs it heard falling during his reports would eventually be targeted at American cities. But although often cited as the paragon of journalistic objectivity, Murrow had a clear agenda--to bring America into the war--and he slanted his broadcasts accordingly. And behind the scenes, he helped the British court U.S. public opinion and secure American funds for a British intelligence operation. Broadcasts from the Blitz examines Murrow's work and life during this crucial time. It also profiles unsung heroes of those days, such as U.S. ambassador John Winant and Winston Churchill's confidant Brendan Bracken, and villains as well--such defeatists as Joseph Kennedy and Charles Lindbergh, who believed England was doomed. Other compelling characters include Eric Sevareid, Mollie Painter-Downs, and Nancy Astor, whose Cliveden set was accused of being too cozy with the Germans. They and many others mixed in a London that remained vibrant even as it was being battered. Broadcasts from the Blitz is a story of courage--of a journalist broadcasting live from London rooftops as bombs fell around him--and of intrigue, as the machinery of two governments pulled America and Britain together in a common cause. Finally there is the drama of December 7, 1941, when Murrow was the sole journalist to meet with Roosevelt. Broadcasts from the Blitz is for all those interested in the influential career of an extraordinary man and in the relationship between journalism and politics.

I Was Rupert Murdoch's Figleaf John

Bull, 2015-04-08 A pale ray of sunlight seeps through a dusty stained glass window to light a shabby congregation - all kneeling, eyes closed in devout prayer: "Thank you,

Lord. Thank you for saving us.” The scene is a Fleet Street pub at lunchtime - and, as yet, hardly a drop's been touched. I stand up, cross myself, dust the knees of my corduroy trousers and reach to take a grateful sip of my pint of London Pride. All around me my fellow workers are rising from their knees: men - and a few women - all known to the world as penny liars, scribbling scum, foot-in-the-door merchants, callous bastards, and reptiles. The massed hacks of the News of the World. We are celebrating a crucial moment. Just ended is a long, bitter financial war. It has been the saving of the world's best-selling Sunday paper from the grasping hands of the monster - Robert Maxwell. And our unlikely saviour? A newcomer to the Fleet Street jungle, a raw young hayseed from the Australian outback - Rupert Murdoch. In this lively memoir, John Bull lifts the lid on what it was really like to work on the ‘News of the Screws’ in its heyday, producing what the staid British Establishment called a ‘torrent of filth’ every Sunday - and selling four million copies a week.

The Blitz Stewart Ross, 2002 Published in association with the Imperial War Museum, this series uses primary source evidence such as diaries, posters, newspaper cuttings and oral accounts to portray life on the Home Front.

Walking the London Blitz Clive Harris, 2003-12-19 A unique way to experience the history of London during the Blitz of World War II through seven leisurely and informative walks. In *Walking the London Blitz*, Clive Harris guides you on a highly informative tour through one of World War II's most pivotal and devastating military campaigns. By means of seven easily manageable walks and accompanying maps and photographs, anyone—from history buffs to tourists to seasoned armchair travelers—can experience the significant sites of those

dark days when the German Luftwaffe relentlessly bombed Great Britain between 1940 and 1941. Some of the walking tours include: Bank Station to London Bridge Station; Ludgate Circus to Trafalgar Square; Marble Arch to the Cabinet War Rooms; Hyde Park Corner to Westminster; and London Bridge to St. Paul's. Using rich anecdotes and first-hand accounts, the suffering and bravery of ordinary Britons in the face of Hitler's V-weapon attacks comes to life.

Exploring the History of Lee-on-the-Solent John W Green, Robin A Money, 2013-08-07 Walking around Lee-on-the-Solent provides tantalising glimpses into its past - whether it's the balconied Victorian buildings in Pier Street, the Art Deco frontages above the shops in Marine Parade West, the airfield with its gliders soaring peacefully overhead, the hovercraft museum, the sight of yachts on the sparkling waters of the Solent, or the lengthy list of names on the War Memorial. And perhaps you remember, or have heard talk of, the Tower with its ballroom and cinema, the Pier Hotel in its heyday, and the outdoor swimming pool? But what's the real story behind the history of Lee-on-the-Solent? Whether you are a resident or a visitor, you are bound to discover something new in this fascinating account. Why would Isle of Wight monks build a windmill at Lee? Why would you have needed the help of the baker's boy if you wanted to get a train at Elmore Halt? What was on offer at Bulson's Stores and Pleasure Retreat? Why was a rainstorm so popular at the Anglican church? Why did the last two Englishmen to fight a duel choose Browndown as the venue? What made prefabs the envy of many residents? And why was a patch of grass in the wildgrounds always tended in the shape of a cross? You'll find the answer to these questions and many more in Exploring the History of Lee-on-the-Solent. Best of all,

you'll discover why you should raise a glass to John Robinson, the Victorian entrepreneur without whom Lee-on-the-Solent would surely not exist.

Echoes of the Merseyside Blitz Neil

Holmes, 2017-09-30 Merseyside has a long and varied history, one which its sons and daughters are justifiably proud. It has come through many struggles, but perhaps its darkest hour was the air raids that were launched against it in 1940 and 1941. Around 4,000 people lost their lives and many prominent buildings and houses were destroyed or damaged beyond repair. All of this occurred in the space of just 18 months, a period which changed the face of the region irrevocably. Using a variety of new sources Echoes of the Merseyside Blitz draws together a timeline of the blitz for the whole region, showing at a glance what was happening on any given night during that period. Taking carefully selected photographs, Neil Holmes tells the story of Merseysides blitz through a series of ghost photographs, where historic wartime images are blended with their modern counterpart to create a fascinating window in to Merseysides past.

Blitz David Fraser, 1981-10-12

We Can Take It! Mark Connelly, 2014-07-10 'We Can Take It!' shows that the British remember the war in a peculiar way, thanks to a mix of particular images and evidence. Our memory has been shaped by material which is completely removed from historical reality. These images

(including complete inventions) have combined to make a new history. The vision is mostly cosy and suits the way in which the Britons conceive of themselves: dogged, good humoured, occasionally bumbling, unified and enjoying diversity. In fact Britons load their memory towards the early part of the war (Dunkirk, Blitz, Battle of Britain) rather than when we were successful in the air or against Italy and Germany with invasions. This suits our love of being the underdog, fighting against the odds, and being in a crisis. Conversely, the periods of the war during which Britain was in the ascendant are, perversely, far more hazy in the public memory.

The Secret Lives of Somerset Maugham Selina Hastings, 2012-07-01 He was a brilliant teller of tales, one of the most widely read authors of the twentieth century, and at one time the most famous writer in the world, yet W. Somerset Maugham's own true story has never been fully told. At last, the truth is revealed in a landmark biography by the award-winning writer Selina Hastings. Granted unprecedented access to Maugham's personal correspondence and to newly uncovered interviews with his only child, Hastings portrays the secret loves, betrayals, integrity, and passion that inspired Maugham to create such classics as *The Razor's Edge* and *Of Human Bondage*. Portrayed in full for the first time is Maugham's disastrous marriage to Syrie Wellcome, a manipulative society woman who trapped Maugham with a pregnancy and an attempted suicide. Hastings also explores Maugham's many affairs with men, including his great love, Gerald Haxton, an alcoholic charmer. Maugham's work in secret intelligence during two world wars is described in fascinating detail—experiences that provided the inspiration for the groundbreaking Ashenden stories. From the West End to Broadway, from China to the South

Pacific, Maugham's remarkably productive life is thrillingly recounted as Hastings uncovers the real stories behind such classics as *Rain*, *The Painted Veil*, *Cakes & Ale*, and other well-known tales.
