The Seven Poor Travellers Charles Dickens, 2021-04-07 The story starts in a charity hospice in Rochester—a place that Dickens himself was familiar with from his own childhood. According to the will of the founder, Richard Watts, at Christmas the hospice must provide lodgings and entertainment for one night as well as some money to six poor people, an amount that is substantial enough to allow the travelers to buy a hearty meal. On Christmas Eve there are six people in the inn and the novel is composed from the six stories of the travelers who find shelter in the hospice, plus the narrator himself. The stories told by the travelers and the meal shared create a kind of harmony and a sense of community between the seven people—they all leave the inn the following day and life will probably take them to different places, but they will all cherish the memory of this one serene evening.

The Seven Poor Travellers (Annotated) Charles Dickens, 2020-05-03 Differentiated book— It has a historical context with research of the time—*The Seven Poor Travelers* by Charles Dickens. Starting with the Christmas bonus number for 1854, *The Seven Poor Travelers*, Dickens put the stories into a general framework by adding special openings and endings and providing brief links between the segments. Dickens himself usually wrote two of the segments (although he did write one, sometimes three). He always set the general theme, and usually wrote the entire framework. At first, the setting was sober and utilitarian (although the dramatic situation was often whimsical); The typical strategy was to gather a group of strangers and have them out of their time telling stories (the dramatic situation generally required such fun). In the latest Christmas issues, Dickens paid more attention to the setting and creating a realistic and sometimes suspenseful situation for the narrative. *The Seven Poor Travelers* takes place on Christmas Eve in Rochester at the charity hospice founded in 1579 by Richard Watts, a royal hospice that Dickens knew well from his childhood days. According to Watts's will, his hospice was to provide six poor travelers (provided they were not rogues or supervisors) with free accommodation and entertainment for one night and four pence. In the opening section of *The Seven Poor Travelers*, titled 'The First', the narrator, he brings travelers up to seven,

The Seven Poor Travellers Charles Dickens, 2017-11-17 *The Seven Poor travellers* is a classic Charles Dickens Christmas short story full of love, loss, regret, and reuniting. The story begins by relating the hardships the English were enduring at the time of the writing and tells of a dear soul who had endowed an inn for poor travelers to give room and board to destitute visitors for one night. Dickens ironically points out that the travelers got about 1/30th of the value, while the management and lawyers of the trust got the other 29/30ths. The narrator tells a story about Richard Doubledick, saved by an officer friend, after a Christmas Eve feast, who became his friend for life until his death at Waterloo. Richard later met the French officer who killed his friend and used forgiveness to get over it, which led to them and their children becoming lifelong friends. This is a classic story about generations of salvation and friendship.

The Seven Poor Travellers Charles Dickens, 2017-07-26 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About The Seven Poor Travellers by Charles Dickens A short and inspirational work by Charles Dickens written as a Christmas story. Outshined by Dickens much more well known Christmas story, this story has received scant notice. Written in the first person, Dickens tell of being a poor traveller, and discovering a humble inn during his travels. Set up as a charitable hostel by a gentlemen deceased over a century previously, the inn offers to six poor traveller's, true in heart, free lodging for one night plus enough money to purchase a simple meal. After satisfying himself of the bona fides of this charitable work, the seventh poor traveller, as Dickens refers to the narrator, determines to contribute his own gift to his fellow traveller's, it being Christmas Eve. Securing a sumptuous meal for the holy occasion, and preparing his own secret recipe of wassail, he shares a most satisfying Christmas Eve meal with his fellows, topping off the night with a personal story that befits a Christ-like life of humble service to the meanest among us. The story told, and following activities, serve to illustrate well the concept Dickens wishes to drive home, which is that at best we are all poor traveller's together in this life, and make the best of it all by sharing with a true heart whatever good and honest fare comes our way. Without the burden of judging harshly those whom we encounter who seem beneath our station, true happiness may be achieved before we, too, depart this veil of tears.

It was in the ancient little city of Rochester in Kent, of all the good days in the year upon a Christmas-eve, that I stood reading this inscription over the quaint old door in question. I had been wandering about the neighbouring Cathedral, and had seen the tomb of Richard Watts, with the effigy of worthy Master Richard starting out of it like a ship's figure-head; and I had felt that I could do no less, as I gave the Verger his fee, than inquire the way to Watts's Charity. The way being very short and very plain, I had come prosperously to the inscription and the quaint old door. Now, said I to myself, as I looked at the knocker, I know I am not a Proctor; I wonder whether I am a Rogue! Upon the whole, though Conscience reproduced two or three pretty faces which might have had smaller attraction for a moral Goliath than they had had for me, who am but a Tom Thumb in that way, I came to the conclusion that I was not a Rogue. So, beginning to regard the establishment as in some sort my property, bequeathed to me and divers co-legatees, share and share alike, by the Worshipful Master Richard Watts, I stepped backward into the road to survey my in-
