**A Snake's Path** Kenneth Arant,2022-02-18 The path to the top is never easy... The title of Serpent King is up for grabs, and Torga's going to need the power it brings to protect his new family. Standing in his way are eight Royal Serpents and a host of shadowy forces who want to manipulate Torga for their own personal gain. As if that wasn't enough, the jotnar are returning to Asgard, threatening the people Torga swore to protect. He has to become stronger, but will his allies pay the price for his rise to power?

**Path of the Snake** Al Case,2014-04-11 Daniel Harcourt Grandsill has got it made. A good job, a beautiful girlfriend, then...everything changes. Now Daniel is caught in world of wizards and dragons and some very mean people. Well, not really people. More like other species. And the only way out is for Daniel to become a wizard himself. But, hey! That's no big thing, right? All Daniel has to do is travel through insanity, kill himself, and, just for kicks, give a dragon back to his wings. Heck, anybody can do that! Right? Path of the Snake is part one of the epic fantasy series 'The Wizard of Parts.'

The Best Way to Catch a Snake Karma Yeshe Rabgye,2012-03-29 Buddhism, with its stress on non-violence, the 'middle path' and its promise of nirvana, finds many followers. But in today's world, it has become simply a fad for some, something to follow because their favourite celebrity propagates it. Simply wearing robes or carrying prayer beads does not make one a Buddhist; it has to be ingrained within, and should become a part of one's daily life.The Best Way to Catch a Snake, a three-part volume, is a guide to Buddhist teachings, for all those who want to start their journey towards a better life, but don't know where to begin. It goes beyond the exotic rituals and practices that Buddhism is today seen as. It elucidates the Four Seals, the Four Noble Truths and the Four Thoughts of Buddhism in simple, jargon-free language. The author, a Buddhist monk himself, combines examples from his own experience with simple exercises to skilfully guide us through Gautama Buddha's teachings. A valuable source of Buddhist knowledge, this book is a must for anyone drawn to the teachings of Gautama Buddha.

*Snake Poems* Francisco X. Alarcón,2019-03-12 Francisco X. Alarcón's poetic response to the body of work by Catholic priest and historian Hernando Ruiz de Alarcón, in a special edition with poems translated in Spanish and Nahuatl--Provided by publisher.

**The Snake of God** Bard Young,1996 Cultural Writing. The snake invites us to a closer look, but with a warning: Fear less and understand more, but learn that time and distances lie between the snake and what our culture brings to us in this matter...finally acknowledge the beauty and horror of the snake, acknowledge that perhaps at best we can but make a truce between ourselves as natural or spiritual creatures and what the snake must represent to our heart.

Bushmaster Snake: Can Kill Almost Anything In Its Path John Bankston,2022-12-12 The bushmaster is the perfect killer. It looks just like roots and branches along the ground. It can sense when a warm-blooded animal approaches. It can also lie very still for days, even weeks without eating. The Bushmaster Snake: Can Kill Almost Anything In Its Path shows how this huge pit viper hunts and feeds. Part of the series Lethal Strikers: Latin America's Deadliest Snakes, this book has color photos of the bushmaster along with loads of information on this interesting snake.

**Snake Robots** Pål Liljebäck,Kristin Ytterstad Pettersen,Øyvind Stavdahl,Jan Tommy Gravdahl,2012-06-13 Snake Robots is a novel treatment of theoretical and practical topics related to snake robots: robotic mechanisms designed to move like biological snakes and able to operate in challenging environments in which human presence is either undesirable or impossible. Future applications of such robots include search and rescue, inspection and maintenance, and subsea operations. Locomotion in unstructured environments is a focus for this book. The text targets the disparate muddle of approaches to modelling, development and control of snake robots in current literature, giving a unified presentation of recent research results on snake robot locomotion to increase the reader's basic understanding of these mechanisms and their motion dynamics and clarify the state of the art in the field. The book is a complete treatment of snake robotics, with topics ranging from mathematical modelling techniques, through mechatronic design and implementation, to control design strategies. The development of two snake robots is described and both are used to provide experimental validation of many of the theoretical results. Snake Robots is written in a clear and easily understandable manner which makes the material accessible by specialists in the field and non-experts alike. Numerous illustrative figures and images help readers to visualize the material. The book is particularly useful to new researchers taking on a topic related to snake robots because it provides an extensive overview of the snake robot literature and also represents a suitable starting point for research in this area.

*A Snake Falls to Earth* Darcie Little Badger,2021-11-09 Nina is a Lipan girl in our world. She's always felt there was something more out there. She still believes in the old stories. Oli is a cottonmouth kid, from the land of spirits and monsters. Like all cottonmouths, he's been cast from home. He's found a new one on the banks of the bottomless lake. Nina and Oli have no idea the other exists. But a catastrophic event on Earth, and a strange sickness that befalls Oli's best friend, will drive their worlds together in ways they haven't been in centuries. And there are some who will kill to keep them apart. Darcie Little Badger introduced herself to the world with Elatsoe. In *A Snake Falls to Earth*, she draws on traditional Lipan Apache storytelling structure to weave another unforgettable tale of monsters, magic, and family. It is not to be missed.

*The Snake and the Rope* Elder,2012-04 While there are many psychological monographs on Hinduism, no work has surveyed the history of that tradition in a sustained way. Thus, *The Snake and the Rope: A Jungian View of Hinduism* breaks new ground both for religious studies and for psychology. Trained on both sides of the argument, the author of this work is uniquely qualified to elucidate what, for example, the Vedic hymns meant to the people who composed them and what they might mean for us today. He shows us what karma means for Hindus and what Jung says it canmean for us. We learn how Jungians use the term Self that Jung borrowed from the Upanishads and how it is the same and different in its new, modern context. The reader will witness a red thread of goddess worship from earliest India to Classical Hinduism. Jung says the modern equivalent is devotion to the collective unconscious deep within ourselves. Having served as a Peace Corps Volunteer in a Thai village in the late 1960's, George R. Elder returned to the States to earn a Ph. D. in Buddhist Studies from Columbia University. He subsequently taught Comparative Religions at Hunter College (City University of New York) and would co-chair the Religion Program for several years. In 1989, Dr. Elder and his family relocated to Florida. He trained to become a Jungian analyst and maintains a professional relationship with the C.G. Jung Study Center of Southern California. His works include *The Body: An Encyclopedia of Archetypal Symbolism* in collaboration with ARAS (Shambhala, 1996). He recently co-edited *An American Jungian: In Honor of Edward F. Edinger*(Inner City, 2009).

**Don't Run Over a Snake's Tail, Slowly** Dennis Perry,2024-04-02 My name is Dennis Perry. During my first year of Peace Corps service in Benin. I survived a revolution, participated in a land-grab, and ethnic cleansing. In my second year of service, I accepted an invitation to experience life as the old, old Africans lived it. Besides

my duties, as an Animal Traction Volunteer, to train and provide health care for thirty-five pairs of bulls I helped the villagers of Kolokonde, Benin obtain a grant of \$5000.00 to rebuild their market place. Finally, in 1973, I sat in on a meeting between Benin agricultural officials and the Red Chinese.

*Snake Bitten* Dennis Allen,2020-10-28 Have you been wrestling with some deep emotion battles, plagued by some painful memories, or just can't seem to forgive yourself because of a few bad choices or circumstances you've encountered throughout this life? If you or someone you know, are emotionally or mentally scarred by life's tough events, lessons, or misfortunes, then Snake Bitten is written with you or them in mind. It is not just an ordinary book, it's also a survival tool to help us identify and deal with some of the root causes of those unvoiced, unattended, and untreated pains and poisons that have molded us into the person we have become today. Unfortunately, there are many of us who are battling with bitterness, jealousy, fits of rage, substance abuse, or even suicidal thoughts because we have not been made aware of or equipped to deal with something called spiritual poisoning. Snake Bitten helps us discover how to properly recognize and respond to spiritual snakes well before we are bitten and become their next victim or meal, just as Jesus did. It also helps identify the nine symptoms of spiritual poisoning when we are bitten.We will look at the importance of knowing how to properly react after being bitten by treating the poison first instead of making the sometimes fatal mistake of trying to pay the snake back first, for biting us. We will discover the brave and victorious journey of going down the road to recovery. Lastly, we will learn the importance of rest after the journey. Rest is a part of God's will for our lives and many of us must learn the fact that it is not a sin to receive it. If this sounds like something you need or want to add to your library or life, then do yourself or your loved one a favor, and grab a copy of this life-changing message.

**Preparing to Die** Andrew Holecek,2013-07-09 We all face death, but how many of us are actually ready for it? Whether our own death or that of a loved one comes first, how prepared are we, spiritually or practically? In *Preparing to Die*, Andrew Holecek presents a wide array of resources to help the reader address this unfinished business. Part One shows how to prepare one's mind and how to help others, before, during, and after death. The author explains how spiritual preparation for death can completely transform our relationship to the end of life, dissolving our fear and helping us to feel open and receptive to letting go in the dying process. Daily meditation practices, the stages of dying and how to work with them, and after-death experiences are all detailed in ways that will be particularly helpful for those with an interest in Tibetan Buddhism and in Tibetan approaches to conscious dying. Part Two addresses the practical issues that surround death. Experts in grief, hospice, the funeral business, and the medical and legal issues of death contribute chapters to prepare the reader for every practical concern, including advance directives, green funerals, the signs of death, warnings about the funeral industry, the stages of grief, and practical care for the dying. Part Three contains heart-advice from twenty of the best-known Tibetan Buddhist masters now teaching in the West. These brief interviews provide words of solace and wisdom to guide the dying and their caregivers during this challenging time. *Preparing to Die* is for anyone interested in learning how to prepare for death from a Buddhist perspective, both spiritually and practically. It is also for those who want to learn how to help someone else who is dying, both during the time of illness and death as well as after death.

**Life-long Learning Through Vocational Education** Lisa Whatley,1997

*A Snake's Rise* Kenneth Arant,2021-03-18 She promised him for better and for worse. Torga's been keeping a secret from his wife. While Reina, an accomplished monster hunter, was overjoyed to be reunited with the man she loves, what would happen if she found out that he was actually one of the largest monsters in history? Torga's plans to reveal himself are interrupted when a conspiracy of other gods sends him and his wife to Helheim, a frozen waste where their skills and magic are stripped away. He'll have to recover his powers, and possibly make a deal with some of Helheim's less savory residents to escape, but will Reina accept his help once she realizes who he really is? He's going to have to convince her, because her mortal body is dying, and if it does, she'll be trapped in Helheim forever.

**The Trail of a Snake** Michael Kellum,2008-02 He dug out wretchedness of a society that pitted brother against brother and father against son, and the issues were just black and white. He was doubled crossed serving his country in a time of need and was simply tagged as a murdering outlaw on the run. Actually, he was a killer and people kept getting in the way. Heall run no more, or hide in the shadows and blend in with all the sheep. Mack Winston, alias Mack Bolin, wears a badge, has an attitude, lives for total retribution, and keeps those .45s loaded, ready to deal with whomever or whatever stands in his path, and itas all legal. Some say that this saga is the Gun Smoke of the 21st century. Others say that Mack Winston is the Dirty Harry of the Old West. Become a citizen of Ballard Dakota; however, donat step over the line, because what will you do when Mack comes for you?

**The Zen Priestess and the Snake** Roshi Ilia Shinko Perez,2020-06-21 The Zen Priestess and the Snake is the powerful true story of a woman inspired by her visions of the Sacred Feminine. Shinko makes a case for bringing the wisdom of the Sacred Feminine back into Buddhism and leads us through practices from the Mother Goddess tradition, teaching us how to incorporate these practices into contemporary spiritual life.
