The Pride of London Rich Meyrick,

Pride of Our Alley: The Life of Dame Gracie Fields Volume I; 1898-1939 Sebastian Lassandro,2019-04-30 “What has Gracie Fields got to do with anything?” —Alan Bennett, *The History Boys* In this new in-depth biography of the Queen of Hearts of her generation, discover in great detail the answer to Alan Bennett’s question. From humble beginnings above a fish and chip shop in Rochdale to the beautiful Isle of Capri, follow the complete story of the Queen of the British Music Halls and her seven-decade career. Discover how a mill girl from a Northern English industrial town conquered stage, screen and radio and became Hollywood’s highest paid film star of the 1930s. With hundreds of previously unpublished stories, facts, photographs and interviews, *Pride of Our Alley* tells the story of Our Gracie Fields for the first time in its honest, factual entirety. Sebastian Lassandro first heard the music of Gracie Fields when a school student. Over ten years later, he is now a recognised and renowned expert on his subject and tender of the eternal flame of “Our Gracie.”

Charles Macklin and the Theatres of London Ian Newman,David O'Shaughnessy,2022-02-15 Charles Macklin (1699?-1797) was one of the most important figures in the eighteenth-century theatre. Born in Ireland, he began acting in London in around 1725 and gave his final performance in 1789 – no other actor can claim to have acted across seven decades of the century, from the reign of George I to the Regency Crisis of 1788. He is credited alongside Garrick with the development of the natural school of acting and gave a famous performance of Shylock that gave George II nightmares. As a dramatist, he wrote one of the great comic pieces of the mid-century (*Love à la Mode*, 1759), as well as the only play of the century to be twice refused a performance licence (*The Man of the World*, 1781). He opened an experimental coffeehouse in Covent Garden, he advocated energetically for actors’ rights and copyright reform for dramatists, and he successfully sued theatre rioters. In short, he had an astonishingly varied career. With essays by leading experts on eighteenth-century culture, this volume provides a sustained critical examination of his career, illuminating many aspects of eighteenth-century theatrical culture and of the European Enlightenment, and explores the scholarly benefit – and thrill – of restaging Macklin’s work in the twenty-first century.

Europe on Stage Gunilla Anderman,2017-03-22 For any play originating in a different culture and society to be favourably received in English translation, timing and other factors of reception are often as important as the purely linguistic aspects. This book focuses on the problems of reception and translation into English encountered by European playwrights now regularly staged at British theatres, such as Ibsen, Strindberg, Chekhov, Brecht, Anouilh, Lorca and Pirandello, among others. Introduced by discussions highlighting different approaches to translation in general and the difficulties inherent in the translation of drama in particular, the book concludes by looking at what is lost in translation and the means by which adaptations and new versions may help to restore the balance.

Pride and Profit Cecil E. Bohanon,Michelle Albert Vachris,2015-12-24 *Pride and Profit* explores the ways in which Jane Austen’s novels interact with the ideas of economist Adam Smith. Captivity, Slavery and Survival as a Far East POW Peter Fyans,2012-04-19 *Captivity, Slavery and Survival as a Far East POW* is the incredibly moving story of Gus Anckorn, a British soldier who was captured by the Japanese and held for over three and a half years. Before the war, Gus was a magician and throughout the war, entertained both fellow soldiers and Japanese guards with his tricks. Gus has a brilliant sense of humor and a 'tell it as it is' attitude which got him into a number of scrapes with both the Japanese and his own side. He has a remarkable humility to his character and is extremely endearing, both in the book and face to face guaranteeing massive media attention. Gus experienced terrible ordeals that no one should have to face. He should have been killed on four or five occasions, but remarkably survived due to quick thinking and good luck. Gus also reveals the heartache of leaving his fiancée behind and not knowing if he would ever see her again. This is an incredibly moving book and will surely be considered as one of the classic Far East POW stories. Gus is still alive and active today, very publicity focused and well connected. He still holds the unique claim of being the youngest ever member of the Magic Circle and is now currently their oldest ever member. He is also a member of the Masons. Gus has appeared on BBC TV when they arranged for him to meet a Japanese POW camp guard on the bridge at Kwai.

Pride of Britain Jeff Hudson,Martin Lupton,2009-05-04 Kirsteen Lupton seems like any other teenage girl. But Kirsteen was born with a rare medical condition: her bladder was on the outside of her body. By the age of seven she had endured numerous agonising, failed operations. After medical complications left her weighing just 11/2 stone and battling for her life, surgery by the team at Great Ormond Street Hospital finally gave her a chance at a normal life. What makes Kirsteen so exceptional is that she has since helped to raise over £750,000 for the hospital. In 2006 she was named 'Fundraiser of the Year' at the Pride of Britain awards. This is the story of Kirsteen's extraordinary life and her work to raise funds for the hospital that helped her so much. But it is also the story of her family, who have always supported her - her mum, who battled with feelings of guilt over Kirsteen's condition, her dad, who sacrificed career advancement and earning capacity to look after his family, and her brothers, who have watched as their parents struggled to support their sister.

Iraq's contemporary history is a tale of a diverse people thrown together into a nation-state by imperialist statecraft. From the state's inception as a League of Nations mandate in the 1920s, through wars, coups and revolutions, Iraqis have always resisted foreign domination. But the country, propelled by the quest for power, intense national pride and a zeal for sovereignty, was catapulted along a trajectory of violence. On one side stood imperialism, seeking to control Iraq for its own ends. Facing it, Iraqis of varying nationalist groups tried to rid the country of foreign meddling and steer a course of self-determination. *Pride and Power* offers in-depth analysis of the most important events, decisions and processes that led Iraq down this path. Based on extensive research of primary sources, both Iraqi and Western, the book unravels the complexity of Iraq's political history.
