Messy Roots: A Graphic Memoir of a Wuhanese American Laura Gao,2022-03-08 “Messy Roots is a laugh-out-loud, heartfelt, and deeply engaging story of their journey to find themselves—as an American, as the daughter of Chinese immigrants, as a queer person, and as a Wuhanese American in the middle of a pandemic.”—Malaka Gharib, author of *I Was Their American Dream* After spending her early years in Wuhan, China, riding water buffalos and devouring stinky tofu, Laura immigrates to Texas, where her hometown is as foreign as Mars—at least until 2020, when COVID-19 makes Wuhan a household name. In *Messy Roots*, Laura illustrates her coming-of-age as the girl who simply wants to make the basketball team, escape Chinese school, and figure out why girls make her heart flutter. Insightful, original, and hilarious, toggling seamlessly between past and present, China and America, Gao’s debut is a tour de force of graphic storytelling.

The Last Great Strike Clement Mesenas,2013-02-15
Veteran journalist Clement Mesenas looks back on eight eventful days in 1971 when a group of young reporters staged a historic strike that shut down The Straits Times, a company that had the proud tradition of never being off the streets in its

120 years of existence, not even during the Japanese occupation of Singapore. "Clement has written a cracker of a book. Even if you don't love that national institution called The Straits Times, he tells a gripping tale of idealism, bravado and table-banging drama featuring indignant young journalists who take their battle against their parsimonious, disdainful, white-dominated Straits Times management to the streets two days before Christmas in 1971." Tan Wang Joo, former editor of The Sunday Nation, and a deputy editor of The Straits Times. "It is more than a strike story. The writer's account of newsroom life in pre-computer days should interest news junkies and those who care about the media industry." Cheong Yip Seng, Singapore ambassador to Chile and former editor-in-chief of the English and Malay Newspapers Division of Singapore Press Holdings

Invention James Dyson, 2022-08-04 Dyson has become a byword for great design, brilliant invention and global success. Now, James Dyson, the entrepreneur who made it all happen, tells his remarkable and inspirational story in *Invention: A Life*. 'By continually challenging ourselves, investing in the future and experimenting, we can continue to make the future. We must never stop. Never, for one second become comfortable.' James Dyson In this spirited autobiography, James Dyson interweaves his own life story with a wider exploration of the importance of invention. On the way, the reader encounters challenging and inspirational characters, radical inventions, adventurous engineering, cultural fads, political gamesmanship, legal battles and much else besides. *Invention: A Life* is a 21st century call to arms: creative invention through the research, design and manufacture of technologies and products empowers not only employees and employers, but the economy at large, while the very acts of

imagining, shaping and making things enriches our lives. James Dyson sees people as producers as well as consumers, the inventing and making of things part of a natural instinct. Invention is a lifelong commitment. It has been James Dyson's life.

Diary of a Former Covidiot: Tales of panic buying, surviving and finding humour during the Coronavirus Pandemic Christina Thé, 2020-08-15 The Coronavirus or to use its hipper name, the Covid 19 pandemic has affected everyone across the globe, regardless of race, age, sex or religion. With an astute sense of observation, Christina Thé has been inspired by how people behave in times such as this. "Locked-up" at home for 56 days, she has written these pieces to cheer up her friends and business associates; and to counter all the gloom and doom that is in the news. Though the incidents are all based on real incidents that have happened, the characters have been slightly exaggerated, as this is after all, a book of humour. We can empathise and relate to her stories as it is how we all behave, or we know someone just like that, even if we refuse to publicly admit to such irrational actions. It is an entertaining work written with wit and humour.

Men in White Sonny Yap, Richard Lim, Weng Kam Leong, 2009 The inside story of one of the world's most successful political parties-the ruling People's Action Party of Singapore. Riveting account of political developments from PAP's inception in 1954 to the present day . Concise text written by experienced journalists. Extensively and carefully researched over five

years and with over 300 interviews with key players and PAP legislative assemblymen who defected. *Men in White* is the inside story of one of the world's most successful political parties - the ruling People's Action Party of Singapore. With its victory in the 2006 polls, PAP has won 12 successive general elections since it assumed power in 1959. Narrated in three parts, it chronicles the rise, fall, capture, split and rise of a political party which has become synonymous with the spellbinding success of Singapore, and delves into the reasons for its track record and longevity. Part One tells how Lee Kuan Yew and his anglicised associates collaborated with radical Chinese-speaking trade unionist to form a small left-wing party in 1954 to drive out the British colonialists and how they fell out over the issue of merger with Malaya. Part Two captures the agonies of leadership self-renewal. Part Three wraps up the PAP story by tracing the origins and discussing some of the key principles that characterised Singapore governance.
