*The Walker Brothers - Then and Now* E. J. Brock, 2014-05-17 The Walker brothers have always had a reputation of being a little thuggish, and a whole lot of gangsta. They live by their own creed "If you don't start no \*\*\* there won't be no \*\*\*\*". In their youth, they were the only thing that stood in the way of local street gangs taking over their hood. But, they are old men now, and time brings about a change...or does it?\*\*\*An enemy that they took down thirty-five years ago has resurfaced, and he is out for revenge. With a life hanging in the balance, do the brothers still have what it takes? Are they still the original gangstas...or just a bunch of old fools? Journey into the lives of The Walker Brothers...Then and Now.
